6. Monthly Operating Reports:

On file with the Bankruptcy Court are GM's *Monthly Operating Reports* filed to date.

SECTION 3 – CHAPTER 11

1. The Purpose of Chapter 11: Business Reorganization and Formulation of a Plan:

The purposes of Chapter 11 of the Code are generally described in the following sections of this *Disclosure Statement*.

2. Chapter 11:

Chapter 11 is the principal business reorganization chapter of the Code. The commencement of a Chapter 11 case creates an "Estate" comprised of all the legal and equitable interests of a Debtor as of the *Petition Date*. Sections 1101, 1107 and 1108 of the Code provide that a Debtor may remain in possession of its property and continue to operate its business as a "Debtor-in-Possession" ("DIP"). This Chapter 11 Case was commenced with the filing of a *Voluntary Petition* by GM on October 5, 2016 (the "*Petition Date*"). Since the *Petition Date*, GM has continued to operate its business under the supervision of the United States Trustee ("UST"). Upon the filing of the *Voluntary Petition* under the Code and until such time as GM's case is closed, dismissed, or a *Plan* is confirmed, or a creditor obtains relief from the automatic stay, GM and its assets remain protected by the automatic stay. The automatic stay provides GM an opportunity to continue its business and to reorganize by proposing, obtaining confirmation of, and implementing a *Plan* by which the claims of creditors are to be paid in whole or in part, and the Claims of Interest Holders are treated as required by the Code.

3. Plan of Reorganization:

Formulating a *Plan* is the principal purpose of a Chapter 11 case. The *Plan* is the vehicle for satisfying the holders of Claims against the Debtor. Under the Code, when soliciting acceptance or rejection of a *Plan*, the Debtor must transmit to the holders of claims or interests a *Disclosure Statement* approved by the Court as containing "adequate information".

4. Definition of Impairment:

Under Section 1124 of the Code, a Class of Claims or Interests is "impaired" under a *Plan* unless the *Plan*, with respect to each Claim or Interest:

- a. Leaves unaltered the legal, equitable, and contractual rights of the Holder of such Claim or Interest; or

- b. Notwithstanding any contractual provision or applicable law that entitles the Holder of a Claim or Interest to receive accelerated payment of the Claim or Interest after the occurrence of a default:
- c. Cures any such default that occurred before or after the commencement of the Case under the Code, other than a default of a kind specified in section 365(b)(2) of the Code;
- d. Reinstates the maturity of such Claim or Interest as it existed before the default;
- e. Compensates the holder of such Claim or Interest for damages incurred as a result of reasonable reliance on such contractual provision or applicable law; and
- f. Does not otherwise alter the legal, equitable, or contractual rights to which such Claim or Interest entitles the Holder of such Claim or Interest.

5. Confirmation Hearing:

At the Confirmation Hearing, the Court shall determine whether the requirements of Section 1129 of the Code have been satisfied, in which event the Court shall enter an *Order Confirming the Plan*. To confirm the *Plan*, the Court must find that:

- a. The *Plan* complies with the applicable provisions of the Code.
- b. The Debtor has complied with the applicable provisions of the Code.
- c. The *Plan* has been proposed in good faith and not by any means forbidden by law.
- d. Any payment made or promised by the Debtor or by a person issuing securities or acquiring property under the *Plan*, for services or for costs and expenses in, or in connection with these Case or in connection with the *Plan* and incident to this Case, has been disclosed to the Court, and any such payment made before the *Confirmation* of the *Plan* is reasonable, or if such payment is to be fixed after *Confirmation* of the *Plan*, such payment is subject to the approval of the Court as reasonable.
- e. The Debtor has disclosed the identity and affiliations of any individual proposed to serve, after *Confirmation* of the *Plan*, as a director, officer, or voting agent of the Debtor, an affiliate of the Debtor participating in a *Plan* with the Debtor, or a successor to the Debtor under the *Plan*, and the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and with public policy, and the Debtor has disclosed the identity of any insider that will be employed or retained by the *Reorganized Debtor*, and the nature of any compensation for such insider.
- f. Any governmental regulatory commission with jurisdiction, after *Confirmation* of the *Plan*, over the rates of the Debtor has approved any rate change provided for in this, or such rate change is expressly conditioned on such approval.

