ARTICLE I
INTRODUCTION
Identity of the Debtor

1.01 Debtor GR Hospitality Management, LLC, filed voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. Section 101, et seq. ("**Code**") in the United States Bankruptcy Court for the Northern District of Texas, Wichita Falls Division ("**Court**"), initiating the above-styled and referenced bankruptcy proceedings. The Debtor is operating its business as **Debtor-in-Possession** pursuant to Sections 1107 and 1108 of the **Code**. Any reference to plan proponents is to this operating Debtor.

Purpose of This Disclosure; Sources of Information

1.02 Debtor submits this Disclosure pursuant to Section 1125 of the **Code** to all known **Claimants** of Debtor for the purpose of disclosing that information which the **Court** has determined is material, important, and necessary for **Creditors** of, and the Members of, Debtor in order to arrive at an intelligent, reasonably informed decision in exercising the right to vote for acceptance or rejection of the **Debtor's Plan**. A copy of the Plan is attached hereto as **Exhibit "A"** and incorporated herein by this reference. The Plan sets forth in detail the repayment arrangement between the Debtor and their creditors. This Disclosure describes the operations of the **Debtor** contemplated under the **Plan**. Any accounting information contained herein has been provided by the **Debtor** and has been prepared using the cash method of accounting.

Debtor does not have exact figures for any alleged deficiency claims claimed by secured creditors. As those numbers are sorted out the Debtor can provide such information to the creditors. The Debtor is reviewing claims and will continue to do so. Debtor does anticipate objecting to deficiency claims if they appear over stated but those issues can be handled through the claims objection process.

Explanation of Chapter 11

1.03 Chapter 11 is the principal reorganization chapter of the **Code**. Pursuant to Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against and interests in the debtor. After a plan of reorganization has been filed, it must be accepted by holders of claims against, or interests in, the debtor. Section 1125 of the **Code** requires full disclosure before solicitation of acceptances of a plan of reorganization. This Disclosure is presented to **Claimants** to satisfy the requirements of Section 1125 of the **Code**.

Explanation of the Process of Confirmation

1.04 Even if all **Classes of Claims** accept the plan, its confirmation may be refused by the **Court**. Section 1129 of the **Code** sets forth the requirements for confirmation and, among other things, requires that a plan of reorganization be in the best interests of **Claimants**. It generally requires that the value to be distributed to **Claimants** and **Equity Interest Holders** may

not be less than such parties would receive if the debtor were liquidated under Chapter 7 of the **Code**.

1.05 Acceptance of the plan by the **Creditors** and **Equity Interest Holders** is important. In order for the plan to be accepted by each class of claims, the creditors that hold at least two thirds (2/3) in amount and more than one-half (1/2) in number of the allowed claims actually voting on the plan in such class must vote for the plan and the equity interest holders that hold at least two-thirds (2/3) in amount of the allowed interests actually voting on the plan in such class must vote for the plan. Chapter 11 of the **Code** does not require that each holder of a claim against, or interest in, the debtor vote in favor of the plan in order for it to be confirmed by the **Court**. The plan, however, must be accepted by: (i) at least the holder of one (1) class of claims by a majority in number and two-thirds (2/3) in amount of those claims of such class actually voting; or (ii) at least the holders of one (1) class of allowed interests by two-thirds (2/3) in amount of the allowed interests of such class actually voting.

In this case the creditors will be voting by Debtor and class. Some Plans may be approved and others may fail approval. In the event any Plan fails approval the Debtor on the advice of the CRO if employed may elect to submit a further Plan or may seek to convert to Chapter 7. The Debtor achieving sufficient numbers of votes may still move forward with confirmation of its Plan even if the other Debtor has its plan denied confirmation.

1.06 The **Court** may confirm the plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the **Code**.

1.07 **Confirmation** of the plan discharges the debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the plan and Section 1141(d) of the **Code**. **Confirmation** makes the plan binding upon the debtor and all claimants, equity interest holders and other parties-in-interest, regardless of whether or not they have accepted the plan.

Voting Procedures

1.08 **Unimpaired Class**. There are no unimpaired Classes under the **Plan**.

