**ARTICLE I:**  
**INTRODUCTION**

**Identity of the Debtor**

**1.01.** Sable Natural Resources (“Debtor”), filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. Section 101, et seq. (“Code”) on November 11, 2016 in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (“Court”), initiating the above-styled and referenced bankruptcy proceeding. Sable Natural Resources is a holding company, and its primary asset is Sable Operating Company (“SOC”). The subsidiary SOC has already been in bankruptcy, is also insolvent and its main assets, non-operated oil and gas properties in West Texas, are secured by its only remaining creditor. The Debtor is operating its business as Debtor-in-Possession pursuant to Sections 1107 and 1108 of the Code.

**Purpose of Disclosure Statement; Source of Information**

**1.02.** The Debtor submits this Disclosure Statement pursuant to Section 1125 of the Code to all known Claimants of Debtor for the purpose of disclosing that information which the Court has determined is material, important, and necessary for Creditors of, and the Members of, Debtor in order to arrive at an intelligent, reasonably informed decision in exercising the right to vote for acceptance or rejection of the Debtor’ Plan. A copy of the Plan is attached hereto as **Exhibit “A”** and incorporated herein by this reference. The Plan sets forth in detail the repayment arrangement between the Debtor and its creditors. This Disclosure describes the operations of the Debtor contemplated under the Plan. Any accounting information contained herein has been provided by the Debtor and has been prepared using the cash method of accounting.

**Explanation of Chapter 11**

**1.03.** Chapter 11 is the principal reorganization chapter of the Code. Pursuant to Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a Plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A Plan of reorganization sets forth the means for satisfying claims against and interests in the Debtor. After a Plan of reorganization has been filed, it must be accepted by holders of claims against, or interests in, the Debtor. Section 1125 of the Code requires full disclosure before solicitation of acceptances of a Plan of reorganization. This Disclosure Statement is presented to Claimants to satisfy the requirements of Section 1125 of the Code.

### **Explanation of the Process of Confirmation**

**1.04.** Even if all Classes of Claims accept the Plan, its confirmation may be refused by the Court. Section 1129 of the Code sets forth the requirements for confirmation and, among other things, requires that a Plan of reorganization be in the best interests of Claimants. It generally requires that the value to be distributed to Claimants and Equity Interest Holders may not be less than such parties would receive if the Debtor were liquidated under Chapter 7 of the Code.

**1.05.** Acceptance of the Plan by the Creditors and Equity Interest Holders is important. In order for the Plan to be accepted by each class of claims, the creditors that hold at least two thirds (2/3) in amount and more than one-half (1/2) in number of the allowed claims actually voting on the Plan in such class must vote for the Plan and the equity interest holders that hold at least two thirds (2/3) in amount of the allowed interests actually voting on the Plan in such class must vote for the Plan. Chapter 11 of the Code does not require that each holder of a claim against, or interest in, the Debtor vote in favor of the Plan in order for it to be confirmed by the Court. The Plan, however, must be accepted by: (i) at least the holder of one (1) class of claims by a majority in number and two-thirds (2/3) in amount of those claims of such class actually voting; or (ii) at least the holders of one (1) class of allowed interests by two-thirds (2/3) in amount of the allowed interests of such class actually voting.

**1.06.** The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a Plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

**1.07.** Confirmation of the Plan discharges the Debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the Plan and Section 1141(d) of the Code. Confirmation makes the Plan binding upon the Debtor and all claimants and other parties-in-interest, regardless of whether or not they have accepted the Plan.

### **Voting Procedures**

**1.08. Unimpaired Class.** Class 1 is not an Impaired Class.

**1.09. Impaired Classes.** The Class 2-6 Claimants are impaired as defined by Section 1124 of the Code. The Debtor are seeking the acceptance of the Plan by Claimants in Classes. Each holder of an Allowed Claim in Classes 2 - 6 may vote on the Plan by completing, dating and signing the ballot sent to each holder and filing the ballot as set forth below. One ballot will be sent to each Claimant eligible to vote on the Plan. For all Classes, the ballot must be returned to the Debtor' attorney, Joyce W. Lindauer, 12720 Hillcrest Road, Suite 625, Dallas, Texas 75230 (972) 503-4033 telephone, (972) 503-4034 facsimile. In order to be counted, ballots must be RECEIVED no later than at the time and on the date stated on the ballot.