- g. With respect to each Impaired Class of Claims or Interests, either each Holder of a Claim or Interest of such Class has accepted the *Plan*, or will receive or retain under the *Plan* on account of such Claim or Interest property of a value, as of the *Effective Date* of the *Plan*, that is not less than the amount that such holder would so receive or retain if the Debtor is liquidated on such date under Chapter 7 of the Code.
- h. Each Class of Claims or Interests has either accepted the *Plan* or is not impaired under the *Plan*.
- i. Except to the extent that the Holder of a particular Claim has agreed to a different treatment of such Claim, the Debtor must demonstrate at the *Confirmation* hearing that the *Plan* provides that *Administrative Expenses* and *Priority Claims* (other than tax claims) will be paid in full on the *Effective Date*, unless otherwise agreed to, and that *Priority Tax Claims* will receive on account of such claims deferred cash payments, over a period not exceeding five years after the date of the *Order for Relief*, unless otherwise agreed to, of a value, as of the *Effective Date*, equal to the allowed amount of such Claim.
- j. At least one Class of Claims that is Impaired under the *Plan* has accepted the *Plan*, determined without including any acceptance of the *Plan* by any Insider holding a Claim of such Class.
- k. Confirmation of the *Plan* is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor under the *Plan*, unless such liquidation or reorganization is proposed in the *Plan*.
- l. All fees payable under 28 U.S.C. §1930, as determined by the Court at the Hearing on *Confirmation* of the *Plan* provides for the payment of all such fees on the *Effective Date* of the *Plan*.
- m. The *Plan* provides for the continuation after its *Effective Date* of payment of all retiree benefits, as that term is defined in Section 1114 of this Title, at the level established pursuant to subsection (e)(1)(B) or (g) of §1114 of the Code, at any time prior to *Confirmation* of the *Plan* for the duration of the period the Debtor has obligated themselves to provide such benefits.

The *Disclosure Statement* and *Plan* meet statutory requirements as further discussed in **Section 8** below.

6. Who May Object to Confirmation of the *Plan*:

Any Creditor or party in interest may object to the *Confirmation* of the *Plan*, but as explained below, not everyone is entitled to vote to accept or reject the *Plan*.

7. **Who May Vote to Accept/Reject the Plan:**

A Creditor or Interest Holder has a right to vote for or against the *Plan* if that Creditor or Interest holder has a Claim which is both (1) allowed or allowed for voting purposes and (2) classified in an impaired Class.

8. **What is an Allowed Claim/Interest:**

A Creditor must first have an Allowed Claim or Interest to have the right to vote. Generally, any *Proof of Claim* or *Interest* will be allowed, unless a party in interest files an objection to the Claim or Interest with the Bankruptcy Court. When an objection to a Claim is filed, the Creditor or Interest Holder holding the Claim cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the Claim or Interest for voting purposes.

9. **Bar Date:**

A Creditor or Interest Holder may have an *Allowed Claim* or *Interest* even if a *Proof of Claim* or *Interest* was not timely filed. A Claim is deemed allowed if (1) it is scheduled on the *Schedules of Assets and Liabilities* and such Claim is not scheduled as "*disputed*", "*contingent*", or "*unliquidated*"; and (2) no party-in-interest has objected to the claim. An *Interest* is deemed allowed if it is scheduled and no party-in-interest has objected to the *Interest*. In this case, the *Bar Date* was February 7, 2017.

10. **What is an Impaired Claim/Interest:**

As noted above, the Holder of an Allowed Claim or Interest only has the right to vote if it is in a Class that is impaired under the *Plan*. A Class is impaired if the *Plan* alters the legal, equitable, or contractual rights of the members of that Class. For example, where a Creditor receives payment terms or interest rates different than those in the original prepetition agreement, that Creditor is "impaired". Which Classes of Claims or Interest are Impaired is set forth in Section 8 of the *Disclosure Statement*.

