TASACOM TECHNOLOGIES, INC.’S COMBINED FIRST AMENDED PLAN OF REORGANIZATION AND DISCLOSURE STATEMENT

THIS COMBINED PLAN AND DISCLOSURE STATEMENT IS SUBMITTED TO ALL CREDITORS OF THE DEBTOR, ENTITLED TO VOTE ON THE PLAN OF REORGANIZATION HEREIN DESCRIBED AND CONTAINS INFORMATION THAT MAY AFFECT YOUR DECISION TO ACCEPT OR REJECT THE PLAN OF REORGANIZATION UNDER CHAPTER 11 OF THE UNITED STATES BANKRUPTCY CODE. THIS COMBINED PLAN AND DISCLOSURE STATEMENT IS INTENDED TO PROVIDE ADEQUATE INFORMATION AS REQUIRED BY THE BANKRUPTCY CODE AS TO THE PLAN OF REORGANIZATION. ALL CREDITORS AND INTEREST HOLDERS ARE URGED TO READ THE COMBINED PLAN AND DISCLOSURE STATEMENT WITH CARE. THE DISCLOSURE STATEMENT HAS BEEN APPROVED BY COURT ORDER DATED OCTOBER __, 2018, A COPY OF WHICH IS INCLUDED HEREIN. THE PLAN HAS NOT YET BEEN APPROVED BY THE COURT.

I. SUMMARY OF PLAN

Versacom, LP (the "**Debtor**") is a limited partnership, located at 1126 Commerce Drive, Suite 1126, Richardson, Texas 75081. The Debtor owes the Internal Revenue Service ("**IRS**") approximately \$432,000.00 (less additional adequate protection payments that have been made by the Debtor following Debtor’s first filed plan of reorganization) and holds a first priority security interest against all assets of the Debtor. The IRS is the Debtor's largest secured creditor.

Tasacom Technologies, Inc. ("**TASACOM**"), a creditor and party in interest, has filed this combined Plan of Reorganization and Disclosure Statement (the "**Plan**") because, in Tasacom’s view, no other feasible plan can be proposed to resolve the debts against the Debtor. The Plan provides for structured payments to holders of Allowed Claims against the Debtor, the

cancellation of the Debtor's prior equity interests and the issuance of new equity in the Debtor to Tasacom or Tasacom's designee.

II. BACKGROUND

A. Debtor's Bankruptcy Filing.

On or about July 13, 2017, the Debtor filed a Voluntary Petition for relief under Chapter 11 of the Bankruptcy Code. The Debtor had been a party to a civil suit in the United States District Court for the Northern District of Texas in which a judgment was rendered against the Debtor in the amount of \$1,500,000.00 plus interest. The Debtor was unable to satisfy its obligations to the holders of the judgment and sought protection under the Bankruptcy Code to restructure those obligations and amounts due the IRS. As part of this reorganization process, Tasacom is seeking to purchase one or more claims held against the Debtor including the judgment referenced herein.

B. Post-petition Operations.

After it filed this Chapter 11 Case, the Debtor continued to operate. No statutory committee or trustee was appointed in this Chapter 11 Case.

The Debtor sought authority to use cash collateral and the IRS agreed to allow the Debtor to use cash collateral on both an interim and final basis ("**Orders on Use of Cash Collateral**"). As adequate protection, the Orders on Use of Cash Collateral, provided the IRS replacement liens, administrative expense claim, and a monthly payment which the Debtor has made since the Orders on Use of Cash Collateral were entered. Upon information and belief, the Debtor has paid approximately \$128,000 to the IRS post-petition.

Until now, the Debtor has not obtained other financing, located another potential purchaser of all the assets, or demonstrated the ability to operate profitably. Upon information and belief, Tasacom or its designee is the only potential purchaser that has offered to purchase all assets of the Debtor, continue the operations of the Debtor's business as a going concern and adequately capitalize the reorganized Debtor.

C. Debt Repayment and Restructuring.

In general, the Plan proposes to pay the holders of Allowed Claims from continued operations and an equity infusion from Tasacom or its designee in the amount of \$135,000.00. Because of the outstanding amounts due to the IRS, there will not be sufficient funds to fully satisfy all of the claims against the Debtor. However, unsecured creditors will receive a greater distribution through this Plan of Reorganization than if this case was dismissed or converted to Chapter 7.

III. TREATMENT OF CLAIMS

A. Secured and Priority Debts.

First, each holder of an Ad Valorem Tax Claim (Class 1) up to the amount of such holder's Allowed Secured Claim will be paid in full upon the Effective Date of the confirmed plan. Based on the Debtor's filings with the Bankruptcy Court, such claims amount to less than \$5,000.00.

