# ARTICLE I: INTRODUCTION

#### **Identity of the Debtor**

**1.01.** Khan Group, LLC ("Debtor"), filed a voluntary petition for reorganization under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. Section 101, et seq. ("Code") on July 31, 2017 in the United States Bankruptcy Court for the Northern District of Texas, Dallas Division ("Court"), initiating the above-styled and referenced bankruptcy proceeding. The Debtor operates an economy hotel in the Sweetwater, Texas area. The Debtor is operating its business as Debtorin-Possession pursuant to Sections 1107 and 1108 of the Code.

### Purpose of Disclosure Statement; Source of Information

**1.02.** The Debtor submits this Disclosure Statement pursuant to Section 1125 of the Code to all known Claimants of Debtor for the purpose of disclosing that information which the Court has determined is material, important, and necessary for Creditors of, and the Members of, Debtor in order to arrive at an intelligent, reasonably informed decision in exercising the right to vote for acceptance or rejection of the Debtor' Plan. A copy of the Plan is attached hereto as **Exhibit "A"** and incorporated herein by this reference. The Plan sets forth in detail the repayment arrangement between the Debtor and its creditors. This Disclosure describes the operations of the Debtor contemplated under the Plan. Any accounting information contained herein has been provided by the Debtor and has been prepared using the cash method of accounting.

## **Explanation of Chapter 11**

1.03. Chapter 11 is the principal reorganization chapter of the Code. Pursuant to Chapter 11, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a Plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A Plan of reorganization sets forth the means for satisfying claims against and interests in the Debtor. After a Plan of reorganization has been filed, it must be accepted by holders of claims against, or interests in, the Debtor. Section 1125 of the Code requires full disclosure before solicitation of acceptances of a Plan of reorganization. This Disclosure Statement is presented to Claimants to satisfy the requirements of Section 1125 of the Code.

#### **Explanation of the Process of Confirmation**

- **1.04.** Even if all Classes of Claims accept the Plan, its confirmation may be refused by the Court. Section 1129 of the Code sets forth the requirements for confirmation and, among other things, requires that a Plan of reorganization be in the best interests of Claimants. It generally requires that the value to be distributed to Claimants and Equity Interest Holders may not be less than such parties would receive if the Debtor were liquidated under Chapter 7 of the Code.
- 1.05. Acceptance of the Plan by the Creditors and Equity Interest Holders is important. In order for the Plan to be accepted by each class of claims, the creditors that hold at least two thirds (2/3) in amount and more than one-half (1/2) in number of the allowed claims actually voting on the Plan in such class must vote for the Plan and the equity interest holders that hold at least two thirds (2/3) in amount of the allowed interests actually voting on the Plan in such class must vote for the Plan. Chapter 11 of the Code does not require that each holder of a claim against, or interest in, the Debtor vote in favor of the Plan in order for it to be confirmed by the Court. The Plan, however, must be accepted by: (i) at least the holder of one (1) class of claims by a majority in number and two-thirds (2/3) in amount of those claims of such class actually voting; or (ii) at least the holders of one (1) class of allowed interests by two-thirds (2/3) in amount of the allowed interests of such class actually voting.
- **1.06.** The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a Plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.
- **1.07.** Confirmation of the Plan discharges the Debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the Plan and Section 1141(d) of the Code. Confirmation makes the Plan binding upon the Debtor and all claimants and other parties-in-interest, regardless of whether or not they have accepted the Plan.

### **Voting Procedures**

- **1.08.** <u>Unimpaired Class</u>. Classes 1-5 are not Impaired Classes.
- **1.09.** <u>Impaired Classes</u>. The Class 6-11 Claimants are impaired as defined by Section 1124 of the Code. The Debtor are seeking the acceptance of the Plan by Claimants in Classes. Each holder of an Allowed Claim in Classes 6-10 may vote on the Plan by completing, dating and signing the ballot sent to each holder and filing the ballot as set forth below. One ballot will be sent to each Claimant eligible to vote on the Plan. For all Classes, the ballot must be returned to the Debtor's attorney, Joyce W. Lindauer, 12720 Hillcrest Road, Suite 625, Dallas, Texas 75230 (972) 503-4033 telephone, (972) 503-4034 facsimile. In order to be counted, ballots must be RECEIVED no later than at the time and on the date stated on the ballot.
- **1.10.** <u>Acceptances.</u> Ballots that are signed and returned but fail to indicate either an acceptance or rejection will not be counted.

#### **Best Interests of Creditors Test**

1.11. Section 1129(a)(7) of the Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b)(2) of the Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Court must determine that the Plan is in the best interests of the Debtor's creditors.

