**DISCLOSURE STATEMENT OF INZI, INC. PURSUANT TO SECTION 1125
OF THE BANKRUPTCY CODE DATED AUGUST 16, 2017**

TO: ALL PARTIES-IN-INTEREST, THEIR ATTORNEYS OF RECORD AND TO THE
HONORABLE UNITED STATES BANKRUPTCY JUDGE:

I
INTRODUCTION

Identity of the Debtors

Inzi, Inc., (“Debtor”) filed its voluntary Chapter 11 case in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (“Court”) on December 9, 2016. The Debtor operates a convenience store/gas station located at 1102 Lavon Drive, in Garland, Texas. The Debtor proposes to restructure its current indebtedness and continue its operations to provide a dividend to the unsecured creditors of Debtor.

Purpose of Disclosure Statement; Source of Information

Debtor submits this Disclosure Statement (“Disclosure Statement”) pursuant to Section 1125 of the Code to all known Claimants of Debtor for the purpose of disclosing that information which

the Court has determined is material, important, and necessary for Creditors of Debtor in order to arrive at an intelligent, reasonably informed decision in exercising the right to vote for acceptance or rejection of the Debtor's Plan of Reorganization dated August 16, 2017 ("Plan"). This Disclosure Statement describes the operations of the Debtor contemplated under the Plan. You are urged to study the Plan in full and to consult with your counsel about the Plan and its impact upon your legal rights. Any accounting information contained herein has been provided by the Debtor.

Explanation of Chapter 11

Chapter 11 is the principal reorganization chapter of the Code. Pursuant to Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against and interests in the debtor. After a plan of reorganization has been filed, it must be accepted by holders of claims against, or interests in, the debtor. Section 1125 of the Code requires full disclosure before solicitation of acceptances of a plan of reorganization. This Disclosure Statement is presented to Claimants to satisfy the requirements of Section 1125 of the Code.

Explanation of the Process of Confirmation

Even if all Classes of Claims accept the plan, its confirmation may be refused by the Court. Section 1129 of the Code sets forth the requirements for confirmation and, among other things, requires that a plan of reorganization be in the best interests of Claimants. It generally requires that the value to be distributed to Claimants may not be less than such parties would receive if the debtor were liquidated under Chapter 7 of the Code.

Acceptance of the plan by the Creditors and Equity Interest Holders is important. In order for the plan to be accepted by each class of claims, the creditors that hold at least two thirds ($2/3$) in amount and more than one-half ($1/2$) in number of the allowed claims actually voting on the plan in such class must vote for the plan and the equity interest holders that hold at least two-thirds ($2/3$) in amount of the allowed interests actually voting on the plan in such class must vote for the plan. Chapter 11 of the Code does not require that each holder of a claim against, or interest in, the debtor vote in favor of the plan in order for it to be confirmed by the Court. The plan, however, must be accepted by: (i) at least the holder of one (1) class of claims by a majority in number and two-thirds ($2/3$) in amount of those claims of such class actually voting; or (ii) at least the holders of one (1) class of allowed interests by two-thirds ($2/3$) in amount of the allowed interests of such class actually voting.

The Court may confirm the plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

Confirmation of the plan discharges the debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the plan and Section 1141(d) of the Code. Confirmation

makes the plan binding upon the debtors and all claimants, equity interest holders and other parties-in-interest, regardless of whether or not they have accepted the plan.

Voting Procedures

Unimpaired Class. Claimants in Classes 1 and 5 are not impaired under the Plan. Such Classes are deemed to have accepted the Plan.

Impaired Classes. The Class 2 through 4 Claimants are impaired as defined by Section 1124 of the Code. The Debtor is seeking the acceptance of the Plan by Claimants in Classes 2 through 4. Each holder of an Allowed Claim in Classes 2 through 4 may vote on the Plan by completing, dating and signing the ballot sent to each holder and filing the ballot as set forth below.