Second, the Allowed Secured Claim of the IRS and the Allowed Priority Claim of the IRS (Class 2) will be paid a lump sum of \$100,000.00 within 60 days of the Effective Date of the confirmed plan. Thereafter, the Reorganized Debtor will make payments of \$7,000.00 per month for a period of a maximum of 48 months until the secured and priority claims of the IRS are paid in full. These payments, together with the payments made pursuant to the Orders on Use of Cash Collateral, will be deemed to satisfy the Allowed Claims of the IRS (whether such Allowed Claims are Allowed Secured Claims, Allowed Priority Claims, or Allowed Unsecured Claims). The \$7,000.00 monthly payments will begin ninety days following the Effective Date and will end on the same day of the month forty-eight [48] months following the Effective Date. The IRS shall retain its Liens on all Collateral securing its Allowed Class 2 Claim. The following additional provisions shall apply to the payment of the Allowed Class 2 Claim:

- If the Reorganized Debtor fails to make any Plan payment, or deposits of any currently accruing employment or sales tax liability; or fails to make payment of any tax to the IRS within 10 days of the due date of such deposit or payment, or if the Debtor fails to file any required federal tax return by the due date of such return, then the IRS may notify the Debtor in writing that the Debtor is in default of the Plan. Failure to declare a default does not constitute a waiver by the IRS of the right to declare that the Debtor is in default.
- If the Reorganized Debtor does not cure the default within 14 days of such notice, that shall constitute an "IRS Default" and the entire imposed liability, together with any unpaid current liabilities, may become due and payable immediately, and the Internal Revenue Service may collect any unpaid liabilities through the administrative collection provisions of the Internal Revenue Code. The IRS shall only be required to send two notices of default, and upon the third event of default, an IRS Default will be deemed to have occurred and the IRS may proceed to collect on all amounts owed without recourse to the Bankruptcy Court and without further notice to the Debtor.
- All payments will be sent to: IRS, Attention: Leo Carey, 1100 Commerce Street, Mail Code 5024 DAL, Dallas, Texas 75242.

Third, holders of other Allowed Secured Claims whose Liens are junior to those of the IRS (Class 3) will be paid in full within 60 days of the Effective Date of the confirmed plan. Upon information and belief, these claims include the Allowed Secured Claims of the Texas Workforce Commission. Based on the Debtor's filings with the Bankruptcy Court and proofs of claim on file, these claims amount to approximately \$33,000.00.

Notwithstanding the foregoing treatment specified above, the Reorganized Debtor may, at its option, provide any holder of an Allowed Claim in Class 1, Class 2, or Class 3 treatment as provided under section 1124[2] or [3] of the Bankruptcy Code, with the Cash payments required by section 1124[2][A] and [C] of the Bankruptcy Code being made on the Effective Date; or [b]

such holder's Collateral. If such holder of an Allowed Secured Claim against the Debtor receives treatment as provided in [a] above, such holder shall retain any Liens securing the Allowed Secured Claim until paid in full.

Notwithstanding the foregoing, the Reorganized Debtor and any holder of an Allowed Secured Claim may agree to any alternate treatment of such Secured Claim, which treatment shall include preservation of such holder's Lien; provided, however, that such treatment shall not provide a return to such holder of an amount having a present value in excess of the amount of such holder's Allowed Secured Claim. Each such agreement shall be presented to the Bankruptcy Court before or within ninety [90] days after the Effective Date and shall not materially and adversely impact the treatment of any other creditor under the Plan.

B. Administrative Claims.

In connection with the administration of this Chapter 11 Case, the Debtor has incurred administrative fees to the United States Trustee and Debtor's counsel. Upon information and belief, any and all fees owed to the United States Trustee's Office are current, and Debtor's counsel has sufficient funds on hand from its pre-petition retainer to satisfy Debtor's counsel's attorney's fees once approved.

The holder of an Administrative Claim [including Fee Claims] incurred before the Effective Date shall be required to file with the Bankruptcy Court, and serve on all parties required to receive notice, notice of such Administrative Claim and, if applicable, a Fee Application within 60 days after the Effective Date. Failure to file and serve these documents timely and properly shall result in the Administrative Claim being forever barred.

C. Allowed General Unsecured Claims.

In full and final satisfaction of all Allowed General Unsecured Claims (Class 4), the Reorganized Debtor shall deliver to holders of Allowed General Unsecured Claims cash equal to each holder's Pro Rata Share of the General Unsecured Creditors' Pool. Payments to holders of Allowed General Unsecured Claims shall occur annually over a two-year period with the first payments due payable 120 days after the Effective Date of the Confirmed Plan. The second annual payments will be due 12 months after the date the first annual payments are due.

In the event Tasacom purchases the judgment and unsecured claims held by the class actions plaintiffs in Civil Action No.3:13-CV-04689-D (the "**Class Action Claim**"), Tasacom will agree to subordinate payment on the Class Action Claim to Allowed General Unsecured Claims and not share in the pro rata distribution to general unsecured creditors. However, in the event that Tasacom is unable to purchase the Class Action Claim, the Class Action claim will share pro rata in the General Unsecured Creditor's Pool.

The amount of non-insider claims scheduled by the Debtor is approximately \$260,000.00. However, there are approximately \$900,000.00 in filed, general unsecured claims excluding the Class Action Claim.

