ARTICLE I INTRODUCTION

Identity of the Debtor

1.01 Debtor and the Plan Proponent, H&S Business LLC, filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. Section 101, et seq. ("Code") on June 6, 2016 in the United States Bankruptcy Court for the Eastern District of Texas. The Debtor is operating its business as a Debtor-in-Possession pursuant to Sections 1107 and 1108 of the Code.

Purpose of This Disclosure; Source of Information

1.02. Debtor submits this Disclosure pursuant to Section 1125 of the Code to all known Claimants of Debtor for the purpose of disclosing that information which the Court has determined is material, important, and necessary for Creditors and the Members of, Debtor in order to arrive at an intelligent, reasonably informed decision in exercising the right to vote for acceptance or rejection of the Debtor's Plan. A copy of the Plan is attached hereto as Exhibit A and incorporated herein by this reference. The Plan sets forth in detail the repayment arrangement between the Reorganized Debtor and its creditors. This Disclosure describes the operations of the Debtor contemplated under the Plan. Any accounting information contained herein has been provided by the Debtor and has been prepared using the cash method of accounting.

Explanation of Chapter 11

1.03 Chapter 11 is the principal reorganization chapter of the Code. Pursuant to Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against and interests in the debtor. After a plan of reorganization has been filed, it must be accepted by holders of claims against, or interests in, the debtor. Section 1125 of the Code requires full disclosure before solicitation of acceptances of a plan of reorganization. This Disclosure is presented to Claimants to satisfy the requirements of Section 1125 of the Code.

Explanation of the Process of Confirmation

1.04 Even if all Classes of Claims accept the plan, its confirmation may be refused by the Court. Section 1129 of the Code sets forth the requirements for confirmation and, among other things, requires that a plan of reorganization be in the best interests of Claimants. It generally requires that the value to be distributed to Claimants and Equity Interest Holders may not be less than such parties would receive if the debtor were liquidated under Chapter 7 of the Code.

1.05 Acceptance of the plan by the Creditors and Equity Interest Holders is important. In order for the plan to be accepted by each class of claims, the creditors that hold at least two thirds (2/3) in amount and more than one-half (1/2) in number of the allowed claims actually voting on the plan in such class must vote for the plan and the equity interest holders that hold at least two-thirds (2/3) in amount of the allowed interests actually voting on the plan in such class must vote for the plan. Chapter 11 of the Code does not require that each holder of a claim against, or interest in, the debtor vote in favor of the plan in order for it to be confirmed by the Court. The plan, however, must be accepted by: (i) at least the holder of one (1) class of claims by a majority in number and two-thirds (2/3) in amount of those claims of such class actually voting.

1.06 The Court may confirm the plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

1.07 Confirmation of the plan discharges the debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the plan and Section 1141(d) of the Code. Confirmation makes the plan binding upon the debtor and all claimants, equity interest holders and other parties-in-interest, regardless of whether or not they have accepted the plan. The “Effective Date” of the plan means thirty (30) days after the confirmation date.

Voting Procedures

1.08 Unimpaired Class. There are no Class of Claimants that is not impaired under the Plan.

1.09 Impaired Classes. Classes 2, 3, 4, 5, 6 and 7 Claimants are impaired as defined by Section 1124 of the Code. The Debtor is seeking the acceptance of the Plan by Claimants in Classes 2, 3, 4, 5 and 6. Class 7 Claimants whose interests in the Debtor are being cancelled under the terms of the Plan are deemed to have rejected the Plan pursuant to 11 U.S.C. § 1126(g) and therefore are not being solicited by the Debtor. Each holder of an Allowed Claim in Classes 2, 3, 4, 5 and 6 may vote on the Plan by completing, dating, and signing the ballot sent to each holder and filing the ballot as set forth below. One ballot will be sent to each Claimant eligible to vote on the Plan. For all Classes, the ballot must be returned to Debtor’s counsel, John Gitlin, Esq., by mail at 16901 Park Hill Drive, Dallas, Texas 75248; by email at johngitlin@gmail.com or by facsimile at 972.385.8460. In order to be counted, ballots must be **RECEIVED** no later than the time and on the date stated on the ballot.

1.10 Acceptances. Ballots that are signed and returned but fail to indicate either an acceptance or rejection will not be counted.

Best Interests of Creditors Test

1.11 Section 1129(a) (7) of the Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b) (2) of the Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Court must determine that the Plan is in the best interests of the Debtor's creditors. Accordingly, the proposed plan must provide the Debtor's creditors would receive more than they would receive in a Chapter 7 liquidation. Accordingly, since the Plan proposes to pay all secured creditors in full and the unsecured creditors a substantial dividend, Debtor believes that the creditors are receiving more than they would receive in Chapter 7 liquidation. Accordingly, the Plan satisfies the requirements of Section 1129(a) (7).

Cramdown

1.12 The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code. Accordingly, Debtor, as the plan proponent, requests that the Court determine that the Plan does not discriminate unfairly, and is fair and equitable with respect to any objecting creditor. A discussion of the specific requirements for Cramdown of a Plan are set forth below.