1.09 **Impaired Classes**. The Classes 1-9 **Claimants** are impaired as defined by Section 1124 of the **Code**. The **Debtor** is seeking the acceptance of the **Plan** by **Claimants** in their **Classes** 1-9. Each holder of an **Allowed Claim** in **Classes** 1-9 may vote on the **Plan** by completing, dating and signing the ballot sent to each holder and filing the ballot as set forth below. One ballot will be sent to each **Claimant** eligible to vote on the **Plan**. For all **Classes**, the ballot must be returned to **Debtor's** attorney, Joyce Lindauer, Attorney at Law, 12720 Hillcrest Suite 625, Dallas, TX 75230. In order to be counted, ballots must be **RECEIVED** no later than at the time and on the date stated on the ballot.

1.10 **Acceptances**. Ballots that are signed and returned but fail to indicate either an acceptance or rejection will not be counted.

Best Interests of Creditors Test

1.11 Section 1129(a)(7) of the **Code** requires that each impaired class of claims or interests accept the **Plan** or receive or retain under the **Plan** on account of such claim or interest, property of a value as of the **Effective Date** of the **Plan**, that is not less than the amount that such holder would so receive or retain if the **Debtor** were liquidated under Chapter 7 of the Bankruptcy **Code**. If Section 1111(b)(2) of the **Code** applies to the claims of such class, each holder of a claim of such class will receive or retain under the **Plan**, on account of such claim, property of a value, as of the **Effective Date** of the **Plan**, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the **Plan** to be confirmed, the **Court** must determine that the **Plan** is in the best interest of the **Debtor's** creditors. Accordingly, the proposed plan must provide the **Debtor's** creditors with more than they would receive in a Chapter 7 liquidation. Accordingly, since the **Plan** proposes to pay all secured creditors' allowed secured claims in full by sale of their collateral or cash payments based on the value of their collateral retained and the unsecured creditors a dividend, Debtor believe that the creditors are receiving more than they would receive in a Chapter 7 liquidation. Without the continued operation of the Debtor's business there would be no cash funds to pay unsecured creditors. A liquidation analysis is provided in Section IV. Accordingly, the Debtor contend that the **Plan** satisfies the requirements of Section 1129(a)(7).

Cramdown

1.12 The **Court** may confirm the **Plan** even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the **Code**. Accordingly, **Debtor**, as plan proponents, request the **Court** to determine that the **Plan** does not discriminate unfairly, and is fair and equitable with respect to any objecting creditor. A discussion of the specific requirements for Cramdown of a Plan are set forth starting below.

Definition of Impairment

1.13 As set forth in section 1124 of the Bankruptcy Code, a class of claims or equity interests is impaired under a plan of reorganization unless, with respect to each claim or equity interest of such class, the plan: leaves unaltered the legal, equitable, and contractual rights of the holder of such claim or equity interest; or notwithstanding any contractual provision or applicable law that entitles the holder of a claim or equity interest to demand or receive accelerated payment of such claim or equity interest after the occurrence of a default: cures any such default that occurred before or after the commencement of the case under the Bankruptcy Code, other than a default of a kind specified in section 365(b)(2) of the Bankruptcy Code; reinstates the maturity of such claim or interest as it existed before such default; compensates the holder of such claim or interest for any damages incurred as a result of any reasonable reliance on such contractual provision or such applicable law; and does not otherwise alter the legal, equitable or contractual rights to which such claim or interest entitles the holder of such claim or interest.

Classification and Treatment of Claims and Interests

1.14 The Plan classifies Claims separately in accordance with the Bankruptcy Code and

provides different treatment for different classes of Claims.

1.15 Only holders of Allowed Claims are entitled to receive distributions under the Plan. Allowed Claims are Claims that are not in dispute, are not contingent, are liquidated in amount, and are not subject to objection or estimation. Initial distributions or other transfers of Cash or other consideration specified in the Plan otherwise available to the holders of Allowed Claims will be made on the Effective Date, or (b) the date on which such Claim becomes an Allowed Claim), as otherwise provided in the Plan, or as may be ordered by the Bankruptcy Court.

1.16 In accordance with the Plan, unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim under the Plan will be in full satisfaction, settlement, release, and discharge of and in exchange for each and every Claim.

Requirements for Confirmation of the Plan

1.17 At the confirmation hearing, the Bankruptcy Court must determine whether the Bankruptcy Code's requirements for confirmation of the Plan have been satisfied, in which event the Bankruptcy Court will enter an order confirming the Plan. As set forth in section 1129 of the Bankruptcy Code, these requirements are as follows:

The plan complies with the applicable provisions of the Bankruptcy Code.