D. Subordinated Insider Claims.

Holders of Subordinated Insider Claims (Class 5) will receive no distribution under this Plan, and the unsecured claim(s) of Mr. or Mrs. al-Amin will be disallowed.

E. Interests in the Debtor.

Holders of Allowed Interests (Class 6) in the Debtor will be cancelled upon confirmation of the Plan, and new equity interests in the reorganized Debtor will be issued to Tasacom or its designee. Tasacom or its designee will be the sole owner of the reorganized Debtor, and Tasacom or its designee will inject no less than \$150,000.00 in capital into the reorganized Debtor.

IV. CLASSIFICATION AND VOTING

A. Creditors Divided into Classes.

The Bankruptcy Code requires that creditors be divided into classes in the Plan. That is, creditors with similar legal rights are put into the same class. All creditors and the classes they are in are shown in section IV. F of this document.

B. Creditors' Right to Vote on the Plan.

In a Chapter 11 reorganization, generally, creditors who are impaired under a Plan have the right to vote on a Plan. In this Chapter 11 Case, all creditors' claims are impaired under this Plan. However, holders of Class 5 claims receive no distribution and are therefore deemed to reject the Plan. All other creditors should read this Combined Plan of Liquidation and Disclosure Statement carefully, discuss it with an attorney and consider how to vote on the Plan.

The Court will conduct the Confirmation Hearing in this Chapter 11 Case to decide whether to confirm the Plan on November 27, 2018 at 1:30 p.m. at the United States Bankruptcy Court, 1100 Commerce Street, 14th Floor, Dallas, Texas 75242.

Ballots will be mailed by and should be submitted to the Balloting Agent as follows:

Dallas, Texas 75202
areya@holderlawpc.com

The Voting Deadline is November 14, 2018 on or before 5:00 p.m.

C. Creditors Have the Right to Object to the Confirmation of the Plan.

If a creditor believes that the Plan does not meet the requirements of the Bankruptcy Code, the creditor may file a written objection with the Bankruptcy Court. The Objection

Deadline has been set for November 14, 2018. The Court will consider only written objections that are timely filed and ballots that are timely filed. If no objections are filed (or if all objections are overruled by the Court) and at least one class of the creditors accepts the Plan, the Court may approve the Plan. If the Court approves the Plan, all creditors will be bound, even if a creditor did not vote and even if a creditor voted against the Plan. This means that a creditor will not be allowed to collect its claim against the Debtor except as provided in the Plan.

D. Plan Acceptance.

Each class of Claims is considered separately for voting. Only the creditors who vote are counted. The Court will conclude that the class "accepts" the Plan if two requirements are met: (1) More than 50% of the voting creditors vote in favor of the Plan; and (2) those creditors voting in favor of the Plan hold at least 2/3 of the total amount of the debt that vote in such class.

E. Cramdown.

If any class of Claims shall fail to accept the Plan in accordance with section 1126[c] of the Bankruptcy Code, the Bankruptcy Court may still confirm the Plan in accordance with section 1129[b] of the Bankruptcy Code. The Debtor reserves the right to request confirmation under Section 1129[b] of the Bankruptcy Code, and the right to amend or otherwise modify the Plan to eliminate distributions to holders of any Claims junior to any class of Claims that is impaired under and has not accepted the Plan in accordance with section 1129[b][2] of the Bankruptcy Code.

F. Classification and Impairment of Claims Under the Plan.

Class 1: Ad Valorem Tax Claimants -Secured

This class is comprised of the holders of all Ad Valorem Taxing Claims. This class is not impaired.

Class 2: IRS -Secured and Priority

This class is comprised of the claims of the IRS which are secured by a valid security interest on the Debtor's assets or which are entitled to priority under Section 507 of the Bankruptcy Code. This class is impaired.

Class 3: Secured Claims of Creditors Junior to IRS - Secured

This class is comprised of the claims of holders of Security Interests which are junior to those of the IRS – the Texas Workforce Commission. This class is not impaired.

Class 4: General Unsecured Creditors Holding Allowed Claims

Class 4 is comprised of all General Unsecured Creditors Holding Allowed Claims. This class is impaired.

Class 5: Subordinated Insider Claims

Class 5 is comprised of all Subordinated Insider Claims. This class is impaired.

Class 6: Interests in the Debtor

Class 6 is comprised of the holders of Allowed Interests in the Debtor. This class is impaired.

V. MEANS FOR IMPLEMENTATION AND DISCLOSURES

A. Continued Operations.

The Reorganized Debtor will continue to perform work in accordance with ordinary business practices. Tasacom has received historical information from the Debtor and has projected revenues and expenses as set forth attached hereto as Exhibit A which Tasacom believes, along with Tasacom's capital contribution, will permit it to make the payments contemplated by the Plan.