Definition of Impairment

1.13 As set forth in section 1124 of the Bankruptcy Code, a class of claims or equity interests is impaired under a plan of reorganization unless, with respect to each claim or equity interest of such class, the plan:

- (a) leaves unaltered the legal, equitable, and contractual rights of the holder of such claim or equity interest; or
- (b) notwithstanding any contractual provision or applicable law that entitles the holder or a claim or equity interest to demand or receive accelerated payment of such claim or equity interest after the occurrence of a default:
 - (i) cures any such default that occurred before or after the commencement of the case under the Bankruptcy Code, other than a default of a kind specified in section 365(b)(2) of the Bankruptcy Code;

(ii) reinstates the maturity of such claim or interest for any damages incurred as a result of any reasonable reliance on such contractual claim or interest as it existed before such default;

(iii) compensates the holder of such provision or such applicable law; and

(iv) does not otherwise alter the legal, equitable or contractual rights to which such claim or interest entitles the holder of such claim or interest.

Classification and Treatment of Claims and Interests

1.14 The Plan classifies Claims separately in accordance with § 1122 of the Bankruptcy Code and provides different treatment for different classes of Claims.

1.15 Only holders of Allowed Claims are entitled to receive distributions under the Plan. Allowed Claims Are Claims that are not in dispute, are not contingent, are liquidated in amount, and are not subject to objection or estimation. Initial distributions or other transfers of Cash or other consideration specified in the Plan otherwise available to the holders of Allowed Claims will be made on the Effective Date, or (b) the date on which such Claim becomes an Allowed Claim, as otherwise provided in the Plan, or as may be ordered by the Bankruptcy Court.

1.16 In accordance with the Plan, unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim under the Plan will be in full satisfaction, settlement, release, and discharge of and in exchange for each and every Claim.

Requirements for Confirmation of the Plan

1.17 At the confirmation hearing, the Bankruptcy Court must determine whether the Bankruptcy Code's requirements for confirmation of the Plan have been satisfied, in which event the Bankruptcy Court will enter an order confirming the Plan. As set forth in section 1129 of the Bankruptcy Code, these requirements are as follows:

The plan complies with the applicable provisions of the Bankruptcy Code.

The proponents of the plan comply with the applicable provisions of the Bankruptcy Code.

The plan has been proposed in good faith and not by any means forbidden by law.

Any payment made or promised by the Debtor, by the plan proponents, or by a person issuing securities or acquiring property under the plan, for services or for costs and expenses in, or in connection with, the case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of the Bankruptcy Court as reasonable.

- (A) The proponent of the plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the Debtor, an affiliate of the Debtor participating in a joint plan with the Debtor, or a successor to the Debtor under the plan; and (B) the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policy; and the proponent of the plan has disclosed the identity of any insider that will be employed or retained by the reorganized Debtor, and the nature of any compensation for such insider.

Any governmental regulatory commission with jurisdiction, after confirmation of the plan, over the rates of the Debtor has approved any rate change provided for in the plan, or such rate change is expressly conditioned on such approval.

With respect to each impaired class of claims or interests:

- (i) each holder of a claim or interest of such class has (A) accepted the plan or (B) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated on such date under chapter 7 of the Bankruptcy Code on such date; or (ii) if section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, the holder of a claim of such class will receive or retain under the plan on account of such claim property of a value, as of the effective date of the plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.

With respect to each class of claims or interests:

- (i) such class has accepted the plan; or
- (ii) such class is not impaired under the plan.

Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that:

- (i) with respect to a claim of a kind specified in section 507(a) (1) or 507(a) (2) of the Bankruptcy Code, on the effective date of the plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim;
- (ii) with respect to a class of claims of a kind specified in section 507(a)(3), 507(a)(4), 507(a)(5) or 507(a)(6) of the Bankruptcy Code, each holder of a claim of such class will receive: (i) if such class has accepted the plan, deferred cash payments of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (ii) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim; and

(iii) with respect to a claim of a kind specified in section 507(a) (7) of the Bankruptcy Code, the holder of a claim will receive on account of such claim deferred cash payments, over a period not exceeding six years after the date of assessment of such claim, of a value, as of the effective date of the plan, equal to the allowed amount of such claim.

If a class of claims is impaired under the plan, at least one class of claims that is impaired has accepted the plan, determined without including any acceptance of the plan by any insider holding a claim of such class.

If the debtor is required by a judicial or administrative order, or by statute, to pay a domestic support obligation, the debtor has paid all amounts payable under such order or such statute for such obligation that first become payable after the date of the filing of the petition.

Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the hearing on confirmation of the plan, have been paid or the plan provides for the payments of all such fees on the effective date of the plan. The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e) (1) (B) or (g) of section 1114, at any time prior to confirmation of the plan, for the duration of the period the Debtor has obligated itself to provide such benefits.

The Debtor believes that the Plan satisfies all the statutory requirements of chapter 11 of the Bankruptcy Code, that the Debtor has complied with or will have complied with all the requirements of chapter 11, and that the Plan is proposed in good faith. At the Confirmation Hearing, the Bankruptcy Court will determine whether holders of Allowed Claims or Allowed Equity Interests would receive greater distributions under the Plan than they would receive in a liquidation under chapter 7.

The Debtor believes that the feasibility requirement for confirmation of the Plan is satisfied by the fact that the future operating revenues and capital infusions provided for by the plan will be sufficient to satisfy the obligations under the Plan in addition to supporting sustainable growth of the business. These facts and others demonstrating the confirmability of the Plan will be shown at the Confirmation Hearing.