The proponents of the plan comply with the applicable provisions of the Bankruptcy Code.

The plan has been proposed in good faith and not by any means forbidden by law.

Any payment made or promised by the Debtor, by the plan proponents, or by a person issuing securities or acquiring property under the plan, for services or for costs and expenses in, or in connection with, the case, or in connection with the plan and incident to the case, has been approved by, or is subject to the approval of the Bankruptcy Court as reasonable.

- (A) The proponent of the plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer, or voting trustee of the Debtor, an affiliate of the Debtor participating in a joint plan with the Debtor, or a successor to the Debtor under the plan; and
- (B) the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policy; and the proponent of the plan has disclosed the identity of any insider that will be employed or retained by the reorganized Debtor, and the nature of any compensation for such insider.

Any governmental regulatory commission with jurisdiction, after confirmation of the

plan, over the rates of the Debtor has approved any rate change provided for in the plan, or such rate change is expressly conditioned on such approval.

With respect to each impaired class of claims or interests:

(I) each holder of a claim or interest of such class has (A) accepted the plan or (B) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated on such date under chapter 7 of the Bankruptcy Code on such date; or (ii) if section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, the holder of a claim of such class will receive or retain under the plan on account of such claim property of a value, as of the effective date of the plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.

With respect to each class of claims or interests:

- (i) such class has accepted the plan; or
- (ii) such class is not impaired under the plan.

Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the plan provides that:

(i) with respect to a claim of a kind specified in section 507(a)(1) or 507(a)(2) of the Bankruptcy Code, on the effective date of the plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim;

(ii) with respect to a class of claims of a kind specified in section 507(a)(3), 507(a)(4), 507(a)(5) or 507(a)(6) of the Bankruptcy Code, each holder of a claim of such class will receive: (i) if such class has accepted the plan, deferred cash payments of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or (ii) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim; and

(iii) with respect to a claim of a kind specified in section 507(a)(7) of the Bankruptcy Code, the holder of a claim will receive on account of such claim deferred cash payments, over a period not exceeding six years after the date of assessment of such claim, of a value, as of the effective date of the plan, equal to the allowed amount of such claim.

If a class of claims is impaired under the plan, at least one class of claims that is impaired has accepted the plan, determined without including any acceptance of the plan by any insider holding a claim of such class.

Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the plan, unless such liquidation or reorganization is proposed in the plan.

All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the

hearing on confirmation of the plan, have been paid or the plan provides for the payments of all such fees on the effective date of the plan.

The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114, at any time prior to confirmation of the plan, for the duration of the period the Debtor has obligated itself to provide such benefits.

The Debtor believe that the Plan satisfies all the statutory requirements of chapter 11 of the Bankruptcy Code, that the Debtor have complied with or will have complied with all the requirements of chapter 11, and that the Plan is proposed in good faith.

At the Confirmation Hearing, the Bankruptcy Court will determine whether holders of Allowed Claims or Allowed Equity Interests would receive greater distributions under the Plan than they would receive in a liquidation under chapter 7.

The Debtor believe that the feasibility requirement for confirmation of the Plan is satisfied by the fact that the future operating revenues will be sufficient to satisfy the obligations under the Plan in addition to supporting the operations of the enterprise. These facts demonstrating the confirmability of the Plan will be shown at the Confirmation Hearing.

Cramdown

1.18 The bankruptcy court may confirm a plan of reorganization even though fewer than all the classes of impaired claims and interests accept it. For a plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the proponents of the plan must show, among other things, that the plan does not “discriminate unfairly” and that the plan is “fair and equitable” with respect to each impaired class of claims or interests that has not accepted the plan.

1.19 “Fair and equitable” has different meanings with respect to the treatment of secured and unsecured claims. As set forth in section 1129(b)(2) of the Bankruptcy Code, those meanings are as follows:

With respect to a class of **secured claims**, the plan provides:

- (a)(i) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the Debtor or transferred to another entity, to the extent of the allowed amount of such claims; and
- (ii) that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the plan, of at least the value of such holder’s interest in the estate’s interest in such property;
- (b) for the sale, subject to section 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to

attach to the proceeds of such sale, and the treatment of such liens on proceeds under clause (a) and (b) of this subparagraph; or
(c) the realization by such holders of the “indubitable equivalent” of such claims.