11. **Who is Not Entitled to Vote:**

The following four types of Claims are not entitled to vote: (1) Claims that have been disallowed; (2) Claims in Unimpaired Classes; (3) Claims entitled to priority pursuant to Code Sections 507(a)(1), (a)(2), and (a)(8); and (4) Claims in Classes that do not receive or retain any value under the *Plan*. Claims in unimpaired Classes are not entitled to Vote because such Classes are deemed to have accepted the *Plan*. Claims entitled to Priority pursuant to Code sections 507(a)(1), (a)(2), and (a)(8) are not entitled to vote because such Claims are not placed in Classes and they are required to receive specific treatment specified by the Code. Claims in the foregoing categories have been classified for convenience purposes only. Claims in Classes that do not receive or retain any value under the *Plan* do not vote because such Classes are deemed to have rejected the *Plan*. **EVEN IF YOUR CLAIM IS OF THE TYPE DESCRIBED ABOVE, YOU MAY STILL HAVE A RIGHT TO OBJECT TO THE CONFIRMATION OF THE PLAN.**

12. Who Can Vote in More Than One Class:

A Creditor whose Claim has been allowed in part as a Secured Claim and in part as an Unsecured Claim is entitled to accept or reject a *Plan* in both capacities by casting one *Ballot* for the Unsecured Claim and by casting one *Ballot* for the Secured Claim.

13. Votes Necessary to Confirm the Plan:

In this case the Court cannot confirm the *Plan* unless (1) all impaired classes have voted to accept the *Plan*, or (2) at least one Impaired Class has accepted the *Plan* without counting the votes of any Insiders within that Class, (3) each case can be confirmed in its own, and (4) the *Plan* is eligible to be confirmed by “Cramdown” on non-accepting Classes, as discussed in **section p)** below.

14. Votes Necessary for a Class to Accept the Plan:

A Class of Claims is considered to have accepted the *Plan* when more than one-half (1/2) in number and at least two-thirds (2/3) in dollar amount of the Claims which actually voted, vote in favor of the *Plan*. A Class of Interests is considered to have accepted the *Plan* when at least two-thirds (2/3) in amount of the Interest Holders of such Class which actually voted, voted to accept the *Plan*.

15. Treatment of Non-Accepting Classes:

Even if all Impaired Classes do not accept the proposed *Plan*, the Court may nonetheless confirm the *Plan* if the non-accepting Classes are treated in the manner required by the Code. The process by which non-accepting Classes are forced to be bound by the terms of the *Plan* is commonly referred to as “Cramdown”. The Code allows the *Plan* to be “crammed down” on non-accepting Classes of Claims or Interests if it meets all consensual requirements except the voting requirements of Section 1129(a)(8) of the Code and if the *Plan* does not “discriminate unfairly”, and is “fair and equitable” toward each Impaired Class that has voted not to accept the *Plan* as referred to in 11 U.S.C. §1129(b) of the Code and applicable case law. See also below Paragraph (16).

16. Cramdown:

In the event that any Impaired Class of Claims does not accept the *Plan*, the Court may still confirm the *Plan* at the request of the Debtor if, as to each Impaired Class which has not accepted the *Plan*, it "does not discriminate unfairly" and is "fair and equitable." A *Plan* does not discriminate unfairly within the meaning of the Code if no Class receives more than it is legally entitled to receive for its Claims or Interests. "Fair and equitable" has different meanings for Secured Claims, Unsecured Claims, and Interests.

17. With Respect to a Secured Claim, "Fair and Equitable" Means Either:

That (i) the Impaired Secured Creditor retains its lien to the extent of its Allowed Claim and receives deferred cash payments at least equal to the allowed amount of its Claim with a present value as of the *Effective Date* at least equal to the value of such Creditors' interest in the property securing its lien; or (ii) property subject to the lien of the impaired

Secured Creditor is sold free and clear of that lien, with the lien attaching to the proceeds of the sale, and such lien proceeds must be treated in accordance with clauses (III) or (IV) hereof; or (iii) the Impaired Secured Creditor realizes the "indubitable equivalent" of its claim under the *Plan*.

18. With respect to an Unsecured Claim "Fair and Equitable" Means Either:

That (i) each Impaired Unsecured Creditor receives or retains property of a value equal to the amount of its Allowed Claim; or (ii) the Holders of Claims that are junior to the Claims of the dissenting Class will not receive any property under the *Plan*. In the event one or more Classes of Impaired Claims rejects the *Plan*, the Bankruptcy Court will determine at the Confirmation Hearing whether the *Plan* is fair and equitable and does not discriminate unfairly against any rejecting Impaired Class of Claims. In the event one or more Classes of Impaired Claims reject the *Plan*, the Debtor request that the Court confirm the *Plan* through a Cramdown of dissenting Impaired Classes at the *Confirmation Hearing* without additional notice to Creditors.