Cramdown

1.18 The bankruptcy court may confirm a plan of reorganization even though fewer than all the classes of impaired claims and interests accept it. For a plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the proponents of the plan must show, among other things, that the plan does not “discriminate unfairly” and that the plan is “fair and equitable” with respect to each impaired class of claims or interests that has not accepted the plan.

1.19 “Fair and equitable” has different meanings with respect to the treatment of secured and unsecured claims. As set forth in section 1129(b) (2) of the Bankruptcy Code, those meanings are as follows:

With respect to a class of secured claims, the plan provides:

- (a) (i) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the Debtor or transferred to another entity, to the extent of the allowed amount of such claims; and
- (ii) that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the plan, of at least the value of such holder’s interest in the estate’s interest in such property;
- (b) for the sale, subject to section 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale, and the treatment of such liens on proceeds under clause (a) and (b) of this subparagraph; or
- (c) the realization by such holders of the “indubitable equivalent” of such claims.

With respect to a class of unsecured claims, the plan provides:

- (a) that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or
- (b) the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or interest any property, except that in a case in which the debtor is an individual, the debtor may retain property included in the estate under section 1115 subject to the requirements that a) the value, as of effective date of the plan, of the property to be distributed under the plan on account of such claim is not less than the amount of such claim; or (b) the value of property to be distributed

under the plan is not less than the projected disposable income of the debtor (as defined in section 1325(b)(2)) to be received during the 5-year period beginning on the date that the first payment is due under the plan, or during the period for which the plan provides payments, whichever is longer.

With respect to a class of interests, the plan provides:

- (a) that each holder of an interest of such class receive or retain on account of such interest property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled or the value of such interest; or
- (b) that the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property.

1.20 In the event that one or more classes of impaired Claims reject the Plan, the Bankruptcy Court will determine at the Confirmation Hearing whether the Plan is fair and equitable with respect to, and does not discriminate unfairly against, any rejecting impaired class of Claims. **SO LONG AS THE CLASSES OF UNSECURED CREDITORS VOTE FOR THE PLAN THEN THE PLAN WILL NOT VIOLATE THE ABSOLUTE PRIORITY RULE.** The absolute priority rule requires that prior to a junior class of claimants retaining or receiving any property the senior classes of claims must be paid in full or vote to accept the Plan.

The Debtor believes the Plan does not discriminate unfairly against, and is fair and equitable with respect to, each impaired class of Claims.

ARTICLE III

FINANCIAL PICTURE OF THE DEBTOR

Financial History and Background of the Debtor

3.01 H&S Business LLC ("Debtor", "Debtor in Possession", or the "Company") was formed in May, 2009 for the purpose of acquiring and operating a Gas Station-Convenience Store located in Gordonville, Texas ("Convenience Store"). The Debtor is and has been since June, 2009, the owner of the Convenience Store and continues to operate its business as a Debtor-in-Possession pursuant to Sections 1107 and 1108 of the Code. The Convenience Store is

THIS DISCLOSURE STATEMENT HAS NOT YET BEEN APPROVED BY THE BANKRUPTCY COURT; ACCORDINGLY, UNLESS AND UNTIL AUTHORIZED BY THE BANKRUPTCY COURT TO DO SO, NO PARTY SHOULD SOLICIT ACCEPTANCE OR REJECTION OF THE PLAN OR USE THIS DISCLOSURE STATEMENT FOR ANY SOLICITATION PURPOSES WHATSOEVER.

situated less than one half mile from Lake Texoma and derives a good portion of its business from customers who visit the Lake year round. Between 2012 through 2014, Debtor realized profits from the business. In 2015, the area experienced substantial rainfall which resulted in the Lake being shut down from March through August of that year. As a consequence of the Lake being shut down during that period of time, Debtor's business decreased and its gross revenues fell off by approximately \$300,000.00 which had a substantial impact on Debtor's financial condition, which ultimately led to Debtor filing for bankruptcy.

1. Revenue

In addition to the Lake being shut down in 2015, in 2016, the Convenience Store was affected by a material roofing leak, which shut down a portion of the Store, including the food section and hot food section of the Store. The leak has been repaired and the Debtor is preparing to reopen those sections of the Store. Debtor anticipates that there will be an increase in revenues more in keeping with the historical revenues generated between 2012 through 2014.

2. Future Activities.

Subject to Debtor's plan being confirmed, Debtor will receive a capital infusion of \$150,000.00, a portion of which will be used by Debtor to make essential updates to the Store which had fallen into some disrepair and therefore make it more attractive to customers and increase traffic. Additionally, because of the financial downturn in 2015, Debtor was forced to materially reduce the amount of instore and fuel inventory it purchased which impacted its gross sales. Debtor intends to increase its inventory to at least a level on par with 2012 through 2014, if not greater. It has been Debtor's experience that the demand for both fuel and inside sales inventory is greater than what it was able to provide during 2015-16 which should have a meaningful impact on gross revenues realized by the business operations. Debtor's business is currently in a 'dry' area. In early November, 2016, there will be a vote to make the area 'wet'. It is standard in the industry that the sale of beer and wine should increase gross revenues by approximately 30%. This should be especially true in the recreational area of Lake Texoma. There is, however, absolutely no certainty that the area will be voted wet and therefore Debtor's projected income attached to this Disclosure Statement does not in any way rely on the area becoming wet and Debtor being able to sell beer and wine in the Store.