With respect to a class of **unsecured claims**, the plan provides:

- (a) that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the plan, equal to the allowed amount of such claim; or
- (b) the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or interest any property.

With respect to a class of **interests**, the plan provides:

- (a) that each holder of an interest of such class receive or retain on account of such interest property of a value, as of the effective date of the plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled or the value of such interest; or
- (b) that the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property.

1.20 In the event that one or more classes of impaired Claims reject the Plan, the Bankruptcy Court will determine at the Confirmation Hearing whether the Plan is fair and equitable with respect to, and does not discriminate unfairly against, any rejecting impaired class of Claims. **SO LONG AS THE CLASSES OF UNSECURED CREDITORS VOTE FOR THE PLAN THEN THE PLAN WILL NOT VIOLATE THE ABSOLUTE PRIORITY RULE.** The absolute priority rule requires that prior to the equity interest holders in the Debtor retaining or receiving any property the senior classes of claims must be paid in full or vote to accept the Plan.

The Debtor believe the Plan does not discriminate unfairly against, and is fair and equitable with respect to, each impaired class of Claims.

ARTICLE III **FINANCIAL PICTURE OF THE DEBTOR**

Financial History and Background of the Debtor

The Company

3.01 GR Hospitality Management, LLC runs a Best Western Plus hotel in Graham, Texas. Graham, Texas is located west of the Dallas-Fort Worth metropolitan area, in the north Texas Hill Country. The current ownership of the Debtor is 50% each to Kirnbir Grewal and Manjit Randhawa. The property was purchased in 2007. From the very beginning the hotel has been managed directly by the Debtor and its principal, Kirnbir Grewal, who has over 20 years of experience in the lodging industry.

Kirnbir is directly responsible for managing the assets, which include setting financial goals, budget, policies, franchise relations, major renovations and marketing. He also provides and oversees the day to day operations of the hotel, which include front desk operations, sales reservations, housekeeping, maintenance, and employee relations with the help of a supervisor who is paid \$10.00 per hour. Kirnbir is not paid any fees nor does he receive any salary from the hotel.

There is no third party management of the hotel and no other fees or charges are paid to anyone for managing the hotel.

Room revenue has been trending down since January 2009 and as of July 2009 took large downward turn due to the drastic downturn in the economy and the shift in travel patterns of many companies compared to the past. Also in the area many companies have closed down or moved out, due to the economy. The partners have cut down a significant amount of the operating expenses, without sacrificing the quality of service to the hotel guests. Therefore even though the revenue is increasing compared to the previous year, the average daily rate has been declining due to brand new hotels in the area slashing their rates drastically to stay competitive.

A boom in oil and gas helped revenues in the intervening years since a plan was confirmed in a prior Chapter 11 case, in 2011. The Debtor was able to make plan payments regularly and reorganize its debts as part of that plan. Revenues and occupancy increased in 2012-2015. But a free fall in oil and gas prices since the end of 2015 means that room bookings are down significantly in 2016, and thus revenues have fallen dramatically.

Management

3.02 Kirnbir Grewal manages the Debtor.

Financials

3.03 Currently the company is under Chapter 11 bankruptcy reorganization and therefore an income report is filed monthly with the court. They can be obtained from the Debtor's counsel and online at www.txnb.uscourts.gov under the names of the Debtor's cases.

Future Income and Expenses Under the Plan

3.04 The projections of plan payments will be provided in a supplement to this Disclosure Statement. Dollars to fund the **Plan** will come from the business operations of GR Hospitality Management, LLC.