19. Effect of Confirmation:

The confirmed *Plan* binds GM, except as otherwise provided in the *Plan* or the *Order Confirming Plan*. The *Plan's* confirmation further vests all property of the Estate in the Debtor except as provided by Sections 1141(d)(2) and (d)(3), and except as otherwise provided in the *Plan* or in the *Order Confirming Plan*. Except as otherwise provided in the *Plan*, after confirmation, the property dealt with by the *Plan* is free and clear of all claims and interest of creditors, equity security holders.

SECTION 4 - FINANCIAL PICTURE OF THE DEBTOR

1. History and Events Leading To The Filing Of The Chapter 11 Case:

The following sections contain a history of GM and the events leading to the filing of the Chapter 11 Case:

- a. Background:** GM is a Texas Limited Liability Company operating in the Midland, Texas/Permian Basin area since July 14, 2014. GM's Principal, Mr. George Magallanes operated as a sole proprietor beginning in 2012, and subsequently incorporated under the name "GM Oilfield and Trucking Services" as a limited liability company.

GM serves the Permian Basin oilfield industry with a fleet of vacuum trucks, pump/kill trucks, and hot oilers manned by professional drivers. GM pumps and transports any kind of waste the oil industry generates, including oily wastewater, sludge, drilling fluids and muds, and other hazardous and non-hazardous wastewater products.

GM's operators are licensed and insured to protect its customers from any liability. Besides the Permian Basin, GM also serves Andrews, Big Lake, and Pecos, Texas.

GM thus provides roustabout services, vacuum trucks, pump trucks, kill trucks, backhoes and man lifts, hot oiler trucks and construction trucks among other services for oil exploration companies in the Permian Basin.

- b. **Events Leading to Bankruptcy Relief:** GM’s business grew too quickly. Annual sales went from approximately \$200,000.00 in 2013 to \$2,000,000.00 in 2014, to \$8,000,000.00 in 2015. The rapid growth, combined with an accumulation of approximately \$1,200,000.00 in **Form 941** Employment Taxes left GM in a precarious financial position. In retrospect, GM was undercapitalized to be able to handle the exponential growth of its business.

SECTION 5 - BASIS OF THE PLAN

1. Basis Of the Plan:

The *Plan* is based on the future income generated by GM. Its income is the sole source of revenue for payment of allowed claims under the *Plan*. GM believes that the total amount projected to be paid to the *General Unsecured Creditor Class* will satisfy the best interest of creditors test as required by the Code. All other Classes of Claims will be paid as required by the Code, prepetition loan and security documents, or as agreed to by creditors on a consensual basis, and as further described in this *Disclosure Statement* and the *Plan*.

2. Future Income and Expenses Under the Plan:

Exhibit "C" *Monthly Projections.*

Exhibit "D" *Projections for Five (5) Years.*

GM has been able to operate profitably since filing for relief under Chapter 11 on October 5, 2016. It has lowered its monthly expenses through the rejection of the *Commercial Lease* of its main operating facility located with OCB Property, Ltd., in Midland, Texas, and entering a new lease for its operations with 307 Partners, LLC in Midland, Texas. The resulting savings in the rent differential is approximately \$12,000 per month. GM has also returned collateral to its secured creditors in exchange for credits and reduction of secured debt. A list of the returned collateral and the names of the secured creditors are as follows:

As of the filing of this *Disclosure Statement*, the secured creditors receiving the returned collateral have not filed amended *Proofs of Claim* reflecting the reduction in secured debt. The Debtor expects those amendments to be filed soon. Nonetheless, the return of collateral should have an impact both in the amount of secured debt to be treated under the *Plan*, as well as a positive impact upon GM’s insurance premiums which represent its largest recurring expense. GM is currently working with its insurance agent to determine the savings from these changes. GM has also begun to outsource work to independent owner-operator allowing it to use less of its own equipment. And GM has also expanded its business to include new customers.

3. Future Management of the Debtor and Compensation to Executive and Managerial Employees:

George and Patricia Magallanes will continue to manage GM and each will receive a monthly salary of approximately \$6,500.00 per month for a combined monthly salary of \$13,000.00.