For all Classes, the ballot must be returned to Eric A. Liepins, 12770 Coit Road, Suite 1100, Dallas, Texas 75251. In order to be counted, ballots must be **RECEIVED** no later than at the time and on the date stated on the ballot.

Best Interests of Creditors Test

Section 1129(a)(7) of the Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor was liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Bankruptcy Court must determine that the Plan is in the best interests of the Debtor's creditors. Accordingly, the proposed Plan must provide the Debtor's creditors with more than they would receive in a Chapter 7 liquidation. It is anticipated that in a Chapter 7 liquidation, the Debtor's creditors, other than the secured creditors, would receive nothing. Accordingly, since the Plan proposes a substantial dividend to all creditors, such creditors are receiving more than they would receive in a Chapter 7 liquidation. Accordingly, the Plan satisfies the requirements of Section 1129(a)(7).

Cramdown

The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

III

FINANCIAL PICTURE OF THE DEBTORS

Financial History and Background of the Debtor

In October 2014, the Debtor entered into a Lease Agreement to lease a gas station/convenience store located at 1102 Lavon in Garland, Texas. At the same time the Debtor entered into an assignment agreement of a Motor Fuel Supply Contract with Empire Petroleum ("Empire"). In 2016, the Debtor was required to upgrade its current fuel pumps. It was Empire's obligation to preform the required up grade, however, Empire did not properly upgrade the pumps. As a result the pumps began to malfunction and eventually the diesel fuel pump stopped working entirely. As a result of the inability to sell gas, the Debtor's sales plummeted. The Debtor was unable to get the pumps repaired and Empire refused to sell the Debtor fuel even on a COD basis claiming the Debtor owed it for fuel. Unable to get fuel or the pumps fixed, the Debtor filed this bankruptcy.

Post Petition Operations

Immediately after the filing of the bankruptcy, the Debtor filed a Motion to Reject the Empire Contract and for Authority to Enter into a New Fuel Supply Contract. After the Court granted the

Motion to Reject the Empire Contract, Empire filed a Motion to Reconsider the Rejection Order. As a result the new fuel supplier would not sell the Debtor fuel until the rejection dispute was resolved. After almost two months Empire withdrew the Motion to Reconsider. After the Motion to Reconsider was withdrawn, the Debtor entered into a new fuel supply agreement, however, the new fuel supply agreement required the Debtor to have the store re-branded and the pumps still needed to be repaired. Finally, in June 2017 the re-branded repaired store was able to reopen for the sale of gas. The loss of customers and the need to re-acclimate the public to the Debtor's ability to sell gas took a little while, however, by the end of July 2017 the Debtor was able to realize a net profit of over \$4,000. The Debtor believes the profits will continue to increase as people come back to using the store on a regular basis.

Future Income and Expenses Under the Plan

The ability to sell fuel on a consistent basis has greatly affected the Debtor's inside store sales. Attached hereto as Exhibit "B" are projections of gross income, expenses and operating income for the next year. It is anticipated that after confirmation, the Debtor will continue in business. Based upon the projections, the Debtor believes it can pay a 100% dividend to the creditors.

Post-Confirmation Management

The Debtor is currently owned by Najma Parveen Jawed. Upon Confirmation of the Debtor's Plan, Najma Parveen Jawed will remain the 100% owner of the Debtor.

IV.

ANALYSIS AND VALUATION OF PROPERTY

The Debtor operates a convenience store/gas station in Garland, Texas. The value of the assets of the Debtor which consist mostly of the food inventory would be greatly diminished if liquidated. The Debtor believes there is very little likelihood of any dividend to the unsecured creditors in the event of a liquidation of the assets of the Debtor.

A liquidation analysis of the Debtor's assets is attached hereto as **Exhibit "C"**.

V.