Future Management of the Debtor

3.05 The Debtor anticipates retaining current management.

ARTICLE IV
ANALYSIS AND VALUATION OF PROPERTY

4.01 The Debtor GR Hospitality Management, LLC, owns the real and personal property described as follows:

Real Property

Property	Value	Exemptions
Land and building at 1707 Hwy 16 South Graham, Texas 76450	\$2,677,230.00	None
TOTAL:	\$2,677,230.00	

Personal Property

Property	Value	Exemptions
Cash on Hand	\$516.91	None
DIP Account (as of 8/31/16)	\$5,483.64	None
Ciera Bank Acct ending 3384	\$6,305.35	None
Ciera Bank Acct ending 7296	\$471.01	None
Accounts Receivable (as of 8/31/16)	\$2,856.00	None

Hotel furnishings	\$120,000.00	None
Hotel equipment	\$2,300.00	None
Office Equipment	\$3,205.00	None
Franchise Agreement, Tax permits	\$0.00	None
TOTAL:	\$144,137.91	

A Liquidation Analysis by Debtor is set forth as follows:

Proceeds from Sale of Real Property ¹	\$2,500,000.00
Proceeds from Forced Liquidation of Hotel Furnishings, Linens, etc. ²	\$50,000.00
Total Amount for Distribution to Creditors	\$2,550,000.00

¹ Does not include any real estate or broker commissions.

² Does not include any broker or auctioneer commissions

Total Priority Claims	\$120,426.89
Total Secured Claims	\$3,234,046.92
Deficiency	(\$854,473.81)

Taking into account the priority and nonpriority unsecured claims in this case, based on the above analysis a Chapter 7 liquidation would not pay the unsecured claims. Debtor's plan pays the priority creditors 100%, thus Debtor's plan will pay the creditors more than in a Chapter 7 liquidation. The Debtor's values for the personal property are derived from the Debtor's opinion of the value of its assets based on the schedules.

The projected amount of unsecured debt is \$60,978.64 and the Plan proposes a payment to unsecured claims. The projected amount available to unsecured creditors in a Chapter 7 liquidation is \$0.00. The Debtor has prepared this Liquidation Analysis based on the appraisals prepared by the major secured creditors of the value of its assets. The major source of funding for the Plan will come from the Debtor's future income, or the sale of the Real Property within a year of Plan Confirmation. To the extent that the Debtor's business generates income, such income will be used to fund the Plan.

ARTICLE V **SUMMARY OF THE PLAN**

The Plan will be funded from the continuing operations of the Debtor, GR Hospitality Management, LLC, or from a sale of the real property within one (1) year of Plan Confirmation.

Such default shall be cured within 10 business days of the date of transmission of such notice of default. In the event the default is not cured, the Class 1 Claimants shall be entitled to pursue all amounts owed pursuant to state law outside of the Bankruptcy Court. The Claimant shall only be required to provide two notices of default. claims are secured claims. These creditors shall retain their liens to secure their claims until paid in full under this Plan. The 2017 taxes shall be paid when due.

- b. Class 1 Claims are Impaired by the Plan. The holders of Class 1 Claims are entitled to vote to accept or reject the Plan.

Class 2: Allowed Priority Claim of the Internal Revenue Service

- b. Events of Default for IRS. The occurrence of any of the following shall constitute an event of default under the Plan:
 - 1. Failure to Make Payments. Failure on the part of Debtor to pay fully when due any payment required to be made in respect of the Plan debt. However, due to the size and ongoing nature of the IRS's claim, upon a default under the Plan, the administrative collection powers and the rights of the IRS shall be reinstated as they existed prior to the filing of the bankruptcy petition, including, but not limited to, the assessment of taxes, the filing of a notice of Federal (or state) tax lien and the powers of levy, seizure, and as provided under the Internal Revenue Code. As to the IRS:
 - (A) If the Debtor or its successor in interest fails to make any plan payment, or deposits of any currently accruing employment or sales tax liability; or fails to make payment of any tax to the Internal Revenue Service within 10 days of the due date of such deposit or payment, or if the Debtor or their successor in interest failed to file any required federal or state tax return by the due date of such return, then the United States may declare that the Debtor is in default of the Plan. Failure to declare a default does not constitute a waiver by the United States of the right to declare that the successor in interest or Debtor is in default.
 - (B) If the United States declares the Debtor or the successor in interest to be in default of the Debtor's obligations under the Plan, then the entire imposed liability, together with any unpaid current liabilities, may become due and payable immediately upon written demand to the Debtor or the successor in interest.
 - (C) If full payment is not made within 14 days of such demand, then the Internal Revenue Service may collect any unpaid liabilities through the

administrative collection provisions of the Internal Revenue Code. The IRS shall only be required to send two notices of default, and upon the third event of Default, the IRS may proceed to collect on all amounts owed without recourse to the Bankruptcy Court and without further notice to the Debtor. The collection statute expiration date will be extended from the Petition Date until substantial default under the Plan. All payments will be sent to: IRS, 1100 Commerce Street, Mail Code 5027 DAL, Dallas, Texas 75242 attn Leo Carey.