It is projected that monthly net income from GM will be sufficient to fund the monthly debt and claim payments. **Exhibits C & D** reflect *Projected Cash Flow* for the next five (5) years.

a. Operations in Chapter 11:

Since the *Petition Date*, George & Patricia Magallanes have been managing the daily operations of GM.

b). Accounting Method Used and Source of Financial Information:

The *Summary* of GM's *Monthly Operating Reports* on file with the Court has been prepared on a cash basis. GM has utilized generally accepted accounting principles ("GAAP"), consistently applied, in presenting financial historical data, other than the *Summary of Monthly Operating Reports*. Financial forecasts were prepared by GM based upon current data from results of operations since the *Petition Date*.

SECTION 6 – ANALYSIS AND VALUATION OF PROPERTY

1. Analysis and Valuation of Property:

The following Subsections of the *Disclosure Statement* set forth GM's Personal Property, its estimated value, the Liens against it, and equity, if any. This Section also contains an analysis of what would be realized by Creditors if the Case was converted to Chapter 7 and the assets were liquidated by a Chapter 7 Trustee.

2. Liquidation Analysis and Valuation of GM's Property:

To arrive at a decision whether to vote for or against the *Plan* proposed by GM, a Creditor or other party in interest needs to have an understanding of the consequences of what would be realized by the Estate if –

- GM's property was sold pursuant to another *Plan*;
- GM's property was sold pursuant to a motion to sell and the net proceeds were available for distribution; or
- the Chapter 11 case was converted to one under Chapter 7 of the Code.

Further,, for the Court to confirm the *Plan*, it must find, pursuant to Section 1129(a)(7)(A)(i)(ii) of the Code, with respect to each impaired class of Claims or Interests, that each holder of a Claim or Interest of such class (i) has accepted the *Plan* or (ii) will receive or retain under the *Plan* on account of such Claim or Interest, property of a value, as of the *Effective Date* of the *Plan*, that is not less than the amount that such holder would receive under Chapter 7 on such date, which is known as the "Best Interest Of Creditors Test".

The Code further requires that if Section 1111(b)(2) applies to Claims of a Class, each holder of a Claim of such class will receive or retain under the *Plan*, on account of such Claim, property of a value, as of the *Effective Date* of the *Plan*, that is not less than the value of such holder's Interest in the Estate's interest in the property that secured such Claims, pursuant to Section 1129(a)(7)(B).

The following section addresses the above requirements for GM.

3. Valuation of the Assets of the Debtor:

The following *Table* sets forth the values and method of valuation used by GM in determining the value of its assets.

SUMMARY OF VALUATION OF THE DEBTOR'S ASSETS		
TYPE	METHOD	TOTAL VALUE
Personal Property GM's personal property as of the filing of this <i>Disclosure Statement</i> is comprised of the following: a). Cash, \$192,425.35 . . b). Office Furniture & Equipment \$24,000.00 . c). Inventory \$206,919.84 e). Vehicles/Trucks & Trailers \$650,000.00 .	Fair Market Value	\$1,073,345.19
TOTAL		\$1,073,345.19

4. Secured Claims Against the Property of GM:

The following *Table* sets forth the secured claims of GM:

CLAIMS AGAINST THE DEBTOR AND NET VALUE OF THE ESTATE PER THE PROOFS OF CLAIM FILED OF RECORD	
Claimant	Claim
Internal Revenue Service	\$1,256,393.87
Texas Workforce Commission	\$1,143.21
Greenwood ISD	\$8,411.84
Midland County	\$878.24

Cypress Fairbanks ISD	\$435.19

OCB Properties	\$22,500.00
Hitachi Capital America	\$70,000.00
Commercial State Bank	\$896,935.37
Texas Comptroller of Public Accounts	\$9,094.15

Total Secured Debt	\$2,914,915.42¹
Value of Property	\$1,073,345.19
Net Value After Deducting Secured Claims	<u>\$0.00</u>
Chapter 7 Trustee Commissions in event of liquidation	\$50,000.00
Professional Fees (Estimated – subject to <i>Fee Applications</i>)	\$100,000.00
Net Value after Disposition of Property	<u>\$0.00</u>