Current Operations

3.02. A Profit and Loss statement showing actual historical operation of the Debtor is attached hereto as **Exhibit "2"** and incorporated herein by this reference as if set forth in full for all purposes.

Future Income and Expenses Under the Plan

3.03. The Debtor's projections of plan payments is set forth on **Exhibit "3"** attached hereto. The Debtor's Claims Summary and Plan Payment Schedule is attached hereto as **Exhibit**

“4”. Dollars to fund the Plan will come from the Debtor's continued business operations and the New Equity Interest Holders' contributions provided for by the Plan.

Future Management of the Debtor

3.04. Subject to and upon the occurrence of the Effective Date and as discussed more fully in Debtor's Plan, Debtor shall retain Parvinder Dhaliwal to manage the operations of the Convenience Store. Mr. Dhaliwal shall not receive any compensation for acting as the managing member for the first five months following the Effective Date. Thereafter, if the operations generate sufficient revenue for Debtor to pay its expenses and make its plan payments and if sufficient funds exist to do so, Mr. Dhaliwal shall be paid a salary of \$2,000.00 per month. Since 2006, Mr. Dhaliwal has been involved in managing the operations of three convenience stores.

ARTICLE IV **ANALYSIS AND VALUATION OF PROPERTY**

Real Property

4.01. Debtor's non monetary assets consist of the Convenience Store-Gas Station located in Gordonville, Texas and the personal property contained therein, including furniture, fixtures and equipment. Debtor estimates the as-is fair market value of the real property and all personal property at approximately \$550,000.00.

Cash on Hand

4.03 Debtor has approximately \$3,600.00 on hand and in its bank accounts as of the date of this Disclosure Statement.

Liquidation Value of Assets

Property	Value	Secured Debt	Equity
Real and Personal Property	\$550,000.00	\$680,000.00	\$0.00

The scheduled amount of unsecured debt is \$443,500. The Plan proposes to pay (i) A&A Hospitality, Inc. the sum of \$60,000.00 to which amount the creditor has consented over 5 years with an interest rate at 5% per annum; (ii) Martin Petroleum the sum of \$38,5000.00 over 5 years with interest at 5% per annum; (iii) Wells Fargo Bank NA the sum of 8,279.80 over 5 years with an interest rate of 5.00% per annum. The Debtor has prepared this Liquidation Analysis based on its opinion of the value of the assets. It has not included costs of sale in the event that Debtor were in a Chapter 7 liquidation bankruptcy proceeding which would be approximately 6% marketing commissions, plus Trustee fees plus other administrative fees incurred by the Trustee. Nor does it take into account the impact of attempting to sell the convenience store-gas station property while in a Chapter 7 bankruptcy proceeding, which proceedings historically depresses the amount a buyer is willing to pay for the real property. Based upon the foregoing, Debtor

believes that all creditors will receive under the terms of its Plan, payment equal to or greater than what they would have otherwise received if Debtor were in a Chapter 7 proceeding.

Funding of the Plan

The major source of funding for the Plan will come from the initial investment of \$150,000.00 by Parvinder Dhaliwal (\$50,000.00) and Harjinder Singh (\$100,000.00), the Debtor's business operations and income, and cash on hand. Concurrently, in the event that any additional sums are required to avoid default under the terms of this Chapter 11 Plan, all New Equity Interest members are committed to provide up to an additional \$30,000.00 to be paid *pro rata* by the members based upon their individual equity interests. If a member does not contribute his *pro rata* share, the remaining members will be obligated to contribute the additional sums, and any defaulting member will lose his or its equity interest proportionate to the amount that the member failed to contribute.

The Class 2 Claims shall accrue interest from the Petition Date at the rate of 1% per month from the Petition Date through the Effective Date of the Plan and 12% per annum following the Effective Date until paid in full. These creditors shall retain their senior liens to secure their claims until paid in full under this Plan. In the event that the Debtor disputes such claim, the payments will be applied to the undisputed amount of the claim as ultimately allowed. While resolution of any such objection is pending, payments pursuant to the Plan shall be applied to the undisputed portion of the claim as ultimately allowed. In the event of a default under the plan, counsel for holder of a claim in this class shall provide notice of the default via facsimile to counsel for the debtor. Such default shall be cured within 15 business days of the date of transmission of such notice of default. In the event the default is not cured, the Claimant shall be entitled to pursue all amounts owed pursuant to state law outside of the Bankruptcy Court. The Claimant shall only be required to provide two notices of default. Upon a third event of default, the Claimant shall be entitled to collect all amounts owed pursuant to state law outside of the Bankruptcy Court without further notice. Failure to pay post-petition taxes prior to delinquency shall constitute an event of default.

All ad valorem and personal property taxes which become due on or before January 31, 2017 shall be secured as provided under Texas statutory law.

The Class 2 Claims are Impaired and the holders of the Class 2 Claims are entitled to vote to accept or reject the Plan.

5.03. Class 3 Claim. (Unsecured Creditor Tax Claims). This Class consists of the tax claims of the Department of the Treasury-Internal Revenue Service. To the extent that this Claim is found to be an Allowed Claim, such Claim shall be treated as follows:

The Claim as reflected in Claimant's Proof of Claim, as Allowed, shall be paid in full on the Effective Date.