- (D) The Internal Revenue Service shall not be bound by any release provisions in the Plan that would release any liability of the responsible persons of the Debtor to the IRS. The Internal Revenue Service may take such actions as it deems necessary to assess any liability that may be due and owing by the responsible persons of the Debtor to the Internal Revenue Service; but the Internal Revenue Service shall not take action to actually collect from such persons unless and until there is a default under the Plan and as set forth above.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

7.01 Rejection of Executory Contracts and Unexpired Leases. Debtor may assume or reject pursuant to Bankruptcy Code Section 1123(b)(2), its unexpired leases of real property and executory contracts by separate motion and order prior to the Confirmation Date. The Debtor may do the same through the Plan. check the plan section 8.1

7.02 Reservation of Rights. The Debtor shall have the right to assume or reject, pursuant to Bankruptcy Code Section 365, prior to the Confirmation Date, any executory contract or unexpired lease of real property (to the extent permitted under the Bankruptcy Code) and to the terms of this Plan.

7.03 Bar Date for Claims Based on Rejection. If the rejection of an executory contract or an unexpired lease by the Debtor results in damages to the other party or parties to such contract or lease, a Claim for such damages shall be forever barred and shall not be enforceable against the Debtor or their properties or agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon the Debtor, within 60 days of the Confirmation Date. Any Rejection Claim arising from the rejection of an unexpired lease or executory contract shall be treated as a General Unsecured Claim; *provided, however*, that any Rejection Claim based upon the rejection of an unexpired lease of real property either prior to the Confirmation Date or upon the entry of the Confirmation Order shall be limited in accordance with section 502(b)(6) of the Bankruptcy Code and state law mitigation requirements. Nothing contained herein shall be deemed an admission by the Debtor that such rejection gives rise to or results in a Claim or shall be deemed a waiver by the Debtor of any objections to such Claim if asserted.

ARTICLE VIII FEASIBILITY OF PLAN

8.01 Debtor asserts that the Plan is feasible.

Procedure for Filing Proofs of Claims and Proofs of Interests

8.02 All proofs of claims and proofs of interests must be filed by those **Claimants** and **Equity Interest Holder** who have not filed such instruments on or before the **Bar Date** fixed by the **Court**.

8.03 If **Claimants** have already filed a proof of claim with the **Court** or are listed in the **Debtor's** Schedules as holding non-contingent, liquidated and undisputed claims, a proof of claim need not be filed. The schedules and amendments thereto are on file with the **Court** and are open for inspection during regular **Court** hours. If the equity security interest of an **Equity Interest Holder** is properly reflected in the Debtor's books and records, a proof of interest need not be filed.

ARTICLE IX ALTERNATIVES TO DEBTOR'S PLAN

9.01 If the **Debtor's Plan** is not confirmed, the **Debtor's** bankruptcy case may be converted to a case under Chapter 7 of the **Code**, in which case a trustee would be appointed to liquidate the assets of the **Debtor** for distribution to its **Creditors** in accordance with the priorities of the **Code**. Since the Debtor's assets are subject to liens that there could be little or no distribution to unsecured creditors in Chapter 7.

9.02 The Debtor has no litigation claims which may be pursued.

ARTICLE X
RISKS TO CREDITORS UNDER THE DEBTOR'S PLAN

10.01 Claimants should be aware that there are a number of substantial risks involved in consummation of the **Plan**. The **Plan** contemplates that the **Debtor's** business will generate revenue sufficient to pay the obligations accruing from its operations. The **Debtor** does not "guarantee" that the expenses will equal those in the projections; however, the **Debtor** believes that the projections are reasonable. The Debtor's operations do show the ability to propose a plan in this case.