B. Disbursing Agent's Duties and Responsibilities.

The Reorganized Debtor shall act as "Disbursing Agent" and be responsible for making the disbursements provided for in this Plan. The Disbursing Agent may make such disbursement in the manner in which he deems reasonable and appropriate. To effectuate the payments under the Plan, the Disbursing Agent may utilize bank accounts as it determines is reasonable under the circumstances including using the Debtor's existing bank accounts, or a special trust account.

C. Executory Contracts or Leases.

This Plan constitutes a motion, pursuant to Bankruptcy Code § 365[a] to assume all Contracts, except those expressly rejected by the Debtor, in writing, at or prior to the Confirmation Hearing.

If the rejection of Contracts by the Debtor pursuant to this Plan results in damages to the other party or parties to such Contracts, a Claim for such damages, if not heretofore evidenced by a filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtor, the Reorganized Debtor or his respective property or agents, successors or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon counsel for the Debtor on or before sixty [60] days following the Effective Date.

Notwithstanding anything in the Plan, all insurance policies under which the Debtor is the insured party shall be deemed assumed as of the Confirmation Date. All payments upon such policies are current; no Cure Payments are necessary.

Entry of the Confirmation Order shall constitute a finding that the Debtor shall not owe any Cure Payment in connection with any assumed pre-Petition Date Contracts and shall constitute approval of assumptions of such Contracts pursuant to Bankruptcy Code Sections 365(a), 365(b), and 1123 of the Bankruptcy Code, unless the Confirmation Order or another order of the Bankruptcy Court specifies a different Cure Payment. Any party to assumed Contracts that contends that a Cure Payment is due shall be required to state the amount allegedly necessary to cure by filing and serving an objection on counsel for the Debtor prior to

the Confirmation Hearing and stating, in its objection, with specificity, the Cure Payment that such party believes is required (with appropriate documentation in support thereof). Any party to assumed Contracts that has not timely filed with the Bankruptcy Court and served on counsel for the Debtor prior to the Confirmation Hearing an appropriate objection shall be deemed to have waived any right to further assert that any Cure Payment is due. If a timely and properly filed objection is made, the Cure Payment, if any, shall be determined, if necessary, at the Confirmation Hearing or at such other date noticed for hearing or as may be determined by the Bankruptcy Court.

D. Vesting of Assets and Retention of Claims and Causes of Actions Against Third Parties.

The Plan preserves all Causes of Action for the benefit of the Reorganized Debtor (with net recoveries therefrom to be funded into the General Unsecured Creditor's Pool) from and after the Effective Date of the Plan. The Debtor shall retain and have the exclusive right to enforce all Causes of Action including, without limitation, those under Chapter 5, and all avoidance actions under applicable non-Bankruptcy law that arose before the Effective Date. Provided that upon any subsequent conversion to a case under chapter 7, all assets vesting in the Reorganized Debtor, shall pass to the chapter 7 trustee as property of the chapter 7 estate subject to those Claims, Liens, and encumbrances as Allowed in this Plan.

PLEASE TAKE NOTICE THAT ALL CAUSES OF ACTION OF THE DEBTOR AND ITS ESTATE, WHETHER OR NOT SPECIFIED HEREIN, WILL BE PRESERVED PURSUANT TO THE PLAN. THE LACK OF DISCLOSURE OF ANY PARTICULAR CAUSE OF ACTION SHALL NOT CONSTITUTE, NOR BE DEEMED TO CONSTITUTE, A RELEASE OR WAIVER OF SUCH CAUSE OF ACTION, AS THE DEBTOR INTENDS FOR THE PLAN TO PRESERVE SAME FOR PROSECUTION BY THE DEBTOR AFTER THE EFFECTIVE DATE.

E. Settlement of Claims against Muhammad al-Amin.

Prepetition, Debtor's former principal received several payments pursuant to an alleged loan or loans. At least one of Debtor's creditors has alleged that the payments are subject to avoidance under sections 547 or 548 the Bankruptcy Code. In evaluating these claims and the potential for collection, the Reorganized Debtor has determined to release and settle all claims held by the Debtor in exchange for a cash payment from Mr. al-Amin in the amount of \$25,000. The Reorganized Debtor believes this is in the best interest of the estate for the following reasons: 1) Mr. al-Amin will continue to provide management services which are necessary for the transition and exit from bankruptcy for the Reorganized Debtor, 2) Mr. al-Amin appears to be judgment proof with no known assets from which to collect, 3) Mr. al-Amin has asserted defenses which would necessitate the associated costs of litigation and attorney's fees to adjudicate the avoidance claims and 4) the Reorganized Debtor is aware of at least one other creditor that holds a judgment against Mr. al-Amin in excess of \$1,500,000.00. Thus, collection and recovery on these claims would be difficult.

F. Contested Claims.

[1] Estimated Claims

Except as otherwise provided herein, the Court may estimate for purposes of allowance pursuant to § 502[c], Bankruptcy Code, [i] any Contested Claim or unliquidated Claim, or [ii] any portion or part of any Claim that is, itself, unliquidated. Any Estimation Order, to the extent it becomes a Final Order, shall determine the amount of the Allowed Claim so estimated.