Accordingly, the proposed Plan must provide the Debtor's creditors with more than they would receive in a Chapter 7 liquidation. Accordingly, since the Plan proposes to pay all secured and priority creditors in full and the unsecured creditors a dividend, Debtor believes that the creditors are receiving as much as they would receive in a Chapter 7 liquidation. Without the continued operation of the Debtor's business there would be no funds to pay unsecured creditors any amount of the Allowed Claims. A liquidation analysis is provided in Article IV. Accordingly, the Debtor contends that the Plan satisfies the requirements of Section 1129(a)(7).

#### **Cramdown**

**1.12.** The Court may confirm the Plan even though less than all of the classes of claims and interests accept it. The requirements for confirmation of a Plan over the objection of one or more classes of claims or interests are set forth in Section 1129(b) of the Code.

Accordingly, Debtor, as the Plan proponent, requests the Court to determine that the Plan does not discriminate unfairly, and is fair and equitable with respect to any objecting creditor. A discussion of the specific requirements for Cramdown of a Plan are set forth starting below.

### **Definition of Impairment**

1.13. As set forth in section 1124 of the Bankruptcy Code, a class of claims or equity interests is impaired under a Plan of reorganization unless, with respect to each claim or equity interest of such class, the Plan: (a) leaves unaltered the legal, equitable, and contractual rights of the holder of such claim or equity interest; or (b) notwithstanding any contractual provision or applicable law that entitles the holder of a claim or equity interest to demand or receive accelerated payment of such claim or equity interest after the occurrence of a default: (i) cures any such default that occurred before or after the commencement of the case under the Bankruptcy Code, other than a default of a kind specified in section 365(b)(2) of the Bankruptcy Code; (ii) reinstates the maturity of such claim or interest as it existed before such default; (iii) compensates the holder of such claim or interest for any damages incurred as a result of any reasonable reliance on such contractual provision or such applicable law; and (iv) does not otherwise alter the legal, equitable or contractual rights to which such claim or interest entitles the holder of such claim or interest.

### **Classification and Treatment of Claims and Interests**

- **1.14.** The Plan classifies Claims separately in accordance with the Bankruptcy Code and provides different treatment for different classes of Claims.
- 1.15. Only holders of Allowed Claims are entitled to receive distributions under the Plan. Allowed Claims are Claims that are not in dispute, are not contingent, are liquidated in amount, and are not subject to objection or estimation. Initial distributions or other transfers of Cash or other consideration specified in the Plan otherwise available to the holders of Allowed Claims will be made on the Effective Date, or (b) the date on which such Claim becomes an Allowed Claim, as otherwise provided in the Plan, or as may be ordered by the Bankruptcy Court.
- **1.16**. In accordance with the Plan, unless otherwise provided in the Plan or the Confirmation Order, the treatment of any Claim under the Plan will be in full satisfaction, settlement, release, and discharge of and in exchange for each and every Claim.

#### Requirements for Confirmation of the Plan

- **1.17.** At the confirmation hearing, the Bankruptcy Court must determine whether the Bankruptcy Code's requirements for confirmation of the Plan has been satisfied, in which event the Bankruptcy Court will enter an order confirming the Plan. As set forth in section 1129 of the Bankruptcy Code, these requirements are as follows:
  - (1) The Plan complies with the applicable provisions of the Bankruptcy Code.
  - (2) The proponents of the Plan comply with the applicable provisions of the Bankruptcy Code.
  - (3) The Plan has been proposed in good faith and not by any means forbidden by law.

- (4) Any payment made or to be made by the Plan proponent, by the Debtor or by a person issuing securities or acquiring property under the Plan, for services or for costs and expenses in or in connection with the case, or in connection with the Plan and incident to the case, has been approved by, or is subject to the approval of, the court as reasonable.
- (5) (A) (i) The proponent of the Plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the Plan, as a director, officer, or voting trustee of the Debtor, an affiliate of the Debtor participating in a joint Plan with the Debtor, or a successor to the Debtor under the Plan; and (ii) the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policy; and (B) the proponent of the Plan has disclosed the identity of any insider that will be employed or retained by the reorganized Debtor, and the nature of any compensation for such insider.
- (6) Any governmental regulatory commission with jurisdiction, after confirmation of the Plan, over the rates of the Debtor has approved any rate change provided for in the Plan, or such rate change is expressly conditioned on such approval.
- (7) With respect to each impaired class of claims or interests: (i) each holder of a claim or interest of such class has (A) accepted the Plan or (B) will receive or retain under the Plan on account of such claim or interest property of a value, as of the effective date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor were liquidated on such date under chapter 7 of the Bankruptcy Code on such date; or (ii) if section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, the holder of a claim of such class will receive or retain under the Plan on account of such claim property of a value, as of the effective date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims.
- (8) With respect to each class of claims or interests: (i) such class has accepted the Plan; or (ii) such class is not impaired under the Plan.
- (9) Except to the extent that the holder of a particular claim has agreed to a different treatment of such claim, the Plan provides that: (i) with respect to a claim of a kind specified in section 507(a)(1) or 507(a)(2) of the Bankruptcy Code, on the effective date of the Plan, the holder of such claim will receive on account of such claim cash equal to the allowed amount of such claim; (ii) with respect to a class of claims of a kind specified in section 507(a)(1), 507(a)(4), 507(a)(5), 507(a)(6) or 507(a)(7) of the Bankruptcy Code, each holder of a claim of such class will receive: (i) if such class has accepted the Plan, deferred cash payments of a value, as of the effective date of the Plan, equal to the allowed amount of such claim; or (ii) if such class has not accepted the Plan, cash on the effective date of the Plan equal to the allowed amount of such claim; and (iii) with respect to a claim of a kind specified in section 507(a)(7) of the Bankruptcy Code, the holder of a claim will receive on account of such claim, regular installments in cash of a total value, as of the effective date of the Plan, equal to the allowed amount of such claim; over a period ending not later than 5 years after the date of the order for relief under section 301, 302 or 303; and in a manner not less favorable than the most favored non-priority unsecured claim provided for