**1.10. Acceptances.** Ballots that are signed and returned but fail to indicate either an acceptance or rejection will not be counted.

### **Best Interests of Creditors Test**

**1.11.** Section 1129(a)(7) of the Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b)(2) of the Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Court must determine that the Plan is in the best interests of the Debtor's creditors.

Accordingly, the proposed Plan must provide the Debtor's creditors with more than they would receive in a Chapter 7 liquidation. Accordingly, since the Plan proposes to pay all secured creditors in full and the unsecured creditors a dividend, Debtor believes that the creditors are receiving as much as they would receive in a Chapter 7 liquidation. Without the continued operation of the Debtor's business there would be no funds to pay unsecured creditors any amount of the Allowed Claims. A liquidation analysis is provided in Article IV. Accordingly, the Debtor contends that the Plan satisfies the requirements of Section 1129(a)(7).

### **Cramdown**

**1.12.** The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a Plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

Accordingly, Debtor, as the Plan proponents, requests the Court to determine that the Plan does not discriminate unfairly, and is fair and equitable with respect to any objecting creditor. A discussion of the specific requirements for Cramdown of a Plan are set forth starting below.

### **Definition of Impairment**

**1.13.** As set forth in section 1124 of the Bankruptcy Code, a class of claims or equity interests is impaired under a Plan of reorganization unless, with respect to each claim or equity interest of such class, the Plan: (a) leaves unaltered the legal, equitable, and contractual rights of the holder of such claim or equity interest; or (b) notwithstanding any contractual provision or applicable law that entitles the holder of a claim or equity interest to demand or receive accelerated payment of such claim or equity interest after the occurrence of a default: (i) cures any such default that occurred before or after the commencement of the case under the Bankruptcy Code, other than a default of a kind specified in section 365(b)(2) of the Bankruptcy Code; (ii) reinstates the maturity of such claim or interest as it existed before such default; (iii) compensates the holder of such claim or interest for any damages incurred as a result of any reasonable reliance on such contractual provision or such applicable law; and (iv) does not otherwise alter the legal, equitable or contractual rights to which such claim or interest entitles the holder of such claim or interest.

### **Classification and Treatment of Claims and Interests**

**1.14.** The Plan classifies Claims separately in accordance with the Bankruptcy Code and provides different treatment for different classes of Claims.

**1.15.** Only holders of Allowed Claims are entitled to receive distributions under the Plan. Allowed Claims are Claims that are not in dispute, are not contingent, are liquidated in amount, and are not subject to objection or estimation. Initial distributions or other transfers of Cash or other consideration specified in the Plan otherwise available to the holders of Allowed Claims will be made on the Effective Date, or (b) the date on which such Claim becomes an Allowed Claim, as otherwise provided in the Plan, or as may be ordered by the Bankruptcy Court.

**1.16.** In accordance with the Plan, unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim under the Plan will be in full satisfaction, settlement, release, and discharge of and in exchange for each and every Claim.

### **Requirements for Confirmation of the Plan**

**1.17.** At the confirmation hearing, the Bankruptcy Court must determine whether the Bankruptcy Code's requirements for confirmation of the Plan has been satisfied, in which event the Bankruptcy Court will enter an order confirming the Plan. As set forth in section 1129 of the Bankruptcy Code, these requirements are as follows:

- (1) The Plan complies with the applicable provisions of the Bankruptcy Code.
- (2) The proponents of the Plan comply with the applicable provisions of the Bankruptcy Code.
- (3) The Plan has been proposed in good faith and not by any means forbidden by law.

(4) Any payment made or to be made by the Plan proponent, by the Debtor or by a person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the case, or in connection with the Plan and incident to the case, has been approved by, or is subject to the approval of, the court as reasonable.

(5) (A) (i) The proponent of the Plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director, officer, or voting trustee of the Debtor, an affiliate of the Debtor participating in a joint Plan with the Debtor, or a successor to the Debtor under the Plan; and (ii) the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policy; and (B) the proponent of the Plan has disclosed the identity of any insider that will be employed or retained by the reorganized Debtor, and the nature of any compensation for such insider.

