Chap 11 Small Business Case

SECOND AMENDED
PLAN OF REORGANIZATION AND DISCLOSURE STATEMENT UNDER
CHAPTER 11 OF THE UNITED STATES BANKRUPTCY CODE

APOLLO COMPANIES INC (the “Debtor”) files this Plan of Reorganization (the “Plan”) and Disclosure Statement. The Debtor is seeking to repay its debts over time. Pursuant to the Plan, the Debtor is seeking to repay its debts through ongoing operations of Debtor and funds received from collections on Debtor’s Accounts Receivables. Additionally, Debtor expects it may also be able to repay some of its debts through funds obtained from Debtor-in-Possession Financing. As required by the Bankruptcy Code, the Plan classifies claims and interests in various classes according to their right to priority of payments as provided in the Bankruptcy Code. The plan states whether each class of claims or interests is Impaired or Unimpaired (as defined below). The Plan provides the treatment each class will receive under the Plan.

This Plan includes a substantive consolidation, in accordance with In Re Texas Extrusion Corp, 68 B.R. 712, aff’d 836 F.2d 217 (5th Cir. 1988), of APOLLO OFFICE SYSTEMS LLC’s debts, which is a fully owned subsidiary of APOLLO COMPANIES INC for which all stocks and debts were acquired on 4/18/2013.

The Court has not yet confirmed the Plan. In other words, the terms of the Plan are not yet binding on anyone. If the Court later confirms the Plan, then the Plan will be binding on the Debtor and on all creditors and interest holders in this case.

The Debtor represents that everything in this document is true to the best of its knowledge.

1.3 General Background. Debtor, APOLLO COMPANIES INC. is a Texas Business Corporation formed on April 17, 2013 and located at 202 S. Hardie, Alvin, Texas 77511-2329. Currently, Debtor is engaged in the business of sale and service of office equipment. Initially, Debtor was established in order to fund the business operations of its subsidiary, APOLLO OFFICE SYSTEMS, LLC, with investments of the owner’s retirement 401K savings of \$250,000. The subsidiary required funding to replace its accounting systems for better Invoicing and Account Receivables processing, since its system of accounting was inadequate for business and industry needs. Additionally, the subsidiary needed a centralized storage business premises for operations and servicing as its rental unit at the time was insufficient. Managers of the subsidiary considered expanding business operations through purchase of similar industry competitors to address some of the operational problems. However, unable to make a purchase, APOLLO COMPANIES INC.

in turn purchased the subsidiary, APOLLO OFFICE SYSTEMS, LLC, with all assets and stocks owned by the subsidiary.

Subsequently, Debtor's financial controller, Killeen Hobbs, retired in December 2013, and in succession, two of her assistants retired also. Debtor hired a new financial controller, Kim Roberts, and two new assistants to replace its staff. The new financial staff were ineffective and were eventually terminated because they did not exercise proper bookkeeping; they made several payroll errors including failing to properly file and pay IRS payroll taxes in December 2014; they were behind on purchasing inventory and invoicing; they charged excessive overtime, claiming worktime when at home. Eventually, Debtor terminated Ms. Roberts including her two assistants, ended overtime work and pay and commenced monitoring staff closely. Debtor also upgraded its accounting system to address operational and accounting needs.

Debtor was unaware of IRS payroll taxes delinquency due to the actions of Ms. Roberts and her assistants who did not inform management of the failure to file and pay payroll taxes. Debtor only became aware of its debt to the IRS when contacted by the IRS. Debtor began making monthly payments to the IRS to satisfy the payroll taxes debt.

In 2015 and 2016, due to the economic downturn in the Oil and Gas Industry, Debtor's customers began making late payments or no payments at all to Debtor. Moreover, business operations also slowed down and Debtor was unable to keep up with its financial obligations to the IRS and other creditors. Debtor decided to sell the entire business to pay off its debts owed to creditors, but market conditions were not favorable and Debtor was unable to obtain a buyer. Debtor was forced to file Chapter 11 Reorganization Bankruptcy on May 5, 2017, in order to make affordable payments on past due debts to its creditors.

The first date scheduled for the meeting of creditors under § 341(a) of the Bankruptcy Code was June 5, 2017. The meeting commenced and subsequently was concluded.