by the Plan (other than cash payments made to any class of creditors under section 1122(b)); and with respect to a secured claim which would otherwise meet the description of an unsecured claim of a governmental unit under section 507(a)(8), but for the secured status of that claim, cash payments of a total value, as of the effective date of the Plan, equal to the allowed amount of such claim; over a period ending not later than 5 years after the date of the order for relief under section 301, 302 or 303; and in a manner not less favorable than the most favored non-priority unsecured claim provided for by the Plan (other than cash payments made to any class of creditors under section 1122(b)).

- (10) If a class of claims is impaired under the Plan, at least one class of claims that is impaired has accepted the Plan, determined without including any acceptance of the Plan by any insider holding a claim of such class.
- (11) Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the Plan, unless such liquidation or reorganization is proposed in the Plan.
- (12) All fees payable under 28 U.S.C. § 1930, as determined by the Bankruptcy Court at the hearing on confirmation of the Plan, has been paid or the Plan provides for the payments of all such fees on the effective date of the Plan.
- (13) The Plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e)(1)(B) or (g) of section 1114, at any time prior to confirmation of the Plan, for the duration of the period the Debtor has obligated itself to provide such benefits.

The Debtor believes that the Plan satisfies all the statutory requirements of Chapter 11 of the Bankruptcy Code, that the Debtor has complied with or will has complied with all the requirements of Chapter 11, and that the Plan is proposed in good faith. At the Confirmation Hearing, the Bankruptcy Court will determine whether holders of Allowed Claims or Allowed Equity Interests would receive greater distributions under the Plan than they would receive in liquidation under chapter 7.

The Debtor believes that the feasibility requirement for confirmation of the Plan is satisfied by the fact that the future operating revenues will be sufficient to satisfy the obligations under the Plan in addition to supporting sustainable growth of the company. These facts and others demonstrating the confirmability of the Plan will be shown at the Confirmation Hearing.

#### Cramdown

1.18. The bankruptcy court may confirm a Plan of reorganization even though fewer than all the classes of impaired claims and interests accept it. For a Plan of reorganization to be confirmed despite its rejection by a class of impaired claims or interests, the proponents of the Plan must show, among other things, that the Plan does not "discriminate unfairly" and that the Plan is "fair and equitable" with respect to each impaired class of claims or interests that has not accepted the Plan.

**1.19.** "Fair and equitable" has different meanings with respect to the treatment of secured and unsecured claims. As set forth in section 1129(b)(2) of the Bankruptcy Code, those meanings are as follows:

With respect to a class of secured claims, the Plan provides:

- (a) that the holders of such claims retain the liens securing such claims, whether the property subject to such liens is retained by the Debtor or transferred to another entity, to the extent of the allowed amount of such claims; and (ii) that each holder of a claim of such class receive on account of such claim deferred cash payments totaling at least the allowed amount of such claim, of a value, as of the effective date of the Plan, of at least the value of such holder's interest in the estate's interest in such property;
- (b) for the sale, subject to section 363(k) of the Bankruptcy Code, of any property that is subject to the liens securing such claims, free and clear of such liens, with such liens to attach to the proceeds of such sale, and the treatment of such liens on proceeds under clause (a) and (b) of this subparagraph; or
  - (c) the realization by such holders of the "indubitable equivalent" of such claims.

With respect to a class of unsecured claims, the Plan provides:

- (a) that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date of the Plan, equal to the allowed amount of such claim; or
- (b) the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the Plan on account of such junior claim or interest any property.