[2] Establishment of Contested Claims Reserve. Notwithstanding any other provision of this Plan, no assets or property shall be distributed under this Plan on account of any Contested Claim. For all Contested Claims, the Reorganized Debtor shall establish and hold, in trust, distributions to be made on account to the holders of Contested Claims [each such reserve being herein called a “Contested Claims Reserve”] with respect to each Claim for which there exists a Contested Claim, and shall place in each Contested Claims Reserve the assets and property to be distributed on account of such Contested Claims pursuant to this Plan, pending Allowance or Disallowance of such Claim. Pending entry of a Final Order concerning a Contested Claim, the Reorganized Debtor shall pay into the Contested Claims Reserve all payments provided for under this Plan pursuant to any Allowed Claim which would have been required to be delivered to the claimant absent a Contested Claim. Cash held in any Contested Claims Reserve shall be held in a segregated interest-bearing trust account. To the extent practicable, the Reorganized Debtor may invest the Cash in any Contested Claims Reserve in a manner that will yield a reasonable net return, taking into account the safety of the investment.

[3] Determination of Contested Claims Reserve. The Bankruptcy Court may, at any time, determine for each Claim, the amount of assets and property sufficient to fund each Contested Claims Reserve in full with respect to any such class. The Bankruptcy Court may estimate and determine by an Estimation Order the Estimated Amount of Claims in any unsecured class for which a Contested Claims Reserve has been established. Any unsecured claimant holding a Contested Claim so estimated will have recourse only to undistributed assets and property in the Contested Claims Reserve for the class in which such Contested Claim has been placed and not to any other assets or property, should the Allowed Claim of such claimant, as finally determined by a Final Order, exceed such Estimated Amount.

[4] Return of Assets. Except as otherwise provided herein, all assets and properties [and all interest payments and dividends previously paid in connection therewith] in any Contested Claims Reserve for any class of Claims remaining after the resolution of all disputes relating thereto shall be returned to the Reorganized Debtor for distribution in accordance with this Plan.

[4] Withholding of Taxes. The Reorganized Debtor shall withhold from any assets and property distributed under this Plan any assets and or property which must be withheld for federal, state and local taxes payable by the Entity entitled to such property to the extent required by applicable law.

G. Distributions.

Except as otherwise provided in this Plan, any distributions and deliveries to be made

under the Plan shall be made as soon as practicable after closing on the sale to the successful bidder at the Auction, as funds are available, or as the Bankruptcy Court may order.

Subject to Bankruptcy Rule 9010, distributions to holders of Allowed Claims shall be made at the address of each such holder as set forth on the proofs of Claim filed by such holders [or at the last known address of such a holder if no proof of Claim is filed or if the Disbursing Agent has been notified in writing of a change of address]. If any holder's distribution is returned as undeliverable, no further distributions to such holder shall be made unless and until the Disbursing Agent is notified in writing of such holder's then current address, at which time all missed distributions shall be made to such holder without interest. After the first anniversary of the Effective Date, all unclaimed property shall revert to the Disbursing Agent or any successor thereto, and the claim of any holder with respect to such property shall be discharged and forever barred.

H. Time Bar to Cash Payments.

Checks issued by Disbursing Agent in respect of Allowed Claims shall be null and void if not negotiated within six months after the date of issuance thereof. Requests for reissuance of any check shall be made directly to the Disbursing Agent by the holder of the Allowed Claim with respect to which such check originally was issued. Any claim in respect of such a voided check shall be made on or before the later of [1] the first anniversary of the Effective Date or [2] 90 days after the date of reissuance of such check. After such date, all claims in respect of void checks shall be discharged and forever barred.

I. Objection Deadline.

As soon as practicable, but in no event later than sixty [60] days after the Effective Date, unless otherwise ordered by the Bankruptcy Court, objections to Claims shall be filed with the Bankruptcy Court and served upon the holders of each of the Claims to which objections are made. Notwithstanding the foregoing sentence, as to any Claim which is filed after the Effective Date, an objection to such Claim shall be filed on or before sixty [60] days after the date on which such Claim is filed.

J. No Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, no payment or distribution shall be made with respect to the disputed portion of any Claim to the extent it is a Contested Claim unless and until such Contested Claim becomes an Allowed Claim. Payments and distributions to each holder of a Contested Claim, to the extent that such Claim ultimately becomes an Allowed Claim, shall be made in accordance with the provisions of the Plan governing the class of Claims to which the respective holder belongs.

K. Claims on File; No Allowance of Untimely Claims.

The Debtor is relying on the formal proofs of Claims on file and the Debtor's Schedules currently on file in seeking confirmation of the Plan. No informal proof of claim shall be

deemed to have been filed in this Case.