(6) Any governmental regulatory commission with jurisdiction, after confirmation of the Plan, over the rates of the Debtor has approved any rate change provided for in the Plan, or such rate change is expressly conditioned on such approval.

(7) With respect to each impaired class of claims or interests: (i) each holder of a claim or interest of such class has (A) accepted the Plan or (B) will receive or retain under the Plan on account of such claim or interest property of a value, as of the effective date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated on such date under chapter 7 of the Bankruptcy Code on such date; or (ii) if section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, the holder of a claim of such class will receive or retain under the Plan on account of such claim property of a value, as of the effective date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.

(8) With respect to each class of claims or interests: (i) such class has accepted the Plan; or (ii) such class is not impaired under the Plan.

(9) Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the Plan provides that: (i) with respect to a claim of a kind specified in section 507(a)(1) or 507(a)(2) of the Bankruptcy Code, on the effective date of the Plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim; (ii) with respect to a class of claims of a kind specified in section 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6) or 507(a)(7) of the Bankruptcy Code, each holder of a claim of such class will receive: (i) if such class has accepted the Plan, deferred cash payments of a value, as of the effective date of the Plan, equal to the allowed amount of such claim; or (ii) if such class has not accepted the Plan, cash on the effective date of the Plan equal to the allowed amount of such claim; and (iii) with respect to a claim of a kind specified in section 507(a)(7) of the Bankruptcy Code, the holder of a claim will receive on account of such claim, regular installments in cash – of a total value, as of the effective date of the Plan, equal to the allowed amount of such claim; over a period ending not later than 5 years after the date of the order for relief under section 301, 302 or 303; and in a manner not less favorable than the most favored non-priority unsecured claim provided for

by the Plan (other than cash payments made to any class of creditors under section 1122(b)); and with respect to a secured claim which would otherwise meet the description of an unsecured claim of a governmental unit under section 507(a)(8), but for the secured status of that claim, cash payments of a total value, as of the effective date of the Plan, equal to the allowed amount of such claim; over a period ending not later than 5 years after the date of the order for relief under section 301, 302 or 303; and in a manner not less favorable than the most favored non-priority unsecured claim provided for by the Plan (other than cash payments made to any class of creditors under section 1122(b)).

(10) If a class of claims is impaired under the Plan, at least one class of claims that is impaired has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a claim of such class.

(11) Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the Plan, unless such liquidation or reorganization is proposed in the Plan.

(12) All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the hearing on confirmation of the Plan, has been paid or the Plan provides for the payments of all such fees on the effective date of the Plan.

(13) The Plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114, at any time prior to confirmation of the Plan, for the duration of the period the Debtor has obligated itself to provide such benefits.

The Debtor believes that the Plan satisfies all the statutory requirements of Chapter 11 of the Bankruptcy Code, that the Debtor has complied with or will have complied with all the requirements of Chapter 11, and that the Plan is proposed in good faith. At the Confirmation Hearing, the Bankruptcy Court will determine whether holders of Allowed Claims or Allowed Equity Interests would receive greater distributions under the Plan than they would receive in liquidation under chapter 7.

The Debtor believes that the feasibility requirement for confirmation of the Plan is satisfied by the fact that the future operating revenues will be sufficient to satisfy the obligations under the Plan in addition to supporting sustainable growth of the company. These facts and others demonstrating the confirmability of the Plan will be shown at the Confirmation Hearing.

### **Cramdown**

**1.18.** The bankruptcy court may confirm a Plan of reorganization even though fewer than all the classes of impaired claims and interests accept it. For a Plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the proponents of the Plan must show, among other things, that the Plan does not “discriminate unfairly” and that the Plan is “fair and equitable” with respect to each impaired class of claims or interests that has not accepted the Plan.