With respect to a class of interests, the Plan provides:

- (a) that each holder of an interest of such class receive or retain on account of such interest property of a value, as of the effective date of the Plan, equal to the greatest of the allowed amount of any fixed liquidation preference to which such holder is entitled, any fixed redemption price to which such holder is entitled or the value of such interest; or
- (b) that the holder of any interest that is junior to the interests of such class will not receive or retain under the Plan on account of such junior interest any property.
- **1.20.** In the event that one or more classes of impaired Claims or Equity Interests reject the Plan, the Bankruptcy Court will determine at the Confirmation Hearing whether the Plan is fair and equitable with respect to, and does not discriminate unfairly against, any rejecting impaired class of Claims. The Debtor believes that its unsecured creditors will vote for the Plan. SO LONG

AS THE CLASSES OF UNSECURED CREDITORS VOTE FOR THE PLAN THEN THE PLAN WILL NOT VIOLATE THE ABSOLUTE PRIORITY RULE. The absolute priority rule requires that prior to the Debtor retaining or receiving any property or interest the senior classes of claims must be paid in full or vote to accept the Plan.

The Debtor believes the Plan does not discriminate unfairly against, and is fair and equitable with respect to, each impaired class of Claims or Equity interests.

## ARTICLE III: FINANCIAL HISTORY AND BACKGROUND OF THE DEBTOR

**3.01.** Khan Group, LLC operates an economy hotel in the Sweetwater, Texas area. The Debtor is owned and operated by Sharif Khan.

#### **Events Leading to Chapter 11 Filing**

The Debtor owns and operates a Stay Express Inn & Suites economy motel in Sweetwater, Texas. Mr. Khan has been in the hospitality industry for more than 22 years and has experience in all areas of the hospitality industry. The Debtor has been operating as a Stay Express Inn & Suites Motel in Sweetwater, Texas since 2006. Most clientele of the motel are oil & gas workers, wind farm workers and farming workers.

In 2016, revenue dropped more than 70% due to decrease in oil price. By first quarter of 2016, Texas lost more than 84,000 oil and gas jobs as a result of the steep decline of oil prices. In addition, clean energy investments fell to \$287.5 billion, down 18% from a record high of \$384.5 billion in 2015. Central and West Texas, where the Debtor is located, suffered the most as a result of the economic down turn, and business in the area has steadily declined over the last 20/22 months. Loss of jobs and economic down turn reduced the number of guests/workers in Sweetwater. Subsequently, the motel property was not profitable during 2016 and early months of 2017.

The Debtor felt that due to this down turn they had no option but to file for a petition of relief under the bankruptcy code. Since the filing, the market area and guest numbers are improving. Due to the increased activity of oil production in West Texas and the oil prices stabilizing, the Debtor believes that with time they will be able to make a recovery, with the proposed adjustments.

## **Current Operations**

**3.02.** Since the Debtor has been in bankruptcy its current operations are described in the *Exhibit "B"*.

### Future Income and Expenses under the Plan

**3.03.** The Debtor's projections of Plan payments are set forth on *Exhibit "C"* attached hereto. Dollars to fund the Plan will come from the Debtor's continued business operations.

#### **Future Management of the Debtor**

**3.04.** The Plan contemplates the continued management and operation of the Debtor's business by Sharif Khan, the owner and manager of the Debtor. The Debtor will keep current its payments for post-petition payables as it has throughout this case.

# ARTICLE IV: ANALYSIS AND VALUATION OF PROPERTY

**4.01.** The Debtor Khan Group, LLC owns real and personal property described as follows as of the Petition Date:

Property	Value as of Petition Date
Real property – 701 SE Georgia (hotel) (CAD Value)	\$512,740.00
Real property – 2000 Lamar (closed gas station, being rented as storage) (CAD Value)	\$113,260.00
2013 Dodge Caravan (Blue Book Value)	\$4,000.00
Bank Accounts and Cash on Hand	\$7,584.46
Hotel furnishings	\$94,100.00
Office Furniture, Fixtures, and Equipment	\$300.00
Hotel equipment	\$1,375.00
Office Technology	\$2,390.00
TOTALS	\$735,749.46

## **Liquidation Analysis**

In order to confirm a plan of reorganization, one of the things that the Debtor must prove is that it is paying to Creditors at least the liquidation value—not the fair market value—of its assets. If the Debtor's assets were sold in a Chapter 7 case by a trustee on the Confirmation Date, in a forced liquidation scenario, rather than continuing its business operations called for by the Plan, the Debtor believes the Unsecured Creditors would not receive any payment, as illustrated below:

Because the Debtor's assets consist of both real and personal property that work together to create a hotel, normally the value of the personal property assets is absorbed into the value of the real property and considered as one unit. However, because real property and personal property liquidate at different prices, Debtor has broken these into separate line items for this liquidation analysis. If forced to liquidate in a rapid fashion, the Debtor contends that only about 75% of the real property's actual value would be realized, and hotel furnishings and equipment will likely receive only 10% of the value.

Debtor believes the Real Property at 701 SE Georgia to be worth less than the amount owed on it, somewhere in the range of \$950,000.00.