The occurrence of any of the following shall constitute an event of default under the Plan:

1) **Failure to Make Payments.** Failure on the part of Debtor to pay fully when due any payment required to be made in respect of the Plan Debt. However, due to the size and ongoing nature of the IRS's claim, upon a default under the plan, the administrative collection powers and the rights of the IRS shall be reinstated as they existed prior to the filing of the bankruptcy petition, including, but not limited to, the assessment of taxes, the filing of a notice of Federal (or state) tax lien and the powers of levy, seizure, and as provided under the Internal Revenue Code. As to the IRS:

(A) If the Debtor or its successor in interest fails to make any plan payment, or deposits of any currently accruing employment or sales tax liability; or fails to make payment of any tax to the Internal Revenue Service within 10 days of the due date of such deposit or payment, or if the Debtor or its successor in interest failed to file any required federal or state tax return by the due date of such return, then the United States may declare that the Debtor is in default of the Plan. Failure to declare a default does not constitute a waiver by the United States of the right to declare that the successor in interest or Debtor is in default.

(B) If the United States declares the Debtor or the successor in interest to be in default of the Debtor's obligations under the Plan, then the entire imposed liability, together with any unpaid current liabilities, may become due and payable immediately upon written demand to the Debtor or the successor in interest.

(C) If full payment is not made within 14 days of such demand, then the Internal Revenue Service may collect any unpaid liabilities through the administrative collection provisions of the Internal Revenue Code. The IRS shall only be required to send two notices of default, and upon the third event of Default the IRS may proceed to collect on all amounts owed without recourse to the Bankruptcy Court and without further notice to the Debtor. The collection statute expiration date will be extended from the Petition Date until substantial default under the Plan. All payments will be sent to: IRS, 1100 Commerce Street, Mail Code **5024** DAL, Dallas, Texas 75242 attn Leo Carey.

(D) The Internal Revenue Service shall not be bound by any release provisions in the Plan that would release any liability of the responsible persons of the Debtor to the IRS. The Internal Revenue Service may take such actions as it deems necessary to assess any liability that may be due and owing by the responsible persons of the Debtor to the Internal Revenue Service; but the Internal Revenue Service shall not take action to actually collect from such persons unless and until there is a default under the Plan and as set forth above.

The Class 3 Claims are Impaired and the holders of the Class 3 Claims are entitled to vote to accept or reject the Plan.

5.04. Class 4 Claim.

(a) The Class 4A Claim will be paid as Allowed as follows:

The Class 4A Claim consists of indebtedness incurred by the Debtor for a loan advanced by the Class 4A Claimant, One World Bank ("Bank"), in the original principal amount of \$825,000.00 evidenced by a promissory note ("Note") which is secured by a Deed of Trust on Debtor's real property at 32210 US Highway 377, Gordon, Texas and security interest in Debtor's personal property. The Class 4A Claim will be treated as an Allowed Secured Claim in an amount equal to the outstanding principal and interest due and owing the Bank as of the Petition Date and shall be paid in full with interest on such Allowed Amount at Wall Street Journal Prime Rate as of the date of this Plan plus 1.5% per annum. The Class 4A Creditor's Claim shall be paid in full as follows:

Claimant shall be paid in equal monthly installments amortized over thirty years of principal and interest for sixty months at which time the entire unpaid principal and accrued interest shall become due and payable in its entirety. Commencing on the eighteenth month following the Effective Date, Debtor shall increase the monthly payment to Claimant by Five Hundred dollars (\$500.00) payable through the sixtieth month.

Payments shall be made commencing on the fourth day of the month following the Effective Date and shall continue on the 4th day of each succeeding month thereafter until paid in full.

The Class 4A Claimant shall retain all of its liens and security interests as originally provided in the loan documents between Debtor and Claimant until the Allowed Amount is paid in full.

The Class 4A Claimant is Impaired and the holder of the Class 4A Claim is entitled to vote to accept or reject the Plan.

(b) The Class 4B Claim will be paid as Allowed as follows:

Absent a determination that some portion of the Class 4B Claim of Claimant A&A Hospitality Inc. is a Secured Claim pursuant to § 506 of the Bankruptcy Code, the entire amount of such Class 4B Claim will be treated as an Unsecured Claim, and, as such, shall be treated as a Class 6 Claim. Accordingly, the default position, which shall apply under this Plan absent such determination, is that the value of all available collateral is attributable solely to the senior Class 4A and Class 5 Claims. If and to the extent the Bankruptcy Court determines at or before the conclusion of the Confirmation Hearing, at the request of the Class 4B Claimant, that any portion of the Class 4B claim is secured pursuant to § 506 of the Bankruptcy Code, then such secured portion only shall be paid as an Allowed Class 4B Secured Claim on repayment terms identical to the payment terms applicable to Class 4B's treatment as an unsecured creditor. Otherwise, in

the absence of any such determination or in the event of a determination that only a portion of such Claim is secured, the Class 4B claim shall be treated as an Allowed Class 6 Unsecured Claim in the amount of \$60,000.00 (or reduced dollar for dollar by any determination that any portion of such Claim is a Secured Claim).

The holder of any Class 4B Allowed Secured Claim is Impaired, and the holder is entitled to vote to accept or reject the Plan in Class 4B. The Unsecured balance of such Claim shall vote in Class 5 to the extent Allowed.