SUMMARY OF PLAN OF REORGANIZATION

The Debtor will continue in business. The Debtor's Plan will break the existing claims into 5 categories of Claimants. These claimants will receive cash payments over a period of time beginning on the Effective Date.

Satisfaction of Claims and Debts: The treatment of and consideration to be received by holders of Allowed Claims or interests pursuant to this Articles 5 and 6 of this Plan shall be the sole

an exclusive means for full settlement, release and discharge of their respective Claims, Debts, or interests. Any class of Claimants failing to vote on this Plan shall be deemed to have accepted this Plan in its present form or as modified or amended as permitted herein.

Professional fees are subject to approval by the Court as reasonable. Debtors' attorney's fees approved by the Court and payable to the law firm of Eric Liepins, P.C. will be paid immediately following the later of Confirmation or approval by the Court out of the available cash. This case will not be closed until all allowed Administrative Claims are paid in full. Class 1 Creditor Allowed Claims are estimated as of the date of the filing of this Plan to not exceed the amount of \$15,000 including Section 1930 fees. Section 1930 fees shall be paid in full prior to the Effective Date. The Debtor is required to continue to make quarterly payments to the U.S. Trustee and shall be required to file post-confirmation operating reports until this case is closed. (collectively hereinafter "Ad Valorem Taxes") The Ad Valorem Taxes will receive post-petition pre-confirmation interest at the state statutory rate of 12% per annum and post-confirmation interest at the rate of 12% per annum. The Debtor will pay the Ad Valorem Taxes over a period of 12 months from the Petition Date, commencing on the Effective Date. The Debtor's monthly payment to pay the Ad Valorem Taxes will be approximately \$501. The Taxing Authorities shall retain their statutory senior lien position regardless of other Plan provisions, if any, to secure their Tax Claims until paid in full as called for by this Plan.

The IRS Priority and Secured Claims will be paid in full over a 12 month period commencing on the Effective Date, with interest at a rate of 4% per annum. The monthly payment shall be approximately \$303. Failure of the Debtor to meet the payment obligations set forth in the Plan shall constitute an event of default under the Plan. In addition, upon a default under the Plan, the administrative collection powers and the rights of the IRS shall be reinstated as they existed prior to the filing of the bankruptcy petition, including, but not limited to, the assessment of taxes, the filing of a notice of a Federal (or state) tax lien and the powers

of levy, seizure, and sale under the Internal Revenue Code. The below stated provisions apply to the IRS:

- (a) If the Debtor fails to make any Plan payments, and deposits of any currently accruing employment or sales tax liability, fails to make payment of any tax to the Internal Revenue Service within 10 days of the due date of such deposit or payment, or if the debtor or its successor in interest fails to file any required federal or state tax return by the due date of such return, then the United States may declare that the Debtor in default of the Plan. Failure to declare a default does not constitute a waiver by the United States of the right to declare that the successor in interest or Debtor is in default.
- (b) If the United States declares the Debtor to be in default of the Debtor's obligations under the Plan, then the entire imposed liability, together with any unpaid current liabilities, shall become due and payable immediately upon written demand to the Debtor or the successor in interest.
- (c) If full payment is not made within 14 days of such demand, then the Internal Revenue Service may collect any unpaid liabilities through the administrative collection provisions of the Internal Revenue Code. The IRS shall only be required to sent two notices of default and upon the third event of default, the IRS may proceed to collect on all accounts owed without recourse to the Bankruptcy Court and without further notice to the Debtor.

The Internal Revenue Service shall not be bound by any release provisions in the Plan that would release any liability of the responsible persons of the Debtor to the IRS. The Internal Revenue Service may take such actions as it deems necessary to assess any liability that may be due and owing by the responsible persons of the Debtor to the Internal Revenue Service; but the Internal Revenue Service shall not take action to actually collect from such persons unless and until there is a default under the plan, and as set forth in paragraph (4)(a)-(d) above.