#### \$950,000.00 Liquidation Analysis

Liquidation Analysis – Debtor's Estimated Value	\$950,000.00

#### **\$1,300,000.00 Liquidation Analysis**

The Secured Creditor on the Hotel has an appraisal of the property for \$1.3 million, so the Debtor has also prepared a liquidation analysis using that figure, in the interests of demonstrating that under either scenario, reorganization is a superior option for unsecured creditors than liquidation.

Liquidation Analysis – Benevolent Management	\$1,300,000.00
Appraised Value	
Forced Liquidation of Real Property (hotel)	\$975,000.00
(75% of FMV – sale date 3/1/2018)

<b>Total Funds Available for Creditors</b>	\$988,511.00

Secured Lien of California Car Connection	(\$3,357.19)
<b>Balance Available for Priority and Unsecured Creditors</b>	(\$768,996.00)

All real and personal property of the Debtor are subject to liens from the Secured Creditors and the remaining assets have no significant value. Unsecured creditors would receive nothing in a liquidation.

The Debtor has prepared this Liquidation Analysis based on its opinion of the value of the assets. The Debtor is proposing to pay unsecured creditors \$72,000.00 over the life of the Plan, which is more than the Debtor believes unsecured creditors would receive in a Chapter 7. Since each holder of an unsecured claim will receive an amount that is not less than the amount that such holder would receive if the Debtor were liquidated under chapter 7, the Debtor believes the Plan has been proposed in good faith and is reasonable.

The Debtor believes that the Plan will not violate the absolute priority rule and will be consensual as to the unsecured creditors.

An auction procedure has been built into the Plan to assure the creditors that equity will not retain or receive any financial benefit without offering such benefit to third parties including the creditor body. The auction process is described in greater detail as follows:

Upon Confirmation of the Plan by the Bankruptcy Court, Khan Group LLC shall cancel all of its equity interests, as well as any options, warrants, calls, subscriptions, or other similar rights, agreements, or commitments, contractual or otherwise, obligating Khan Group LLC to issue, transfer, or sell any shares of equity interests. After cancellation, Khan Group, LLC and shall then issue new equity interests.

In the interest of ensuring that the Plan provides the greatest benefit to creditors and equity interest holders and in order to satisfy the requirements of the absolute priority rule, prior to the confirmation hearing for the Plan, Khan Group shall hold an equity auction for purchase of its newly-issued equity.

Subject to certain requirements described herein, all interested parties shall have the opportunity to purchase the reorganized Debtor's new equity at the Confirmation hearing pursuant to the following auction procedures:

- a. Any party interested in bidding to acquire the new equity interests must provide notice to Khan Group and its counsel ten (10) business days prior to the Confirmation hearing, and also attend the Confirmation hearing and advise the Bankruptcy Court at the commencement of the hearing of the party's interest in participating in the auction of the equity interests, at which point the Bankruptcy Court may direct that an auction be conducted prior to the continuation of the Confirmation hearing;
- b. The opening bid at any auction shall be by the existing equity interest holder in the amount of \$10,000.00 (the "Opening Bid"). The \$10,000.00 value of the Opening Bid was arrived at through the use of an analysis of the current market value of the combined total of each of the reorganizing Debtor's equity interests.

- c. Each subsequent bid following the Opening Bid must exceed any previous highest bid in an amount of at least \$1,000.00.
- d. Any party submitting a bid at the auction must have proof of funds to pay the party's bid at the auction;
- e. The reorganized Debtor's new equity interest shall be sold to the bidder submitting the highest non-contingent cash offer at the auction;
- f. The winning bidder must actually deposit the funds in the Debtor's bank account within 48 hours of the announcement of the winning bid, or be deemed to have defaulted on the purchase of the Debtor's equity.
- g. If the winning bidder at the auction fails to close on the purchase as set forth above, the party submitting the next highest bid shall be deemed the winning bidder;
- h. The prevailing party at the auction must assume all of the obligations of the Debtor under the Plan.
- i. The funds from the auction sale shall be deposited into the Debtor's account and used to fund the Plan including the payment of administrative claims.
- j. The Debtor shall solicit such bids by noticing the Plan out to creditors in this Case.

Furthermore, irrespective of who wins the equity auction, the equity auction shall only go into effect the Bankruptcy Court confirms the Plan. If the Bankruptcy Court does not confirm the Plan, then the Debtor shall not cancel its equity and any equity auction shall be null and void and have no effect as to the ownership of the Debtor. Further, if, after confirmation, the Bankruptcy Court revokes its confirmation of the Plan or the Bankruptcy Court's confirmation of the Plan is overturned on appeal, then the equity auction shall be null and void and have no effect, and the ownership of the equity of the respective Debtor shall remain with or revert to (as appropriate) the pre-confirmation owner.