L. Tasacom Technologies, Inc.

Tasacom is a privately held IT consulting company and solutions provider that was established in 2007. Tasacom is headquartered in Dallas, Texas and specializes in Mobile Technologies, Software Development, Data Warehousing, Business Intelligence, IT Staffing Solutions, etc. Tasacom serves Fortune 500, mid-market, and emerging companies from a wide variety of industries, including financial services, government services, communications, technology, healthcare, energy, utilities and others. In 2016 and 2017, Tasacom had between \$6,000,000 and \$8,000,000 in gross revenues per annum.

It is anticipated that Tasacom will form a new LLC that will serve as the General Partner of the Reorganized Debtor as well as establish new limited partner(s).

M. Management of the Reorganized Debtor.

Sanjeev Jain is the Senior Vice President of Tasacom, and Mr. Jain will have sole executive authority to act on behalf of the Reorganized Debtor. Upon confirmation of the Plan, it is contemplated that an employment offer will be made to Mr. al-Amin to serve as the General Manager of the Reorganized Debtor to aid in the transition and restructuring of the business. The anticipated salary of Mr. al-Amin is \$150,000.00 plus commission based on revenue and performance.

VI. RETENTION OF JURISDICTION

A. Scope of Jurisdiction.

Pursuant to sections 1334 and 157 of title 28 of the United States Code, until the time that an order is entered closing the Chapter 11 Case, the Bankruptcy Court shall retain and have jurisdiction over all matters arising in, arising under and related to the Chapter 11 Case and the Plan. Without limitation, the Bankruptcy Court shall retain jurisdiction for the following specific purposes after the Confirmation of this Plan:

- to modify this Plan pursuant to the Bankruptcy Rules and the Bankruptcy Code;
- to enforce and interpret the terms and conditions of this Plan;
- to enter such orders, including injunctions, as are necessary to enforce the title, rights, and powers of the parties provided authority under the Plan;
- to enter an order concluding and terminating the Chapter 11 Case;
- to correct any defect, cure any omission, or reconcile any inconsistency in this Plan, or the Confirmation Order as may be necessary, consistent with the requirements of the Bankruptcy Code and Bankruptcy Rules to carry out the purposes and intent of this Plan, including the adjustment of the date[s] of performance under this Plan in the event the Effective Date does not occur as provided herein, so that the intended effect of this Plan may be substantially realized thereby;
- to approve all Fee Claims;

- to hear and determine any causes of action arising prior to the Effective Date or thereafter or in any way related to this Plan or the transactions contemplated hereby;
- to determine any and all applications pending on the Confirmation Date for the rejection, assumption or assignment of Contracts and the allowance of any Claim resulting therefrom;
- to determine such other matters and for such other purposes as may be provided in the Confirmation Order;
- to hear and determine any and all adversary proceedings, applications, and contested matters, including any remands of appeals;
- to hear and enter final judgments in adversary proceedings which involve a Cause of Action retained by the Debtor;
- to ensure that distributions to holders of Allowed Claims are accomplished as provided herein;
- to hear and determine any timely objections to or applications concerning Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, or Interest;
- to enter and implement such orders as may be necessary or appropriate in the event the Confirmation Order is for any reason stayed, revoked, modified, reversed, or vacated;
- to enter and implement such orders as may be necessary or appropriate to execute, interpret, implement, consummate, or enforce the Plan and the transactions contemplated thereunder including the Auction and the sale of the Auctioned Property;
- to hear and determine matters concerning state, local, and federal taxes in accordance with §§ 346, 505, and 1146, Bankruptcy Code;
- to enter Estimation Orders; and
- to enforce the injunctions in the Plan.

B. Failure of the Bankruptcy Court to Exercise Jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under or related to this Case, including the matters set forth in the Plan, this Plan shall have no effect upon and shall not control, prohibit or limit the exercise of jurisdiction by any other court having jurisdiction with respect to such matter.

VII. MISCELLANEOUS PROVISIONS

A Discharge.

Except as otherwise provided in this Plan, entry of the Confirmation Order shall discharge all existing debts and Claims of any kind, nature or description whatsoever against the Debtor or any of its assets or properties to the fullest extent permitted by section 1141 of the Bankruptcy Code, including but not limited to Claims based upon any act or omission, transaction or other activity of any kind or nature that occurred prior to the Effective Date and all debts of the kind specified in sections 502[g], 502[h] or 502[i] of the Bankruptcy Code, whether or not [a] a Proof of Claim based upon such debt is filed or deemed filed under section 501 of the Bankruptcy Code; [b] a Claim based upon such debt is allowed under section 502 of the

Bankruptcy Code; or [c] the holder of a Claim has accepted the Plan. As provided in section 524 of the Bankruptcy Code, the discharge shall void any judgment against the Debtor at any time obtained to the extent it relates to a Claim discharged and operates as an injunction against the prosecution of any action against the Debtor or any of its property, to the extent it relates to a Claim discharged. Notwithstanding anything to the contrary, this Section 12.2 does not enjoin creditors from enforcing their rights under the Plan and does not apply to post-petition ad valorem taxes.