5. Sale of Assets of Debtor or Conversion to Chapter 7:

Assuming the property of GM could be sold in the ordinary course of business at fair market value, after deducting the costs as set forth above, and after paying a portion of the Secured Claims, even without considering any of the *Priority Claims*, there would be no funds available for distribution to *Unsecured Creditors* in this case. Under a Chapter 7 scenario, assets are typically sold at liquidation value which generates substantially less than an asset’s actual fair market value, approximately 50% to 60% of the asset’s fair market value. In this instance, the property holds a combined fair market value of \$1,073,345.19. Although some of the assets of the debtor are unencumbered by the liens of the various secured creditors, those being the furniture, equipment and inventory which hold an approximate combined value of \$230,919.84, the liquidation of such assets would generate no more than 60% percent of its respective value for a total of approximately \$138,552.00. However, not only would these funds be used to pay administrative expenses and priority claims of the estate, but they have also been fully depreciated for tax purposes and the sale of such fully depreciated assets would generate a capital gain tax liability. Thus, considering the secured, administrative and priority claims, there would be no funds available for distribution to unsecured creditors.

SECTION 7 – UNCLASSIFIED CLAIMS

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the *Plan*. They may, however, object if, in their view, their treatment under the *Plan* does not comply with that required by the Code. As such, GM has not placed the following Claims in any Class:

1. Administrative Expenses

Administrative expenses are costs or expenses of administering the Debtor’s Chapter 11 case allowed under §507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtor in the ordinary course of business and received within 20 days before the *Petition Date*. The Code requires all Administrative Expenses be paid on the *Effective Date* of the *Plan*, unless a particular Claimant agrees to a different treatment.

The following *Table* lists the Debtor’s estimated *Administrative Expenses* and their

proposed treatment under the *Plan*:

Type	Estimated Amount Owed	Proposed Treatment
Miranda & Maldonado, P.C. Attorney's Fees Bankruptcy Counsel	\$50,000.00	To be paid in equal monthly installments of \$2,500.00 beginning the first day of the first full month following the <i>Effective Date</i> after approval by the Bankruptcy Court.
Andy Krafsur, Esq. Attorney's Fees Bankruptcy Counsel	\$50,000.00	To be paid in equal monthly installments of \$2,500.00 beginning the first day of the first full month following the <i>Effective Date</i> after approval by the Bankruptcy Court.

2. Priority Tax Claims

Priority tax claims are unsecured income, employment, and other taxes described by § 507(a)(8) of the Code. Unless the holder of such a §507(a)(8) priority tax claim agrees otherwise, it must receive the present value of such claim, in regular installments paid over a period not exceeding five (5) years from the *Petition Date*. The *Tax Claims* shall be treated as follows:

Description (name and type of tax)	Estimated Amount Owed	Treatment
Internal Revenue Service	\$286,125.71	<p>The Priority Claim of the <i>Internal Revenue Service</i> in the amount of \$286,125.71 will be paid pursuant to the terms of Class 1 below.</p> <p>GM must remain current on all post-petition tax debt owed to the IRS. There will be no automatic stay with regard to federal post-petition tax debt, and IRS shall be free to collect the same after such notice as is required under Title 26, United States Code.</p> <p>In the event of the Debtor's default, the IRS is not subject to the provisions of the Bankruptcy Code so that the IRS can take whatever actions are necessary to collect said debt in the event of default; the federal tax liens survive the plan confirmation, a bankruptcy discharge, and dismissal of the case. The Liens continue to be</p>

		<p>enforceable against all of the Debtor’s property under federal law.</p> <p>A failure by the Debtor to make a payment to the Internal Revenue Service pursuant to the terms of the Plan shall be an event of default, and as to the Internal Revenue Service, there is an event of default if payment is not received by the 15th day of each month. If there is a default, the Internal Revenue Service must send written demand for payment, and said payment must be received by the Internal Revenue Service within 15 days of the date of the demand letter. The Debtor can receive up to three notices of default from the Internal Revenue Service; however, on the third notice of default from the Internal Revenue Service the third notice cannot be cured, and the Internal Revenue Service may accelerate its allowed claim(s), past and future, and declare the outstanding amount of such claim(s) to be immediately due and owing and pursue any and all available state and federal rights and remedies. These default provisions pertain to the entire claim(s) of the Internal Revenue Service, secured, unsecured priority and unsecured general.</p> <p>The IRS is bound by the provisions of the confirmed plan and is barred under 11 USC 1141 from taking any collection actions against the debtor for prepetition claims during the duration of the <i>Plan</i> (provided there is no default as to the IRS). The period of limitations on collection remains suspended under 26 USC 6503(h) for the tax periods being paid under the <i>Plan</i> and terminates on the earlier of (1) all required payments to the IRS have been made; or (2) 30 days after the date of the demand letter (described above) for which the Debtor failed to cure the default.</p>
Texas Workforce Commission	\$786.10	The Priority Claim by the Texas Workforce Commission in the amount of \$786.10 will be paid in full on the <i>Effective Date</i> .
Reliant Energy Retail Services, LLC	\$960.22	The Priority Claim by the Reliant Energy Services, LLC in the amount of \$960.22 will be paid in full on the <i>Effective Date</i> .