Description of Assets. The Debtor filed the Schedules listing all of its assets and liabilities. The primary assets of the Debtor, their estimated values and associated Liens are, according to Debtor's amended Schedules:

Description of Assets	Estimated Fair Market Value	Amount of Debt Secured by Liens Against this Asset	Value Available to Estate	Basis of Estimate of Value to estate
Bank Accounts			\$ 23,171.20	
Accounts Receivable			\$153,631.76	
Interest in Incorporated business (Apollo Office Systems, LLC)			\$ 10.00	
Inventory	\$129,842.32		\$129,842.32	
Office Furniture	\$ 14,446.66		\$ 14,446.66	
Vehicles	\$ 23,726		\$ 23,726.00	
TOTAL	\$344,827.94		\$344,827.94	

The Debtor has not identified any lawsuits that may be filed by it after the Effective Date.

1.4 Events Leading Up to Bankruptcy. See paragraph 1.3 above for events leading up to bankruptcy.

1.5 Sources of Funds. Debtor expects to obtain funds to pay creditors through ongoing operations of the business and through funds received from collection activities on Debtor's Accounts Receivables. Additionally, Debtor expects to repay its debts through funds obtained from Debtor-in-Possession Financing.

Per the enclosed Cash Basis Cash Collateral Budget, see Exhibit B, the Debtor projects sufficient cash flow to fund the planned Schedule of Plan Payments as shown on Exhibit A. Further, even per the enclosed Accrual Basis Rolling Comparison Income Statement, see Exhibit C, the Debtor expects sufficient average monthly income sufficient to fund the proposed Schedule of Plan Payments.

1.6 Events since case was filed. After its Chapter 11 Bankruptcy filing on May 5, 2017, Debtor has continued to operate and generate positive cash flow. However, business operations were adversely affected by Hurricane Harvey at the end of August 2017, resulting in a temporary situation of negative cash flow for August and September 2017. The business was closed for two weeks after the Hurricane and flooding events. In addition, fifteen office machineries were damaged due to the storm and \$40,000 worth of inventory was damaged or lost. Moreover, several employees were impacted by the storm; for instance, one employee had to quit because his home and vehicle were flooded; Debtor's bookkeeper was stranded at home for three weeks and unable to return to work. The manager's home flooded. Furthermore, Debtor's clients were affected resulting in slowdown of orders for hardware and servicing, and payments by clients on amounts due.

However, Debtor expects to recover from the disaster.

1.7 Management of the Debtor. Since its inception the Debtor has been managed by Jeffrey Foley, Director and General Manager of APOLLO COMPANIES INC and by Pamela Foley, President of APOLLO COMPANIES INC. The Director and President each earn \$30,000 a year in their roles currently. They will continue in their current roles after the confirmation of the Plan as the primary managers of the Debtor. The Director/General Manager expects to have a salary increase to a competitive level, and the President expects to earn commissions on sales generated by her personal efforts, as the company's finances improve under reorganization.

To that end, except as expressly provided herein, at all times on and after the Effective Date, through and including the date of entry of a Final Decree closing the Debtor's Case, all Persons who have been, are, or may be holders of Claims against the Debtor and/or Reorganized Debtor arising prior to the Effective Date, shall be enjoined from taking any of the following actions against or affecting the Debtor, the Reorganized Debtor, its estate, or its property, with respect to such Claims (other than actions brought to enforce any rights or obligations under the Plan):

- a. commencing, conducting or continuing in any manner, directly or indirectly any suit, action, or other proceeding of any kind against the Debtor, the Reorganized Debtor, its estate, or its property (including, without limitation, all suits, actions, and proceedings that are pending as of the Effective Date which shall be deemed to be withdrawn or dismissed with prejudice);
- b. enforcing, levying, attaching, collecting, or otherwise, recovering by any manner or means whether directly or indirectly any judgment, award, decree, or order against the Debtor, the Reorganized Debtor, its estate, or its property;
- c. creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any Lien against Debtor, the Reorganized Debtor, its estate, or its property;

- e. proceeding in any manner in any place whatsoever against the Debtor, the Reorganized Debtor, its estate, or its property that does not conform to or comply with the provisions of the Plan.