The Debtor shall be responsible for making payments to the Classes 1-6 Creditor Classes. Projections for this Plan are attached to the Disclosure Statement and incorporated herein by this reference as if set forth in full for all purposes. No liens shall be preserved unless expressly reflected as continuing in this Plan.

The funds necessary for the satisfaction of the creditors' claims shall be generated from Debtor's continued business operations called for by this Plan.

## ARTICLE VII: TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

**7.01.** Assumption of Executory Contracts and Unexpired Leases. On the Effective Date, and to the extent permitted by applicable law, every executory contract and unexpired lease of the Debtor shall be deemed accepted unless such executory contract or unexpired lease (a) has been rejected pursuant an order of the Bankruptcy Court; (b) is identified in the Plan, a Plan Supplement or the Confirmation Order to be rejected; or (c) is the subject of a pending motion to assume filed on or before the Confirmation Hearing.

The contract with Hudson Energy shall be assumed on the Effective Date, with no separate motion required. Any pre-petition claim of Hudson Energy shall be treated as an administrative claim.

- **7.02.** Reservation of Rights. The Debtor has the right to assume or reject, pursuant to Bankruptcy Code 365, prior to the Confirmation Date, any executory contract or unexpired lease of real property (to the extent permitted under the Bankruptcy Code) and to the terms of this Plan. Neither the exclusion nor inclusion of any contract or lease in the Plan shall constitute an admission by the Debtor that any such contract or lease is in fact an executory contract or unexpired lease or that the Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtor or Reorganized Debtor, as applicable, shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease
- 7.03. Bar Date for Claims Based on Rejection. If the rejection of an executory contract or an unexpired lease by the Debtor results in damages to the other party or parties to such contract or lease, a Claim for such damages shall be forever barred and shall not be enforceable against the Debtor or its agents, successors, or assigns, unless a proof of Claim is filed with the Bankruptcy Court and served upon the Debtor, by the earlier of (a) the end of the month following the period in which the Effective Date occurs or (b) such other deadline as the Court may set for asserting a Claim for such damages. Any Rejection Claim arising from the rejection of an unexpired lease or executory contract shall be treated as a General Unsecured Claim; provided, however, that any Rejection Claim based upon the rejection of an unexpired lease or real property either prior to the Confirmation Date or upon the entry of the Confirmation Order shall be limited in accordance with section 502(b)(6) of the Bankruptcy Code and state law mitigation requirements. Nothing contained herein shall be deemed an admission by the Debtor that such rejection gives rise to or results in a Claim or shall be deemed a waiver by the Debtor of any objections to such Claim if asserted.

## ARTICLE VIII: FEASIBILITY OF PLAN

**8.01.** The **Debtor assert that this Plan** is feasible based on the information attached hereto as <u>Exhibit "C"</u> which summarizes the projected operations of the Debtor's business following confirmation of a Plan in this case.

- **8.03.** If Claimants have already filed a proof of claim with the Court or are listed in the Debtor's Schedules as holding non-contingent, liquidated, and undisputed claims, a proof of claim need not be filed. The schedules and amendments thereto are on file with the Court and are open for inspection during regular Court hours. If the equity security interest of an Equity Interest Holder is properly reflected in the Schedules of the Debtor, a proof of interest need not be filed.

## ARTICLE IX: ALTERNATIVES TO DEBTOR' PLAN

- **10.01.** If the Debtor's Plan is not confirmed, the Debtor's bankruptcy case may be converted to a case under Chapter 7 of the Code, in which case a trustee would be appointed to liquidate the assets of the Debtor for distribution to its Creditors in accordance with the priorities of the Code. Since the Debtor's primary assets are subject to liens there would be no distribution to unsecured creditors in Chapter 7.
- **10.02**. The Debtor has no avoidable transactions according to its pre-petition books and records.

# ARTICLE X: RISKS TO CREDITORS UNDER THE DEBTOR' PLAN

11.01. Claimants should be aware that there are a number of substantial risks involved in consummation of the Plan. The Plan contemplates that the Debtor's business will generate revenue sufficient to pay the obligations accruing from its operations. The Debtor does not "guarantee" that the expenses will equal those in the projections; however, the Debtor believes that the projections are reasonable, based on the Debtor's past and present business operations.

## ARTICLE XI: TAX CONSEQUENCES

12.01 Implementation of the Plan may result in federal income tax consequences to holders of claims and to the Debtor. Tax consequences to a particular Creditor may depend on the particular circumstances or facts regarding the Claim of the Creditor.