3. Chapter 11 Quarterly Fees:

GM will continue to timely pay *Quarterly Fees* to the UST as required under 28 U.S.C. §1930(a)(6). The *Quarterly Fee* will be payable on the last day of the calendar month

following the calendar quarter for which the Fee is owed. Prior to entry of a *Final Decree*, GM will pay any remaining *Quarterly Fees* owed.

SECTION 8 – CLASSIFICATION OF CLAIMS AND INTERESTS OF CREDITORS

There are three types of classified claims under the Plan: Secured Claims; General Unsecured Claims; and Equity Interest Holder(s). These Claims have been classified in sixteen (16) Classes. The following lists the proposed treatment that each of the sixteen (16) Classes will receive under the *Plan*:

1. Secured Claims

Allowed Secured Claims are claims secured by property of the Bankruptcy Estate to the extent allowed as secured claims under §506 of the Code. If the value of the collateral securing the creditor’s claim is less than the amount of the creditor’s allowed claim, the difference/deficiency will be classified as a General Unsecured Claim. Secured Claims currently total **\$2,078,771.78**.

The following *Table* identifies the *Plan's* proposed treatment of **Classes 1 through 14**, consisting of the secured claims against the Debtor:

Class	Impairment	Proof of Claim Number	Treatments
<p>Class 1 - Secured Claim of the Internal Revenue Service.</p>	<p><i>Impaired</i></p>	<p>5</p>	<p>The claim of the Internal Revenue Service (“IRS”) in the amount of \$1,256,393.87 will be treated as follows:</p> <p>The Debtor will pay the \$264,291.65 priority claim in full with 3% interest in monthly payments in the amount of \$5,000.00 beginning the fifteenth (15th) day of the first full month following the <i>Effective Date</i> with a like payment on the first day of each succeeding month for a total of 56 payments and one (1) additional partial payment in the amount of \$3,818.47 to be made on the fifty seventh (57th) month to pay such claim in full. Upon completion of the above-referenced payment, and on the fifty eighth (58th) month, the Debtor will then pay the secured claim in the amount of \$626,195.51 with 3% interest in 150 monthly payments in the amount of \$5,011.34 until paid in full. In exchange</p>

		<p>for the above, the IRS will waive its unsecured claim in the amount of \$32,982.66 and \$269,812.78 in penalties from its secured claim, plus any additional unaccounted accrued interest not accounted for in this treatment.</p> <p>In the event of the Debtor's default of any of the above payment provisions as further explained below, the entire amount of the claim will become due. The IRS is not subject to the provisions of the Bankruptcy Code so that the IRS can take whatever actions are necessary to collect said debt in the event of default; the federal tax liens survive the plan confirmation, a bankruptcy discharge, and dismissal of the case. The Liens continue to be enforceable against all of the Debtor's property under federal law.</p> <p>The debt owed by the Debtor to the IRS is a non-dischargeable debt, except as otherwise provided for in the Code, and that if the Debtor defaults, the IRS is not subject to the provisions of the Bankruptcy Code so that the IRS can take whatever actions are necessary to collect said debt in the event of default; the federal tax liens survive the plan confirmation, a bankruptcy discharge, and dismissal of the case. The Liens continue to be enforceable against all of the Debtor's property under federal law.</p> <p>A failure by the Debtor to make a payment to the IRS pursuant to the terms of the <i>Plan</i> and/or failure to remain current on filing and paying post-confirmation taxes, shall be an event of default, and as to the IRS, there is an event of default if payment is not received by the 15th day of each month. If there is a default, the IRS must send written demand for payment, and said payment must be received by the IRS within 15 days of the date of the demand</p>