ARTICLE 9

The Court shall further retain jurisdiction as set forth in this Plan and for the following additional purposes:

ARTICLE 11

MISCELLANEOUS PROVISIONS

11.1 Exemption from Transfer and Other Taxes. Pursuant to section 1146 of the Bankruptcy Code, the issuance, transfer or exchange of notes under the Plan, the creations of any mortgage, deed of trust or other security interest, the making or assignment of any lease or sublease, or the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including, without limitation, any merger agreements or agreements of consolidation, deeds bills of sale or assignments executed in connection with any of the transactions contemplated under the Plan shall not be subject to any stamp, sales, real estate transfer, mortgage recording or other similar tax.

11.2 Setoffs/Counterclaims. Except as otherwise provided in this Plan, the Debtor may, but shall not be required to, set off or counterclaim against any Claim and the payments or other Distributions to be made pursuant to this Plan in respect of the Claim, claims of any nature whatsoever the estate may have against the holder of the Claim, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtor of any claim that the estate may have against the holder, provided, however, that the Debtor will not seek to set off or counterclaim for any obligation that is not yet due. Setoffs or counterclaims arising from events after the Petition Date shall reduce the payouts under any Allowed Claim dollar for dollar. Setoffs or counterclaims arising from prepetition events shall only reduce the amount of the Allowed Claim and therefore, shall only reduce the payout amount proportionally with the reduction in the Allowed Claim. If any counterclaim or setoff asserted by the Debtor exceeds the amount of any Claim, the holder of such Claim shall not be entitled to any Distribution under the

Plan, and the Debtor will reserve the right to recover any such excess counterclaim or setoff from the holder of the applicable Claim.

11.3 Amendment or Modification of the Plan. Alterations, amendments or modifications of the Plan may be proposed in writing by the Debtor at any time prior to the Confirmation, provided that the Plan, as altered, amended or modified, satisfies the conditions of §§ 1122 and 1123 of the Bankruptcy Code, and the Debtor shall have complied with § 1125 of the Bankruptcy Code. The Debtor also reserves the right to make such modifications at or prior to any hearings on Confirmation as are necessary to permit this Plan to be confirmed under 11 U.S.C. § 1129.

11.4 Revocation and Withdrawal of the Plan. The Debtor reserves the right to revoke or withdraw this Plan at any time before entry of a Confirmation Order. If the Debtor revokes or withdraws this Plan prior to the Confirmation Date, or if the Confirmation or the Effective Date does not occur, then this Plan shall be deemed to be null and void. In such event, nothing contained herein or in any Disclosure Statement relating to the Plan shall be deemed to constitute an admission of validity, waiver or release of any Claims by or against the Debtor, the Reorganized Debtor or any Person or to prejudice in any manner the rights of the Debtor, the Reorganized Debtor or any Person in any proceeding involving the Debtor and/or Reorganized Debtor.

11.5 Cramdown – not applicable.

11.6 Liquidation Analysis. Section 1129(a)(7)(A) of the Bankruptcy Code requires that each holder of a claim must either accept the plan or receive payments or property with a value of at least as much as would be available in a Chapter 7 liquidation of the Debtor's assets.

As set forth above, each holder of a Secured Claim and an Unsecured Priority Claim is either receiving its collateral or is being paid the value of its Claim, with interest, under the Plan term. This treatment satisfies the liquidation test under § 1129(a)(7)(A).

Holders of unsecured claims are forecast to receive a dividend of 1 % of their Allowed Claim. The Debtor has estimated that its assets, upon liquidation and after payment of liens would not generate any funds to pay General Unsecured creditors.

Because the Plan forecasts that there would be no funds upon liquidation to pay holders of unsecured claims, this Plan satisfies the liquidation test as to holders of unsecured claims.

11.7 Prepayment. Any Claim may be prepaid at any time, without penalty. Interest as provided under the Plan must be paid through the date of prepayment.

11.8 Tax Issues. The federal income tax effects on holders of Claims will vary depending on how the holder has treated its claim for tax purposes. For example, if the holder has a basis in its debt claim and is paid an amount less than its basis, the holder may be entitled to a federal income tax deduction for its loss. This will depend on the holder's own tax characteristics and cannot be assured. Conversely, if the holder has no basis in its debt claim, the holder may recognize income for federal income tax purposes based on payments under the Plan.