**1.19.** “Fair and equitable” has different meanings with respect to the treatment of secured and unsecured claims. As set forth in section 1129(b)(2) of the Bankruptcy Code, those meanings are as follows:

With respect to a class of secured claims, the Plan provides:

(a) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the Debtor or transferred to another entity, to the extent of the allowed amount of such claims; and (ii) that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the Plan, of at least the value of such holder’s interest in the estate’s interest in such property;

(b) for the sale, subject to section 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale, and the treatment of such liens on proceeds under clause (a) and (b) of this subparagraph; or

(c) the realization by such holders of the “indubitable equivalent” of such claims.

With respect to a class of unsecured claims, the Plan provides:

(a) that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the Plan, equal to the allowed amount of such claim; or

(b) the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the Plan on account of such junior claim or interest any property.

With respect to a class of interests, the Plan provides:

(a) that each holder of an interest of such class receive or retain on account of such interest property of a value, as of the effective date of the Plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled or the value of such interest; or

(b) that the holder of any interest that is junior to the interests of such class will not receive or retain under the Plan on account of such junior interest any property.

**1.20.** In the event that one or more classes of impaired Claims or Equity Interests reject the Plan, the Bankruptcy Court will determine at the Confirmation Hearing whether the Plan is fair and equitable with respect to, and does not discriminate unfairly against, any rejecting impaired class of Claims. The Debtor believes that its unsecured creditors will vote for the Plan. SO LONG

AS THE CLASSES OF UNSECURED CREDITORS VOTE FOR THE PLAN THEN THE PLAN WILL NOT VIOLATE THE ABSOLUTE PRIORITY RULE. The absolute priority rule requires that prior to the Debtor retaining or receiving any property or interest the senior classes of claims must be paid in full or vote to accept the Plan.

The Debtor believes the Plan does not discriminate unfairly against, and is fair and equitable with respect to, each impaired class of Claims or Equity interests.

**ARTICLE III:  
FINANCIAL HISTORY AND BACKGROUND OF THE DEBTOR**

**3.01. History of the Debtor**

In 2011 NYTEX received approval from the Securities and Exchange Commission to be a fully reporting, publicly traded company. Between 2012 and 2014, NYTEX bought and then sold FDF and began developing wells through low cost, high return recompletion, restimulation and workover opportunities. In 2014 NYTEX was rebranded Sable Natural Resources Corporation (“SNRC” or the “Debtor”) and launched its development program with 25 Marble Falls recompletes and 19 Atoka restimulation fracs, as well as acquiring an inventory of 200 drilling opportunities as outlined in more detail below.

In late 2014, Sable Natural Resources Corporation through its wholly owned subsidiary Sable Operating Company (“SOC”) acquired its 20,000-acre platform property with 116 existing wells to start and build a strong and growing position in the liquids rich natural gas leg of the Marble Falls unconventional resource play in the Fort Worth Basin. The property was intended to allow Sable to optimize production from low cost-high return Marble Falls recompletion fracs in numerous existing wells, while at the same time setting up 200 potential drilling opportunities. The acreage and expanded core area of growth around it contains additional zones of interest including the Strawn Sand, Big Saline and Atoka Conglomerate formations. The Atoka, Big Saline and Marble Falls zones have development potential through modern unconventional completion techniques and have horizontal drilling potential. Sable intended to grow inventory of identified drilling locations to provide the opportunity to continue increasing production and reserves at low funding and development costs. With management having operational experience in the Fort Worth Basin since the late 1980’s, Sable had a strong network of industry contacts and enjoyed long term business relationships with many of the active players in the Fort Worth Basin. This network allowed Sable to be exposed to pre-market acquisition opportunities.

This acquisition was funded by a \$15 million debt offering that raised \$11 million, only enough to purchase and begin to fix the property, which was in worse shape than anticipated. With the downturn in the oil and gas market early in 2015 SOC was unable to raise the additional capital

needed to bring the property into commercial production, and was forced into Chapter 11 bankruptcy in August of 2015. This plan was confirmed conveying the operated property to its lenders, leaving SOC with only a handful of non-operated properties and a note secured by these properties held by Cory Hall, former President and COO of the debtor.

At this point the Debtor is insolvent with over \$2 million in unsecured debt, and the only remaining asset is SOC and its non-operated properties. SOC is also insolvent with the market value of the properties estimated at \$200 thousand securing a debt of \$700 thousand to Mr. Hall. The Debtor and SOC have significant net operating losses carried forward, however the utilization of such is not likely following a change in ownership or restructuring.