TO ENSURE COMPLIANCE WITH U.S. TREASURY DEPARTMENT CIRCULAR 230, HOLDERS OF CLAIMS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF UNITED STATES FEDERAL TAX ISSUES IN THIS DISCLOSURE STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED OR RELIED UPON, AND CANNOT BE USED OR RELIED UPON, BY HOLDERS OF CLAIMS OR INTERESTS OR ANY OTHER PERSONS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS OF CLAIMS OR ANY OTHER PERSONS UNDER THE INTERNAL REVENUE CODE; (B)

SUCH DISCUSSION IS INCLUDED HEREIN IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF U.S. TREASURY DEPARTMENT CIRCULAR 230) OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS OF CLAIMS AND INTERESTS SHOULD SEEK ADVICE BASED ON ITS PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

#### A. Introduction

The following discussion summarizes certain material U.S. federal income tax consequences of the Plan to the Debtor and holders of Claims and Interests. The summary is provided for general informational purposes only and is based on the United States Internal Revenue Code of 1986, as amended (the "Tax Code"), the treasury regulations promulgated thereunder, judicial authority and current administrative rulings and practice, all as in effect as of the date hereof (except as otherwise noted below with regard to the American Recovery and Reinvestment Act of 2009), and all of which are subject to change, possibly with retroactive effect. Changes in any of these authorities or in its interpretation could cause the United States federal income tax consequences of the Plan to differ materially from the consequences described below. The United States federal income tax consequences of the Plan are complex and in important respects uncertain. No ruling has been requested from the Internal Revenue Service; no opinion has been requested from Debtor's counsel concerning any tax consequence of the Plan; and no tax opinion is given by this Disclosure Statement.

The following discussion does not address all aspects of federal income taxation that may be relevant to a particular holder of a Claim or Interest in light of its particular facts and circumstances or to particular types of holders of Claims subject to special treatment under the Tax Code. For example, the discussion does not address issues of concern to broker-dealers or other dealers in securities, or foreign (non-U.S.) persons, nor does it address any aspects of state, local, or foreign (non-U.S.) taxation, or the taxation of holders of Interests in a Debtor. In addition, a substantial amount of time may elapse between the Confirmation Date and the receipt of a final distribution under the Plan. Events subsequent to the date of this Disclosure Statement, such as the enactment of additional tax legislation, court decisions or administrative changes, could affect the federal income tax consequences of the Plan and the transactions contemplated hereunder.

On February 13, 2009, the House of Representatives and the Senate passed H.R.1, the American Recovery and Reinvestment Act of 2009 (the Recovery Act), a stimulus bill that includes tax breaks for businesses and individuals. The President signed the Recovery Act on February 17, 2009. The following discussion does not address any aspects of the Recovery Act, some of which may be relevant to a particular holder of a Claim or an Interest.

THE DISCUSSION THAT FOLLOWS IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND PROFESSIONAL TAX ADVICE BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF A CLAIM OR INTEREST. EACH HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH ITS TAX ADVISORS REGARDING THE FEDERAL, STATE, LOCAL, AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

#### B. Certain Definitions

Except as expressly otherwise provided or unless the context otherwise requires, all capitalized terms not otherwise defined herein or in the Plan shall has the respective meanings assigned to them in this Article.

- "COD" shall mean cancellation of indebtedness income.
- "NOL" shall mean net operating loss.

#### C. Certain Material Federal Income Tax Consequences to the Debtor

Cancellation of a debtor's debt is generally taxable income to the Debtor. COD is the amount by which the indebtedness of a debtor discharged exceeds any consideration given in exchange therefore. Cancellation of a debt may not necessarily be COD, however. To the extent that the debtor is insolvent, or if the Debtor is in bankruptcy, as is the case here, the Tax Code permits the Debtor to exclude the COD from its gross income. The statutory exclusion for COD in a title 11 case generally excludes COD from gross income if the discharge is granted by a court to a Debtor under its jurisdiction in a title 11 case, as is sought herein.

The price for the bankruptcy COD exclusion (as well as the insolvency exclusion) is reduction of the Debtor's tax attributes to the extent of the COD income, generally in the following order: NOLs for the year of the discharge and NOL carryovers from prior years; general business tax credit carryovers; minimum tax credit available as of the beginning of the year following the year of discharge; net capital loss for the year of discharge and capital loss carryovers from prior years; basis of the Debtor's assets; passive activity loss and credit carryovers from the year of discharge; and foreign tax credit carryovers to or from the year of discharge. The reduction of attributes does not occur until after the end of the Debtor's tax year in which the COD occurred, so they are available to the Debtor in determining the amount of its income, loss and tax liability for the year of discharge.

The United States federal income tax consequences of payment of Allowed Claims pursuant to the Plan will depend on, among other things, the consideration received, or deemed to has been received, by the holder of the Allowed Claim, whether such holder reports income on the accrual or cash method, whether such holder receives distributions under the Plan in more than one taxable year, whether such holder's Claim is allowed or disputed at the Effective Date, whether such holder has taken a bad debt deduction or worthless security deduction with respect to its Claim.