ARTICLE XI
TAX CONSEQUENCES TO THE DEBTOR

TO ENSURE COMPLIANCE WITH U.S. TREASURY DEPARTMENT CIRCULAR 230, HOLDERS OF CLAIMS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF UNITED STATES FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED OR RELIED UPON, AND CANNOT BE USED OR RELIED UPON, BY HOLDERS OF CLAIMS OR INTERESTS OR ANY OTHER PERSONS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS OF CLAIMS OR ANY OTHER PERSONS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF U.S. TREASURY DEPARTMENT CIRCULAR 230) OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS OF CLAIMS AND INTERESTS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

A. Introduction

The following discussion summarizes certain material U.S. federal income tax consequences of the Plan to the Debtor and holders of Claims and Interests. The summary is provided for general informational purposes only and is based on the United States Internal Revenue Code of 1986, as amended (the "Tax Code"), the treasury regulations promulgated thereunder, judicial authority and current administrative rulings and practice, all as in effect as of the date hereof (except as otherwise noted below with regard to the American Recovery and Reinvestment Act of 2009), and all of which are subject to change, possibly with retroactive effect. Changes in any of these authorities or in their interpretation could cause the United States federal income tax consequences of the Plan to differ materially from the consequences described below. The United States federal income tax consequences of the Plan are complex and in important respects uncertain. No ruling has been requested from the Internal Revenue Service (the "Service"); no opinion has been requested from Debtor's counsel concerning any tax consequence of the Plan; and no tax opinion is given by this Disclosure Statement.

The following discussion does not address all aspects of federal income taxation that may be relevant to a particular holder of a Claim or Interest in light of its particular facts and circumstances or to particular types of holders of Claims subject to special treatment under the Tax Code. For example, the discussion does not address issues of concern to broker-dealers or other dealers in securities, or foreign (non-U.S.) persons, nor does it address any aspects of state, local, or foreign (non-U.S.) taxation, or the taxation of holders of Interests in a Debtor. In addition, a substantial amount of time may elapse between the Confirmation Date and the receipt of a final distribution under the Plan. Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, court decisions or administrative changes, could affect the federal income tax consequences of the Plan and the transactions contemplated hereunder.

On February 13, 2009, the House of Representatives and the Senate passed H.R.1, the American Recovery and Reinvestment Act of 2009 (the Recovery Act), a stimulus bill that includes tax breaks for businesses and individuals. The President signed the Recovery Act on February 17, 2009. The following discussion does not address any aspects of the Recovery Act, some of which may be relevant to a particular holder of a Claim or an Interest.

THE DISCUSSION THAT FOLLOWS IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND PROFESSIONAL TAX ADVICE BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH ITS TAX ADVISORS REGARDING THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

B. Certain Definitions

Except as expressly otherwise provided or unless the context otherwise requires, all capitalized terms not otherwise defined herein or in the Plan shall have the respective meanings assigned to them in this Article.

“*COD*” shall mean cancellation of indebtedness income.

“*NOL*” shall mean net operating loss.

C. Certain Material Federal Income Tax Consequences to the Debtor

Cancellation of a Debtor’s debt is generally taxable income to the Debtor. COD is the amount by which the indebtedness of a Debtor discharged exceeds any consideration given in exchange therefore. Cancellation of a debt may not necessarily be COD, however. To the extent that the Debtor is insolvent, or if the Debtor is in bankruptcy, as is the case here, the Tax Code permits the Debtor to exclude the COD from its gross income. The statutory exclusion for COD in a title 11 case generally excludes COD from gross income if the discharge is granted by a court to a Debtor under its jurisdiction in a title 11 case, as is sought herein.

The price for the bankruptcy COD exclusion (as well as the insolvency exclusion) is reduction of

the Debtor's tax attributes to the extent of the COD income, generally in the following order: NOLs for the year of the discharge and NOL carryovers from prior years; general business tax credit carryovers; minimum tax credit available as of the beginning of the year following the year of discharge; net capital loss for the year of discharge and capital loss carryovers from prior years; basis of the Debtor's assets; passive activity loss and credit carryovers from the year of discharge; and foreign tax credit carryovers to or from the year of discharge. The reduction of attributes does not occur until after the end of the Debtor's tax year in which the COD occurred, so they are available to the Debtor in determining the amount of its income, loss and tax liability for the year of discharge.

As a result of the implementation of the Plan, the Debtor will have COD and potential attribute reduction. Because any reduction in tax attributes does not effectively occur until the first day of the taxable year following the taxable year in which the COD is incurred, the resulting COD, on its own, should not impair the ability of the Debtor to use their tax attributes (to the extent otherwise available) to reduce their tax liability, if any, otherwise resulting from the implementation of the Plan.