B. Injunctions.

The Confirmation Order shall contain such injunctions as may be necessary and helpful to effectuate the discharge of the Debtor provided herein. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SUCH INJUNCTION SHALL INCLUDE AN ABSOLUTE PROHIBITION FROM COLLECTING CLAIMS OR ASSERTING CONTROL OF PROPERTY OF THE ESTATE AS IT HAS REVESTED IN THE REORGANIZED DEBTOR PURSUANT TO THE PLAN IN ANY MANNER OTHER THAN AS PROVIDED FOR IN THE PLAN. Provided however, that parties to assumed Contracts shall not be enjoined from pursuing their rights and remedies under such Contracts and may exercise their rights and remedies in accordance with the terms and conditions of such Contracts.

C. De Minimis Distributions.

No distribution of less than \$25.00 shall be made to any holder of an Allowed Claim.

D. Payment of Statutory Fees.

The Disbursing Agent shall be responsible for the timely payment of fees incurred pursuant to 28 U.S.C. § 1930[a][6] until the clerk of the Bankruptcy Court closes the Chapter 11 Case. The Disbursing Agent shall file with the Court and serve upon the U.S. Trustee a quarterly financial report for each quarter [or portion thereof] that the Chapter 11 Case remains open in a format prescribed by the U.S. Trustee.

E. Modification of Plan.

Modifications of the Plan may be proposed in writing by the Debtor at any time before the Confirmation Date, provided that [a] the Plan, as modified, meets the requirements of sections 1122 and 1123 of the Bankruptcy Code and [b] the Debtor shall have complied with section 1125 of the Bankruptcy Code. The Plan may be modified at any time after the Confirmation Date and before substantial consummation, provided that [i] the Plan, as modified, meets the requirements of sections 1122 and 1123 of the Bankruptcy Code, [ii] the Bankruptcy Court, after notice and a hearing, confirms the Plan as modified, under section 1129 of the Bankruptcy Code and [iii] the circumstances warrant such modifications. A holder of a Claim that has accepted or rejected the Plan shall be deemed to have accepted or rejected, as the case may be, such Plan as modified, unless, within the time fixed by the Bankruptcy Court, such holder changes its previous acceptance or rejection.

F. Severability.

Should the Bankruptcy Court determine that any provision of the plan is unenforceable either on its face or as applied to any claim or transaction, the Debtor may modify the plan in accordance with the Bankruptcy Code so that such provision shall not be applicable to the holder of any claim. Such a determination of unenforceability shall not [1] limit or affect the enforceability and operative effect of any other provision of the plan or [2] require the resolicitation of any acceptance or rejection of the plan.

G. Integration Clause.

This Plan is a complete, whole, and integrated statement of the binding agreement between the Debtor, creditors, and the parties in interest upon the matters herein.

I. Setoff Rights

In the event that the Debtor has a claim of any nature whatsoever, including but not limited to a 11 U.S.C. 506[c] claim, against the holder of a Claim, the Debtor may, but is not required to, setoff against the Claim [and any payments or other distributions to be made in respect of such Claim hereunder], subject to the provisions of section 553 of the Bankruptcy Code. Neither the failure to setoff nor the allowance of any Claim under the Plan shall constitute a waiver or release by the Debtor of any claim that the Debtor may have against the holder of a Claim.

J. Pre-Petition Date Lawsuits/Insurance

On the Effective Date, lawsuits, litigations, administrative actions or other proceedings, judicial or administrative, in connection with the assertion of a Claim shall be dismissed as to the Reorganized Debtor; provided however, if an appeal or post judgment of any such matter is pending as of the Confirmation Date, the Claim shall be determined by the court[s] in which such case is pending; provided further that if such case is reversed or remanded to the trial court, the Claim shall be asserted and finally determined by the Bankruptcy Court.

Dismissals of proceedings provided herein shall be with prejudice to the assertion of such Claim in any manner other than as prescribed by the Plan. All parties to any such action shall be enjoined by the Bankruptcy Court in the Confirmation Order from taking any action to impede the immediate and unconditional dismissal of such actions. Confirmation and consummation of the Plan shall have no effect on insurance policies of the Debtor in which the Debtor are or were the insured party; the Reorganized Debtor shall become the insured party under any such policies. Each insurance company is prohibited from, and the Confirmation Order shall include an injunction against, denying, refusing, altering or delaying coverage on any basis regarding or related to the Debtor's bankruptcy, the Plan or any provision within the Plan, including the treatment or means of liquidation set out within the Plan.

K. Post-Effective Date Fees and Expenses of Professional Persons.

Except as provided in this Plan, after the Effective Date, the Reorganized Debtor shall, in the ordinary course of business and without the necessity for any approval by the Bankruptcy Court, pay the reasonable fees and expenses of the Professional Persons employed by the Reorganized Debtor, related to the implementation and consummation of the Plan, provided, however, that no such fees and expenses shall be paid except upon receipt by the Reorganized Debtor of a written invoice, which invoice shall also be served upon counsel for the Debtor, and the United States Trustee, by the Professional Person seeking fees and expense reimbursement and provided, further, however, that the Reorganized Debtor may, within 10 days after receipt of an invoice for fees and expenses, request the Bankruptcy Court to determine any such request and the Bankruptcy Court shall have jurisdiction to do so. In such event, the Bankruptcy Court shall apply the same standard for approval of fees and expenses as applied throughout the Chapter 11 Case.