In general, a holder of a Claim should recognize gain or loss equal to the amount realized under the Plan in respect of its Claim less the amount of such holder's basis in its Claim. Any gain or loss recognized in the exchange may be long-term or short-term capital gain or loss or ordinary income or loss, depending upon the nature of the Claim and the holder, the length of time the holder held the Claim and whether the Claim was acquired at a market discount. If the holder realizes a capital loss, its deduction of the loss may be subject to limitations under the Tax Code. The holder's aggregate tax basis for any property received under the Plan generally will equal the amount realized. The amount realized by a holder generally will equal the sum of the cash and the fair market value of any other property received (or deemed received) by the holder under the Plan

on the Effective Date and/or any subsequent distribution date, less the amount (if any) allocable to Claims for interest. All holders of Allowed Claims are urged to consult its tax advisors. A holder of a Claim constituting an installment obligation for tax purposes may be required to recognize currently any gain remaining with respect to the obligation if, pursuant to the Plan, the obligation is considered to be satisfied at other than its face value, distributed, transmitted, sold or otherwise disposed of within the meaning of Section 453B of the Tax Code.

## D. Importance of Obtaining Professional Tax Assistance

The foregoing discussion is intended only as a summary of certain U.S. federal income tax consequences of the Plan, and is not a substitute for careful tax planning with a tax professional. The above discussion is for general information purposes only and is not tax advice. The tax consequences are in many cases uncertain and may vary depending on a holder's individual circumstances. CLAIMANTS ARE URGED TO CONSULT ITS OWN TAX ADVISOR AS TO THE CONSEQUENCES OF THE PLAN TO THEM UNDER FEDERAL AND APPLICABLE STATE AND LOCAL TAX LAWS.

The Debtor believes that the Plan will not violate the absolute priority rule and will be consensual as to the unsecured creditors.

An auction procedure has been built into the Plan to assure the creditors that equity will not retain or receive any financial benefit without offering such benefit to third parties including the creditor body. The auction process is described in greater detail as follows:

Upon Confirmation of the Plan by the Bankruptcy Court, Khan Group LLC shall cancel all of its equity interests, as well as any options, warrants, calls, subscriptions, or other similar rights, agreements, or commitments, contractual or otherwise, obligating Khan Group LLC to issue, transfer, or sell any shares of equity interests. After cancellation, Khan Group, LLC and shall then issue new equity interests.

In the interest of ensuring that the Plan provides the greatest benefit to creditors and equity interest holders and in order to satisfy the requirements of the absolute priority rule, prior to the confirmation hearing for the Plan, Khan Group shall hold an equity auction for purchase of its newly-issued equity.

Subject to certain requirements described herein, all interested parties shall have the opportunity to purchase the reorganized Debtor's new equity at the Confirmation hearing pursuant to the following auction procedures:

- a. Any party interested in bidding to acquire the new equity interests must provide notice to Khan Group and its counsel ten (10) business days prior to the Confirmation hearing, and also attend the Confirmation hearing and advise the Bankruptcy Court at the commencement of the hearing of the party's interest in participating in the auction of the equity interests, at which point the Bankruptcy Court may direct that an auction be conducted prior to the continuation of the Confirmation hearing;
- b. The opening bid at any auction shall be by the existing equity interest holder in the amount of \$10,000.00 (the "Opening Bid"). The \$10,000.00 value of the Opening Bid was arrived at through the use of an analysis of the current market value of the combined total of each of the reorganizing Debtor's equity interests.

- c. Each subsequent bid following the Opening Bid must exceed any previous highest bid in an amount of at least \$1,000.00.
- d. Any party submitting a bid at the auction must have proof of funds to pay the party's bid at the auction;
- e. The reorganized Debtor's new equity interest shall be sold to the bidder submitting the highest non-contingent cash offer at the auction;
- f. The winning bidder must actually deposit the funds in the Debtor's bank account within 48 hours of the announcement of the winning bid, or be deemed to have defaulted on the purchase of the Debtor's equity.
- g. If the winning bidder at the auction fails to close on the purchase as set forth above, the party submitting the next highest bid shall be deemed the winning bidder;
- h. The prevailing party at the auction must assume all of the obligations of the Debtor under the Plan.
- i. The funds from the auction sale shall be deposited into the Debtor's account and used to fund the Plan including the payment of administrative claims.
- j. The Debtor shall solicit such bids by noticing the Plan out to creditors in this Case.

Furthermore, irrespective of who wins the equity auction, the equity auction shall only go into effect the Bankruptcy Court confirms the Plan. If the Bankruptcy Court does not confirm the Plan, then the Debtor shall not cancel its equity and any equity auction shall be null and void and have no effect as to the ownership of the Debtor. Further, if, after confirmation, the Bankruptcy Court revokes its confirmation of the Plan or the Bankruptcy Court's confirmation of the Plan is overturned on appeal, then the equity auction shall be null and void and have no effect, and the ownership of the equity of the respective Debtor shall remain with or revert to (as appropriate) the pre-confirmation owner.