5.05 Class 5 Claims.

The Class 5 Claim will be paid as Allowed as follows:

The Class 5 Claim will be treated as an Allowed Secured Claim of Propel Financial Services, secured by the Debtor's real property at 32210 US Highway 377, Gordon, Texas and shall be paid according to the terms and conditions of the loan documents as modified by the parties. The payments shall be made in equal monthly installments of principal and interest in the Amount of \$450.00, commencing on the tenth day of the month following the Effective Date and shall continue on the tenth day of each month thereafter until paid in full. In addition to the foregoing, Debtor shall also pay Claimant an amount equal to all past due payments due which have accrued as of the Effective Date in five equal monthly installments with interest thereon at the rate of 11.9 % per annum commencing on the first day of the month following the Effective Date and continuing thereafter on the first day of each succeeding month until paid in full.

The Class 5 Claimant shall retain all of its liens and security interests as originally provided in the loan documents between Debtor and Claimant until the Allowed Amount is paid in full.

The Class 5 Claimant is Impaired and the holder of the Class 5 Claim is entitled to vote to accept or reject the Plan.

5.06. Class 6 Claim. Class 6 consists of Claimants holding an Allowed Unsecured Claim which is made up of the following Claimants: a.) Martin Petroleum; b.) A&A Hospitality Inc.; c.) Wells Fargo Bank, N.A. Such Claims shall be paid as follows:

a.) The Allowed Unsecured Claim of Martin Petroleum in the principal amount of \$38,500.00 which shall be paid in sixty equal monthly installments with interest at the rate of 5% per annum on the unpaid principal balance. The first payment shall be due on the 7th day of the first month following the Effective Date and shall continue thereafter on the 7th day of each succeeding month until paid in full.

b.) The Allowed Unsecured Claim of A&A Hospitality, Inc. in the principal amount of \$60,000.00, subject to a reduction equal to the amount Claimant establishes as a secured claim pursuant to Section 506 of the Code as provided in Section 5.04(b) of this Plan which shall be paid in sixty equal monthly installment with interest at the rate of 5% per annum on the unpaid principal balance, the first

payment due on the 7th day of the first month following the Effective Date and continuing thereafter on the 7th day of each succeeding month until paid in full.

c.) The Allowed Unsecured Claim of Wells Fargo Bank NA in the aggregate amount of \$8,279.80 consisting of two credit card accounts as reflected in Claimant's two Proofs of Claim filed on June 17, 2016. This Claim shall be paid in sixty equal monthly installments with interest at the rate of 5% per annum on the unpaid principal balance, the first payment due on the 7th day of the first month following the Effective Date and continuing thereafter on the 7th day of each succeeding month until paid in full.

The holders of the Class 6 Allowed Claims are impaired, and each holder is entitled to vote to accept or reject the Plan in Class 6.

5.07. Class 7 Claims. The Class 7 Claims will be treated as follows:

On the Effective Date, all existing equity interests in the Debtor ("Old Equity Interests") shall be cancelled. Holders of Old Equity Interests not listed in Section 6.02 below are not invited to and shall not participate in the acquisition of New Equity Interests and accordingly shall not be required on account of New Equity Interests to contribute new cash or capital to the Reorganized Debtor. However, holders of Old Equity Interests are not thereby relieved of any other obligations they may have under applicable Bankruptcy law or non-bankruptcy law either to the Debtor or its Creditors.

The Class 7 Claimants are totally impaired under the Plan and, pursuant to § 1126(g) of the Code, are deemed to have rejected the Plan and therefore are not entitled to vote to accept or reject the Plan.

ARTICLE VI

MEANS FOR IMPLEMENTATION OF PLAN

6.01 Implementation of Plan. This Plan will be implemented, pursuant to §1123(a) (5) of the Code, by the commencement of payments as called for above.

6.02 Issuance of New Equity Interests. The new equity interests ("New Equity Interests") in the Debtor shall be purchased and acquired by the following persons or entities on the Effective Date as follows:

New Equity	Cash Contribution Required at the Effective Date	Continuing Capital Contribution per the Plan up to \$30,000.00	Undiluted New Equity Membership Interest

Parvinder Dhaliwal	\$50,000.00	Up to \$15,000.00 if and when needed.	50%
Harjinder Singh	\$100,000.00	Up to \$15,000.00 if and when needed	50%
Total	\$150,000.00	\$30,000.00	100%

The initial \$150,000.00 capital contribution payments shall be tendered to and deposited into the Debtor's counsel's trust account prior to the Confirmation Date. If the Plan is not confirmed, the \$150,000.00 will be returned to those contributing entities.

If a proposed holder of New Equity Interests does not contribute his or its *pro rata* share of the above initial or continuing capital cash contribution in the amount set forth above, such person or entity shall not become a holder of New Equity Interests or a member of the Reorganized Debtor but, instead, the remaining, resulting members will be obligated to contribute the additional sums, and any defaulting member will lose his or its opportunity to acquire such New Equity Interests.

To the extent that a remaining member contributes any additional sums, then in that event the per centage of such remaining member's equity interest in the Reorganized Debtor shall be increased in an amount equal to the per centage that the additional sums contributed to the cash capital contributions is to the total cash contribution required of the New Equity Interests as set forth in this Section 6.02.