The Debtor shall make equal monthly payments commencing on the Effective Date in an amount necessary to pay all unsecured creditors with Allowed Claims in full in 60 months from the Effective Date. The Debtor shall make distributions to the Class 4 creditors every 90 days commencing 90 days after the Effective Date. Based upon the Debtor's Schedules and the Proof of Claim on file the total amount of Unsecured Creditors will not exceed \$170,000. However, of this total, Empire has filed a Proof of Claim in the amount of \$80,949.02. The Debtor disputes the amount of the Empire Proof of Claim and will be filing an Objection to that Claim.

The Class 4 creditors are impaired under the Plan.

Class 5 (Current Shareholders) are not impaired under the Plan and shall be satisfied as follows: The current shareholder will receive no payments under the Plan, and the current stockholder shall retain its existing interest.

Class 5 Claimants are not impaired under the Plan.

ARTICLE VI
MECHANICS/IMPLEMENTATION OF PLAN

Debtor anticipates the continued operations of the business to fund the Plan.

As specified in Section 1125(e) of the Bankruptcy Code, persons that solicit acceptances or rejections of this Plan and/or that participate in the offer, issuance, sale or purchase of securities offered or sold under this Plan, in good faith and in compliance with the applicable provisions of the Bankruptcy Code, are not liable on account of such solicitation or participation for violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejection of this Plan or the offer, issuance, sale or purchase of securities.

VII.
FEASIBILITY OF PLAN

The projections of the future business operations are attached hereto as Exhibit "B". Based upon the projections, the Debtor believes the Plan to be feasible.

VIII.
RETENTION OF JURISDICTION

The Bankruptcy Court's jurisdiction shall be retained under the Plan as set forth in Article XIV of the Plan.

THIS PLAN SHALL BE THE SOLE AND EXCLUSIVE REMEDY FOR ANY CREDITOR OF THE DEBTOR DEALT WITH HEREIN, SO LONG AS DEBTOR OR THE REORGANIZED DEBTOR IS NOT IN DEFAULT UNDER THE PLAN.

IX.
ALTERNATIVES TO DEBTOR'S PLAN

If the Debtor's Plan is not confirmed, the Debtor's bankruptcy case may be converted to a case under Chapter 7 of the Code, in which case a trustee would be appointed to liquidate the assets of the

Debtor for distribution to its Creditors in accordance with the priorities of the Code. Generally, a liquidation or forced sale yields a substantially lower amount. As set forth above, the Debtor owes approximately \$20,000 in administrative and priority tax claims. Claims to the priority and administrative creditors must be paid prior to the unsecured creditors receiving any payment. The Debtor believes the value of the assets would not exceed the priority and administrative creditor debts, and therefore, a liquidation would result in no distribution to the unsecured creditors.

A liquidation analysis is attached hereto as Exhibit "C".

X
RISKS TO CREDITORS UNDER THE DEBTOR'S PLAN

Claimants and Equity Interest Holders should be aware that there are a number of substantial risks involved in consummation of the Plan. The Plan contemplates that there will be excess funds to pay Creditor Claims.

XI.
TAX CONSEQUENCES TO THE DEBTOR

Implementation of the Plan may result in federal income tax consequences to holders of Claims, Equity Interest Holders, and to the Debtor. In this case most of the creditors will not be paid in full the amount of their claims. Tax consequences to a particular Creditor or Equity Interest Holder may depend on the particular circumstances or facts regarding the Claim of the Creditor or the interests of the Equity Interest Holder. **CLAIMANTS ARE URGED TO CONSULT THEIR OWN TAX ADVISOR AS TO THE CONSEQUENCES OF THE PLAN TO THEM UNDER FEDERAL AND APPLICABLE STATE AND LOCAL TAX LAWS.**

XII.
PENDING OR ANTICIPATED LITIGATION

The Debtor has evaluated potential claims which may be brought. The Debtor is unaware of any litigation which could be brought for the benefit of the creditors of the estate.