### **3.02 Pre-Petition Financing Structure**

The debtor has continued operations primarily with the minimal cash flow provided by the secured non-operated properties of Sable Operating Company in accordance with its previously approved bankruptcy plan.

### **3.03 Debtor's Management**

As of the Petition Date, the officers of the Debtor are Michael Galvis, Chairman and Chief Executive Officer, and James D. Parker, Chief Accounting Officer.

Michael Galvis has served as Chairman, President and Chief Executive Officer of Sable since 2008. He also served as Chairman of the Board of Francis Drilling Fluids (FDF) from 2010 when Sable purchased FDF for \$53.5MM until it was sold for \$62.5MM in May of 2012. FDF is a diversified oilfield service provider, and has been the largest water-based drilling fluids and frac proppant logistics provider in the U.S., which under Sable's ownership, increased its annual sales from \$67MM to \$85MM. Sable is a development stage public E&P company on the OTCQB which owns 20,000 acres with 116 wells in the Fort Worth Basin. Prior to these positions, Mr. Galvis served as President of NYTEX Petroleum, LLC, the predecessor to NYTEX Petroleum, Inc. since it was founded in 2006 to manage diversified portfolios of oil and gas investments. From 1994 through February 2006 Mr. Galvis was co-founder and principal partner in PetroQuest Exploration, Inc., a privately held E&P company engaged in the acquisition, drilling and development of oil & gas reserves in several of the lower 48 states. In 1987, Mr. Galvis co-founded HGH Energy, Inc., which acquired, operated and developed over 200 oil and gas wells purchased from Mobil Oil, Amoco, Enserch, Texaco and several independents. A graduate of UT Austin, Mr. Galvis began his career with a Dallas based independent operating company in 1983. There he led the capital formation to drill 29 Granite Wash gas wells in the Texas Panhandle, co-managed the drilling and completions of the wells and was appointed Vice President of Operations. Learning operations from the downhole up, Mr. Galvis has gained thirty-two years of experience in prospect generation, drilling, completions and production operations, acquisitions and divestitures, capital formation through industry partners and has generated and/or participated in over 160 onshore and offshore oil and gas wells in Texas, Louisiana, Arkansas, Oklahoma, Colorado, Mississippi, Wyoming, Illinois, North Dakota, and New Mexico. Throughout his career, Mr. Galvis has also provided consulting and advisory services to numerous independent E&P companies.

Mr. Galvis is a member of AAPL and IPAA.

James D. (JD) Parker was appointed Senior Controller of the Company effective August 4, 2014. Prior to joining Sable, Mr. Parker worked as a Consultant for Magnum Hunter Resources Corporation and other energy industry companies since 2012. From 2008 to 2012 he served as Assistant Controller for TransAtlantic Petroleum Ltd., an international oil and natural gas company engaged in the acquisition, exploration, development and production of oil and natural gas in Turkey and Bulgaria. From 2000 to 2008 he was a Consultant for Key Energy Services, Inc. and other energy industry companies. From 1999 to 2000 he served as Controller for Waste Recovery, Inc. a Dallas based recycling company. From 1995 to 1999 he was Regional Controller for US Filter Corporation, where he worked on the acquisition and integration of several water filtration and distribution companies. From 1991 to 1995 he was VP – Operations for First American Bank managing and divesting a large portfolio of real estate properties. Mr. Parker started his career with Ernst & Young in 1987 through 1991 and worked in their audit practice, with energy and banking industry clients. He has extensive experience with SEC reporting, Sarbanes – Oxley compliance and systems conversions. Mr. Parker received a B.B.A. in Accounting from the University of Iowa and is a Certified Public Accountant in the State of Texas.

The Debtor has made efforts to reduce the administrative expenses by continuing the employment of the Debtor's management team.

As of the Effective Date of the Plan, the Debtor and its subsidiary SOC will be liquidated. Pursuant to the Plan, all unencumbered Assets of the Estate will be liquidated.