L. Bankruptcy Restrictions.

From and after the Effective Date, the Reorganized Debtor shall no longer be subject to the restrictions and controls provided by the Bankruptcy Code [*e.g.*, section 363 or 364]. The Reorganized Debtor may conduct its affairs in such manner as is consistent with Entities not in bankruptcy without the need of seeking Bankruptcy Court approval. No monthly operating reports will be filed after the Effective Date; however, the Reorganized Debtor shall provide the U.S. Trustee such financial reports as the U.S. Trustee may reasonably request until the entry of a final decree.

M. Binding Effect.

The Plan shall be binding upon and inure to the benefit of the Debtor, the holders of Claims and their respective successors and assigns; provided, however, that if the Plan is not confirmed, the Plan shall be deemed null and void and nothing contained herein shall be deemed [i] to constitute a waiver or release of any Claims by the Debtor, or any other Entity, [ii] to prejudice in any manner the rights of the Debtor, or any other Entity, or [iii] to constitute any admission by the Debtor, or any other Entity.

N. Governing Law.

Unless a rule of law or procedure is supplied by federal law [including the Bankruptcy Code and Bankruptcy Rules], the internal laws of the State of Texas shall govern the construction and implementation of the Plan and any agreements, documents and instruments executed in connection with the Plan or the Chapter 11 Case, except as may otherwise be provided in such agreements, documents and instruments.

O. Creditor Defaults.

Any act or omission by a creditor in contravention of a provision within this Plan shall be deemed an event of default under this Plan. Upon an event of default, the Reorganized Debtor may seek to hold the defaulting party in contempt of the Confirmation Order. If such creditor is found to be in default under the Plan, such party shall pay the reasonable attorneys' fees and costs of the Reorganized Debtor in pursuing such matter. Furthermore, upon the finding of such a default by a creditor, the Bankruptcy Court may [a] designate a party to appear, sign and/or accept the documents required under the Plan on behalf of the defaulting party, in accordance with Federal Rule of Civil Procedure 70 or [b] make such other order as may be equitable which does not materially alter the terms of the Plan as confirmed. Save and except with respect to Ad Valorem Taxing Authorities, upon the payment in full of any Allowed Secured Claim as provided under this Plan, the holder of such Allowed Secured Claim shall execute, deliver and file a release of all liens and security interests securing its Allowed Secured Claim within forty-five [45] days of such payment and in the event it fails to do so, shall, as liquidated damages, pay to the Debtor a sum in cash equal to the greater of \$3,000 or the Debtor's actual costs of enforcing this provision.

P. Default by the Debtor.

In the event that the holder of an Allowed Claim asserts that the Reorganized Debtor is in default of its obligations under the Plan (other than a default under Section 4.1[f] of the Plan), such creditor must provide the Debtor with written notice ["Notice"] of such default to the following address: 1126 Commerce Drive, Suite 1126, Richardson, Texas 75081 via overnight mail or similar same-day or express delivery. If the default asserted in the Notice remains uncured on the fifteenth [15th] day from the date on which such Notice is sent, the holder of such Allowed Claim may pursue any rights or remedies it may have under applicable non-bankruptcy law, whether state, federal or otherwise.

Q. Exculpations.

Neither Tasacom, the Reorganzied Debtor, nor its agents or attorneys, shall have or incur any liability to any holder of a Claim for any act, event or omission in connection with, or arising out of, the Chapter 11 Case, the confirmation of the Plan, the consummation of the Plan or the administration of the Plan or the property to be distributed under the Plan, except for willful misconduct or gross negligence.

R. Releases of Lien Upon Payment.

Upon the payment in full of any Allowed Secured Claim as provided under this Plan, the holder of such Allowed Secured Claim shall execute, deliver and file a release of all liens and security interests securing its Allowed Secured Claim within forty-five [45] days of such payment unless this Plan provides a shorter time period for same.

C. Alternatives to the Plan.

There are two alternative methods to resolving the Chapter 11 Case: conversion to a Chapter 7, or dismissal. Tasacom explored various options and reviewed the Debtor’s operational history. Based on that review, Tasacom believes it is unlikely that either alternative would afford creditors the returns expected pursuant to this Plan. Further, a Chapter 7 Trustee would not be able to make any distribution to creditors until all assets of the Debtor were liquidated and all claims resolved. That process could take 18 – 24 months, as opposed to this Plan which proposes to begin distributions immediately as set forth in more detail above.

D. Liquidation Analysis.

Based on the Allowed Secured Claims of holders of Class 2 and Class 3 Claims, Tasacom does not believe that any holder of an Allowed General Unsecured Claim would receive any distribution in the event of a liquidation.