None of the purchasing entities shall, by virtue of becoming a holder of the New Equity Interest on the Effective Date, be deemed to have assumed or otherwise become liable for any obligation of the Debtor or the Reorganized Debtor whether under the terms of this Plan or otherwise except for the initial contribution and subsequent capital requirements stated above except as may be expressly agreed to by them in writing from time to time, including, without limiting the foregoing, any state, local or federal tax claims arising before or as a result of implementation of the Plan on the Effective Date, but provided that any tax losses or gains attributable to the holders of the Old Equity Interests prior to or as a result of implementation of the Plan shall continue to be allocated to the holders of the Old Equity Interests notwithstanding the cancellation of those Interests as provided in the Plan.

From and after the Effective Date, the company agreement, articles, and bylaws, as applicable, of the Reorganized Debtor shall be amended (w) to comply with the Bankruptcy Code requirements, (x) to provide for the admission of the holders of New Equity Interests and for the exclusion from membership of holders of Old Equity Interests who do not qualify as holders of New Equity Interests, (y) to provide that no New Equity Interest may be held by, transferred to, or be the subject of any voluntary or involuntary transfer to any other person or entity, whether legally or beneficially, absent consent of all holders of New Equity Interests.

FEASIBILITY OF PLAN

7.01 Debtor asserts that its plan is feasible based on **Exhibits 2 and 3** More specifically, as reflected in Exhibit 2, for the years 2012 through 2014, the convenience store operations has generated annual net revenues of between \$70,000.00 and \$80,000.00. In 2015, even with Lake Texoma having been shut down for six months, the convenience store realized net revenues of approximately \$40,000.00. In addition, the capital infusion of \$150,000.00 which Debtor shall receive from the entities acquiring the new equity interest in the Reorganized Debtor shall be more than sufficient to effectuate payment to those creditors entitled to payment on the Effective Date of the Plan. Concurrently, the new equity holders' commitment to contribute up to an additional \$30,000.00 shall provide the necessary cushion for any possible shortfall which might reasonably occur from future decrease in operating revenues.

Procedure for Filing Proofs of Claims and Proofs of Interests

7.02. All proofs of claims and proofs of interests must be filed by those Claimants and Equity Interest Holder who have not filed such instruments on or before the Bar Date fixed by the Court.

7.03. If Claimants have already filed a proof of claim with the Court or are listed in the Debtor's Schedules as holding non-contingent, liquidated and undisputed claims, a proof of claim need not be filed. The schedules and amendments thereto are on file with the Court and are open for inspection during regular Court hours. If the equity security interest of an Equity Interest Holder is properly reflected in the Debtor, a proof of interest need not be filed.

ARTICLE VIII ALTERNATIVES TO DEBTOR'S PLAN

8.01. If the Debtor's Plan is not confirmed, the Debtor's bankruptcy case may be converted to a case under Chapter 7 of the Code, in which case a trustee would be appointed to liquidate the assets of the Debtor for distribution to its Creditors in accordance with the priorities of the Code. Since the Debtor's assets are heavily mortgaged, Debtor projects that there would be no distribution to unsecured creditors in Chapter 7 (See discussion in Article IV, "Liquidation Value of Assets").

ARTICLE IX RISKS TO CREDITORS UNDER THE DEBTOR'S PLAN

9.01. Claimants should be aware that there are a number of substantial risks involved in consummation of the Plan. The Plan contemplates that the Debtor's business will generate revenue sufficient to pay the obligations accruing from its operations. The Debtor does not "guarantee" that the expenses will equal those in the projections; however, the Debtor believes that the projections are reasonable.

ARTICLE X

TAX CONSEQUENCES TO THE DEBTOR

TO ENSURE COMPLIANCE WITH U.S. TREASURY DEPARTMENT CIRCULAR 230, HOLDERS OF CLAIMS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF UNITED STATES FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED OR RELIED UPON, AND CANNOT BE USED OR RELIED UPON, BY HOLDERS OF CLAIMS OR INTERESTS OR ANY OTHER PERSONS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS OF CLAIMS OR ANY OTHER PERSONS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF U.S. TREASURY DEPARTMENT CIRCULAR 230) OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS OF CLAIMS AND INTERESTS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

A. Introduction

The following discussion summarizes certain material U.S. federal income tax consequences of the Plan to the Debtor and holders of Claims and Interests. The summary is provided for general informational purposes only and is based on the United States Internal Revenue Code of 1986, as amended (the "Tax Code"), the treasury regulations promulgated thereunder, judicial authority and current administrative rulings and practice, all as in effect as of the date hereof (except as otherwise noted below with regard to the American Recovery and Reinvestment Act of 2009), and all of which are subject to change, possibly with retroactive effect. Changes in any of these authorities or in their interpretation could cause the United States federal income tax consequences of the Plan to differ materially from the consequences described below. The United States federal income tax consequences of the Plan are complex and in important respects uncertain. No ruling has been requested from the Internal Revenue Service (the "Service"); no opinion has been requested from Debtor's counsel concerning any tax consequence of the Plan; and no tax opinion is given by this Disclosure Statement.