### **3.04 Events Leading to Chapter 11 Filing**

The Debtor attributes the bankruptcy filing to their default of \$11.325 million under 13% senior secured notes with a maturity date of October 2017, and receipt of notice from the 13% secured noteholders on August 6, 2015 of acceleration and a foreclosure sale set for September 1, 2015. The recent drop in energy commodity prices dramatically impacted the Debtor's revenues and ability to operate profitably.

### **Current Operations**

**3.05.** Since the Debtor has been in bankruptcy its current operations are described in the **Exhibit "B"**.

### **Future Income and Expenses under the Plan**

The plan will utilize operating cash flow of SOC to pay administrative expenses and liquidate both companies.

**3.06.** The Debtor's projections of Plan payments are set forth on **Exhibit "C"** attached hereto. Dollars to fund the Plan will come from the liquidation of Debtor's assets.

If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtor or Reorganized Debtor, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease

If the equity security interest of an Equity Interest Holder is properly reflected in the Schedules of the Debtor, a proof of interest need not be filed.

**ARTICLE IX:  
ALTERNATIVES TO DEBTOR' PLAN**

**10.01.** If the Debtor's Plan is not confirmed, the Debtor's bankruptcy case may be converted to a case under Chapter 7 of the Code, in which case a trustee would be appointed to liquidate the assets of the Debtor for distribution to its Creditors in accordance with the priorities of the Code. Since the Debtor's primary assets (accounts receivable) are subject to liens there would be no distribution to unsecured creditors in Chapter 7.

**10.02.** The Debtor has no avoidable transactions according to its pre-petition books and records.

**ARTICLE X:  
RISKS TO CREDITORS UNDER THE DEBTOR' PLAN**

**11.01.** Claimants should be aware that there are a number of substantial risks involved in consummation of the Plan.

**ARTICLE XI:

**12.01** Implementation of the Plan may result in federal income tax consequences to holders of claims and to the Debtor. Tax consequences to a particular Creditor may depend on the particular circumstances or facts regarding the Claim of the Creditor.

TO ENSURE COMPLIANCE WITH U.S. TREASURY DEPARTMENT CIRCULAR 230, HOLDERS OF CLAIMS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF UNITED STATES FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED OR RELIED UPON, AND CANNOT BE USED OR RELIED UPON, BY HOLDERS OF CLAIMS OR INTERESTS OR ANY OTHER PERSONS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS OF CLAIMS OR ANY OTHER PERSONS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF U.S. TREASURY DEPARTMENT

CIRCULAR 230) OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS OF CLAIMS AND INTERESTS SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

#### A. Introduction

The following discussion summarizes certain material U.S. federal income tax consequences of the Plan to the Debtor and holders of Claims and Interests. The summary is provided for general informational purposes only and is based on the United States Internal Revenue Code of 1986, as amended (the “Tax Code”), the treasury regulations promulgated thereunder, judicial authority and current administrative rulings and practice, all as in effect as of the date hereof (except as otherwise noted below with regard to the American Recovery and Reinvestment Act of 2009), and all of which are subject to change, possibly with retroactive effect. Changes in any of these authorities or in its interpretation could cause the United States federal income tax consequences of the Plan to differ materially from the consequences described below. The United States federal income tax consequences of the Plan are complex and in important respects uncertain. No ruling has been requested from the Internal Revenue Service (the “Service”); no opinion has been requested from Debtor’s counsel concerning any tax consequence of the Plan; and no tax opinion is given by this Disclosure Statement.

The following discussion does not address all aspects of federal income taxation that may be relevant to a particular holder of a Claim or Interest in light of its particular facts and circumstances or to particular types of holders of Claims subject to special treatment under the Tax Code. For example, the discussion does not address issues of concern to broker-dealers or other dealers in securities, or foreign (non-U.S.) persons, nor does it address any aspects of state, local, or foreign (non-U.S.) taxation, or the taxation of holders of Interests in a Debtor. In addition, a substantial amount of time may elapse between the Confirmation Date and the receipt of a final distribution under the Plan. Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, court decisions or administrative changes, could affect the federal income tax consequences of the Plan and the transactions contemplated hereunder.