Under section 382 of the Tax Code, if a corporation undergoes an "ownership shift," the amount of its Pre-Change Losses that may be utilized to offset future taxable income generally is subject to an annual limitation. Although the Plan allows for an ownership change it is doubtful that one will occur and as such any owner of the Debtor should consult his own tax adviser concerning the effect of the Plan.

The United States federal income tax consequences of payment of Allowed Claims pursuant to the Plan will depend on, among other things, the consideration received, or deemed to have been received, by the holder of the Allowed Claim, whether such holder reports income on the accrual or cash method, whether such holder receives distributions under the Plan in more than one taxable year, whether such holder's Claim is allowed or disputed at the Effective Date, whether such holder has taken a bad debt deduction or worthless security deduction with respect to its Claim.

In general, a holder of a Claim should recognize gain or loss equal to the amount realized under the Plan in respect of its Claim less the amount of such holder's basis in its Claim. Any gain or loss recognized in the exchange may be long-term or short-term capital gain or loss or ordinary income or loss, depending upon the nature of the Claim and the holder, the length of time the holder held the Claim and whether the Claim was acquired at a market discount. If the holder realizes a capital loss, its deduction of the loss may be subject to limitations under the Tax Code. The holder's aggregate tax basis for any property received under the Plan generally will equal the amount realized. The amount realized by a holder generally will equal the sum of the cash and the fair market value of any other property received (or deemed received) by the holder under the Plan on the Effective Date and/or any subsequent distribution date, less the amount (if any) allocable to Claims for interest. All holders of Allowed Claims are urged to consult their tax advisors. A holder of a Claim constituting an installment obligation for tax purposes may be required to recognize currently any gain remaining with respect to the obligation if, pursuant to the Plan, the obligation is considered to be satisfied at other than its face value, distributed, transmitted, sold or otherwise disposed of within the meaning of Section 453B of the Tax Code.

D. Importance of Obtaining Professional Tax Assistance

The foregoing discussion is intended only as a summary of certain U.S. federal income tax consequences of the Plan, and is not a substitute for careful tax planning with a tax professional. The above discussion is for general information purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a holder's individual circumstances.

HOLDERS OF CLAIMS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS ABOUT THE FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

IMPORTANT ACCOUNT INFORMATION

Here's some clarifying information on when your account could become dormant and what could happen.

When does my account become dormant?

Generally, your account becomes dormant if you do not initiate an account-related activity for 12 months for a checking account, 34 months for a savings account, or 34 months after the first renewal for a Time Account (CD). An account-related activity is determined by the laws governing your account. Examples of account-related activity are depositing or withdrawing funds at a banking location or ATM, or writing a check which is paid from the account. Automatic transactions (including recurring and one-time), such as pre-authorized transfers/payments and electronic deposits, set up on the account may not qualify as account-related activity that you initiated.

What happens to a dormant account?

We put safeguards in place to protect a dormant account which may include restricting the following: transfers between your Wells Fargo accounts using your ATM/debit card; transfers by phone using our automated banking service; transfers or payments through online, mobile, and text banking (including Bill Pay); or wire transfers (incoming and outgoing).

Account number: ■ August 1, 2016 - August 31, 2016 ■ Page 7 of 8

Normal monthly service and other fees continue to apply (except where prohibited by law). Your account funds may be transferred to the appropriate state if no activity occurs in the account within the time period as specified by state law. This transfer is known as "escheat." After transferring your account funds to the state, we will close your account and any interest will stop accruing. To recover your account funds, you must file a claim with the state.

For more information, please see your Business Account Agreement, speak with a local banker, or call the phone number on the top of your statement.

We would like to remind you of the following:

Under the ACH Rules, the Bank can return any non-consumer ACH debit entry as unauthorized until midnight of the business day following the business day the Bank posts the entry to your account. In order for the Bank to meet this deadline, you are required to notify us to return any non-consumer ACH debit entry as unauthorized by the cutoff time we separately disclose. The cutoff time is currently 3:00 PM Central Time. If you do not timely notify us of the unauthorized non-consumer ACH debit entry, we will not be able to return it without the cooperation and agreement of the originating bank and the originator of the debit entry. Any other effort to recover the funds must occur solely between you and the originator of the entry.