The following discussion does not address all aspects of federal income taxation that may be relevant to a particular holder of a Claim or Interest in light of its particular facts and circumstances or to particular types of holders of Claims subject to special treatment under the Tax Code. For example, the discussion does not address issues of concern to broker-dealers or other dealers in securities, or foreign (non-U.S.) persons, nor does it address any aspects of state, local, or foreign (non-U.S.) taxation, or the taxation of holders of Interests in a Debtor. In addition, a substantial amount of time may elapse between the Confirmation Date and the receipt of a final distribution under the Plan. Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, court decisions or administrative changes,

could affect the federal income tax consequences of the Plan and the transactions contemplated hereunder.

On February 13, 2009, the House of Representatives and the Senate passed H.R.1, the American Recovery and Reinvestment Act of 2009 (the Recovery Act), a stimulus bill that includes tax breaks for businesses and individuals. The President signed the Recovery Act on February 17, 2009. The following discussion does not address any aspects of the Recovery Act, some of which may be relevant to a particular holder of a Claim or an Interest.

THE DISCUSSION THAT FOLLOWS IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND PROFESSIONAL TAX ADVICE BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH ITS TAX ADVISORS REGARDING THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

B. Certain Definitions

Except as expressly otherwise provided or unless the context otherwise requires, all capitalized terms not otherwise defined herein or in the Plan shall have the respective meanings assigned to them in this Article.

“**COD**” shall mean cancellation of indebtedness income.

“**NOL**” shall mean net operating loss.

C. Certain Material Federal Income Tax Consequences to the Debtor

Cancellation of a Debtor's debt is generally taxable income to the Debtor. COD is the amount by which the indebtedness of a Debtor discharged exceeds any consideration given in exchange therefore. Cancellation of a debt may not necessarily be COD, however. To the extent that the Debtor is insolvent, or if the Debtor is in bankruptcy, as is the case here, the Tax Code permits the Debtor to exclude the COD from its gross income. The statutory exclusion for COD in a title 11 case generally excludes COD from gross income if the discharge is granted by a court to a Debtor under its jurisdiction in a title 11 case, as is sought herein.

The price for the bankruptcy COD exclusion (as well as the insolvency exclusion) is reduction of the Debtor's tax attributes to the extent of the COD income, generally in the following order: NOLs for the year of the discharge and NOL carryovers from prior years; general business tax credit carryovers; minimum tax credit available as of the beginning of the year following the year of discharge; net capital loss for the year of discharge and capital loss carryovers from prior years; basis of the Debtor's assets; passive activity loss and credit carryovers from the year of discharge; and foreign tax credit carryovers to or from the year of discharge. The reduction of attributes does not occur until after the end of the Debtor's tax year in which the COD occurred, so they are available to the Debtor in determining the amount of its income, loss and tax liability for the year of discharge.

As a result of the implementation of the Plan, the Debtors will have COD and potential attribute reduction. Because any reduction in tax attributes does not effectively occur until the first day of the taxable year following the taxable year in which the COD is incurred, the resulting COD, on its own, should not impair the ability of the Debtor to use their tax attributes (to the extent otherwise available) to reduce their tax liability, if any, otherwise resulting from the implementation of the Plan.

Under section 382 of the Tax Code, if a corporation undergoes an “ownership shift,” the amount of its Pre-Change Losses that may be utilized to offset future taxable income generally is subject to an annual limitation. Although the Plan allows for an ownership change it is doubtful that one will occur and as such any owner of the Debtor should consult his own tax adviser concerning the effect of the Plan.

The United States federal income tax consequences of payment of Allowed Claims pursuant to the Plan will depend on, among other things, the consideration received, or deemed to have been received, by the holder of the Allowed Claim, whether such holder reports income on the accrual or cash method, whether such holder receives distributions under the Plan in more than one taxable year, whether such holder’s Claim is allowed or disputed at the Effective Date, whether such holder has taken a bad debt deduction or worthless security deduction with respect to its Claim.

In general, a holder of a Claim should recognize gain or loss equal to the amount realized under the Plan in respect of its Claim less the amount of such holder’s basis in its Claim. Any gain or loss recognized in the exchange may be long-term or short-term capital gain or loss or ordinary income or loss, depending upon the nature of the Claim and the holder, the length of time the holder held the Claim and whether the Claim was acquired at a market discount. If the holder realizes a capital loss, its deduction of the loss may be subject to limitations under the Tax Code. The holder’s aggregate tax basis for any property received under the Plan generally will equal the amount realized. The amount realized by a holder generally will equal the sum of the cash and the fair market value of any other property received (or deemed received) by the holder under the Plan on the Effective Date and/or any subsequent distribution date, less the amount (if any) allocable to Claims for interest. All holders of Allowed Claims are urged to consult their tax advisors. A holder of a Claim constituting an installment obligation for tax purposes may be required to recognize currently any gain remaining with respect to the obligation if, pursuant to the Plan, the obligation is considered to be satisfied at other than its face value, distributed, transmitted, sold or otherwise disposed of within the meaning of Section 453B of the Tax Code.

D. Importance of Obtaining Professional Tax Assistance

The foregoing discussion is intended only as a summary of certain U.S. federal income tax consequences of the Plan, and is not a substitute for careful tax planning with a tax professional. The above discussion is for general information purposes only and is not tax

advice. The tax consequences are in many cases uncertain and may vary depending on a holder's individual circumstances.

HOLDERS OF CLAIMS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS ABOUT THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.