**On February 13, 2009, the House of Representatives and the Senate passed H.R.1, the American Recovery and Reinvestment Act of 2009 (the Recovery Act), a stimulus bill that includes tax breaks for businesses and individuals. The President signed the Recovery Act on February 17, 2009. The following discussion does not address any aspects of the Recovery Act, some of which may be relevant to a particular holder of a Claim or an Interest.**

**THE DISCUSSION THAT FOLLOWS IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND PROFESSIONAL TAX ADVICE BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH ITS TAX ADVISORS REGARDING THE FEDERAL, STATE, LOCAL, AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.**

#### B. Certain Definitions

Except as expressly otherwise provided or unless the context otherwise requires, all capitalized terms not otherwise defined herein or in the Plan shall have the respective meanings assigned to them in this Article.

“*COD*” shall mean cancellation of indebtedness income.

“*NOL*” shall mean net operating loss.

### C. Certain Material Federal Income Tax Consequences to the Debtor

Cancellation of a debtor’s debt is generally taxable income to the Debtor. COD is the amount by which the indebtedness of a debtor discharged exceeds any consideration given in exchange therefore. Cancellation of a debt may not necessarily be COD, however. To the extent that the debtor is insolvent, or if the Debtor is in bankruptcy, as is the case here, the Tax Code permits the Debtor to exclude the COD from its gross income. The statutory exclusion for COD in a title 11 case generally excludes COD from gross income if the discharge is granted by a court to a Debtor under its jurisdiction in a title 11 case, as is sought herein.

The price for the bankruptcy COD exclusion (as well as the insolvency exclusion) is reduction of the Debtor’s tax attributes to the extent of the COD income, generally in the following order: NOLs for the year of the discharge and NOL carryovers from prior years; general business tax credit carryovers; minimum tax credit available as of the beginning of the year following the year of discharge; net capital loss for the year of discharge and capital loss carryovers from prior years; basis of the Debtor’s assets; passive activity loss and credit carryovers from the year of discharge; and foreign tax credit carryovers to or from the year of discharge. The reduction of attributes does not occur until after the end of the Debtor’s tax year in which the COD occurred, so they are available to the Debtor in determining the amount of its income, loss and tax liability for the year of discharge.

The United States federal income tax consequences of payment of Allowed Claims pursuant to the Plan will depend on, among other things, the consideration received, or deemed to have been received, by the holder of the Allowed Claim, whether such holder reports income on the accrual or cash method, whether such holder receives distributions under the Plan in more than one taxable year, whether such holder’s Claim is allowed or disputed at the Effective Date, whether such holder has taken a bad debt deduction or worthless security deduction with respect to its Claim.

In general, a holder of a Claim should recognize gain or loss equal to the amount realized under the Plan in respect of its Claim less the amount of such holder’s basis in its Claim. Any gain or loss recognized in the exchange may be long-term or short-term capital gain or loss or ordinary income or loss, depending upon the nature of the Claim and the holder, the length of time the holder held the Claim and whether the Claim was acquired at a market discount. If the holder realizes a capital loss, its deduction of the loss may be subject to limitations under the Tax Code. The holder’s aggregate tax basis for any property received under the Plan generally will equal the amount realized. The amount realized by a holder generally will equal the sum of the cash and the fair market value of any other property received (or deemed received) by the holder under the Plan on the Effective Date and/or any subsequent distribution date, less the amount (if any) allocable to Claims for interest. All holders of Allowed Claims are urged to consult its tax advisors. A holder

of a Claim constituting an installment obligation for tax purposes may be required to recognize currently any gain remaining with respect to the obligation if, pursuant to the Plan, the obligation is considered to be satisfied at other than its face value, distributed, transmitted, sold or otherwise disposed of within the meaning of Section 453B of the Tax Code.

#### D. Importance of Obtaining Professional Tax Assistance

The foregoing discussion is intended only as a summary of certain U.S. federal income tax consequences of the Plan, and is not a substitute for careful tax planning with a tax professional. The above discussion is for general information purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a holder's individual circumstances. CLAIMANTS ARE URGED TO CONSULT ITS OWN TAX ADVISOR AS TO THE CONSEQUENCES OF THE PLAN TO THEM UNDER FEDERAL AND APPLICABLE STATE AND LOCAL TAX LAWS.