Because each holder's federal income tax situation may vary, you are urged to consult your own tax advisors to determine the federal income tax effect of the Plan on you.

The Debtor may also have a federal income tax effect from the Plan. To the extent that indebtedness is discharged, the Debtor may have a basis adjustment in its assets. Moreover, any sale of assets may produce taxable income. The forecasts set forth above incorporate the Debtor's best estimate of the federal income tax effect of the Plan.

11.9 Obligations to the United States Trustee. The Reorganized Debtor will be responsible for timely payment of United States Trustee quarterly fees incurred pursuant to 28 U.S.C. § 1930(a)(6). Any fees due as of the date of confirmation will be paid on the Effective Date. After confirmation, the Reorganized Debtor will continue to file quarterly financial reports in the format required by the United States Trustee and continue to pay quarterly fees as accrued until the Case is closed, converted to a case under chapter 7, or dismissed.

11.10 Event of Default. If there is a default in payment under this Plan, the default must be cured within 21 days of written notice sent to the Debtor and its counsel ("Event of Default"). If the Event of Default is not cured within the 21-day period, the case may be converted to a case under Chapter 7.

11.11 Severability. In the event that the Bankruptcy Court determines, prior to the Confirmation Date, that any provision in the Plan is invalid, void or unenforceable, such provision shall be invalid, void or unenforceable with respect to the holder or holders of such Claims or Interests as to which the provision is determined to be invalid, void or unenforceable. The invalidity, voidness or unenforceability of any such provision shall in no way limit or affect the enforceability and operative effect of any other provision of the Plan.

11.12 Binding Effect. The Plan shall be binding upon and inure to the benefit of the Debtor, the holders of Claims and their successors and assigns.

11.13 No Liability for Solicitation or Participation. Pursuant to § 1125 of the Bankruptcy Code, Persons that solicit acceptances or rejections of this Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, shall not be liable on account of such solicitation or participation, for violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan.

11.14 Injunctions or Stays. Unless otherwise provided, all injunctions or stays arising under or entered during the Case under § 105 or § 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date, shall remain in full force and effect until the Effective Date.

11.15 Governing Law. Except to the extent the Bankruptcy Code, Bankruptcy Rules or other federal law is applicable, or to the extent an Exhibit to the Plan provides otherwise, the rights and obligations arising under this Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without giving effect to the principles of conflicts of law of such jurisdiction.

11.16 Withholding and Reporting Requirements. In connection with the consummation of the Plan, the Debtor shall comply with all withholding and reporting requirements imposed by any federal, state, local or foreign taxing authority and all Distributions hereunder shall be subject to any such withholding and reporting requirements.

11.17 Headings. Headings are used in the Plan for convenience and reference only, and shall not constitute a part of the Plan for any other purpose.

11.18 Exhibits. All Exhibits to the Plan are incorporated into and are a part of the Plan as if set forth in full herein.

11.19 Filing of Additional Documents. On or before Substantial Consummation, the Debtor shall file with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan.

11.20 Enforcement of Confirmation Order. Any party in interest shall have standing to seek any such order from the Bankruptcy Court as shall be necessary to implement the Plan and enforce the terms and provisions of the Confirmation Order.

11.21 Informal or Substantive Consolidation. Debtor intends to consolidate its bankruptcy case and include the debts of Apollo Companies Inc and its wholly owned subsidiary Apollo Office Systems, LLC with an informal or substantive consolidation with required pleading, proof, or adequate findings under law. *See In re Texas Extrusion Corp.*, 68 B.R. 712, 722 (N.D.Tex. 1986), *aff'd*, 836 F.2d 217 (5th Cir. 1988).

11.22 Absolute Priority Rule. The equity owners of the Debtor intend to retain their equity interest in the Debtor. If the Debtor is unable to obtain the vote of general unsecured creditors for approval and confirmation of the Plan, the Debtor will either request conversion to Chapter 7 liquidation, or dismissal..

11.23 Status of Adversary Proceeding to collect delinquent accounts receivable: See Exhibit D for management's estimate of Adversary Proceedings of \$14,649 per month.