The Debtor can receive up to three (3) notices of default from the IRS; however, on the third notice of default from the IRS the third notice cannot be cured, and the IRS may accelerate its allowed claim(s), past and future, and declare the outstanding amount of such claim(s) to be immediately due and owing and pursue any and all available state and federal rights and remedies. These default provisions pertain to the entire claim(s) of the IRS, secured, unsecured priority and unsecured general.</p> <p>The IRS is bound by the provisions of the confirmed <i>Plan</i> and is barred under 11 USC 1141 from taking any collection actions against the Debtor for prepetition claims during the duration of the <i>Plan</i> (provided there is no default as to the IRS). The period of limitations on collection remains suspended under 26 U.S.C. 6503(h) for the tax periods being paid under the <i>Plan</i> and terminates on the earlier of (1) all required payments to the IRS have been made; or (2) 30 days after the date of the demand letter (described above) for which the debtor failed to cure the default.</p>
<p>Class 2 – Secured Claim of the Texas Comptroller of Public Accounts</p>	<p><i>Impaired</i></p>	<p>25</p>	<p>Texas Comptroller of Public Account’s (the “Comptroller”) prepetition allowed claim in the approximate amount of \$9,095.15 will be paid in full through sixty (60) equal monthly installments in the amount of One Hundred Seventy Two and 66/100 Dollars (\$172.66), with the first payment being made on fifteenth (15th) day of the first full month following the <i>Confirmation Date</i>, with fifty-nine (59) payments of equal amount to be made on each consecutive month thereafter until the tax debt is paid in full. The <i>Plan’s</i> interest at the rate of 5.25% <i>per annum</i> shall accrue on the entire balance until the tax debt is paid in full. GM, as the</p>

			<p>Reorganized Debtor may prepay the prepetition tax debt at any time.</p> <p>Should the Debtor fail to make any payments as required in the <i>Plan</i>, the Comptroller shall provide written notice of that default and send written notice by certified mail to Debtor and Debtor's counsel advising of that default, and providing the Debtor with a period often (10) days to cure the default. In the event that the default is not cured within ten (10) days, the Comptroller may, without further order of this Court, pursue all of its rights and remedies available to it under the Texas Tax Code to collect the full amount of all taxes, penalties and interest owed. Additionally, the failure to timely pay postpetition and/or post-confirmation taxes while the Reorganized Debtor is still paying any prepetition debt, shall be considered an event of default. The Comptroller shall provide GM's Counsel with written notice of that default and a ten (10) day opportunity to cure said default. In the event that GM fails to timely cure the post-petition and/or post-confirmation default, the Comptroller may proceed without further order of this court to collect the taxes, penalties and interest owed to that jurisdiction. The Reorganized Debtor shall be entitled to no more than three (3) <i>Notices of Default</i>. In the event of a fourth (4th) default, the Comptroller may pursue all rights and remedies available to it under the Texas Tax Code in state district court without order of the Bankruptcy Court. These default provisions pertain to the entire claim(s) of the Comptroller, secured, unsecured priority and unsecured general. The period of limitations on collection remains suspended under 26 U.S.C. §6503(h) for the tax periods being paid under the <i>Plan</i> and terminates on the earlier of (1) all required payments to the Comptroller have been made; or (2) 30 days after the date of the demand for payment letter (as described above) for which GM has failed to cure such default.</p>
<p>Class 3 – Secured Claim of the Texas Workforce Commission</p>	<p><i>Impaired</i></p>	<p>2 & 32</p>	<p>The Texas Workforce Commission’s (“TWC”) prepetition allowed claim in the approximate amount of \$738.99 will be paid in full on the <i>Confirmation Date</i>.</p> <p>The Debtor will remain current with all postpetition unemployment taxes as they become due. The Debtor will continue to file any and all future reports with the TWC as they become due in the ordinary course of business.</p> <p>Should the Reorganized Debtor fail to make any payments as required in the <i>Plan</i>, the TWC shall provide written notice of that default and send written notice by certified mail to Debtor and Debtor’s counsel advising of that default, and providing the Reorganized Debtor with a period often (10) days to cure the default. In the event that the default is not cured within ten (10) days, the TWC may, without further order of this Court, pursue all of its rights and remedies available to it under the Texas Tax Code to collect the full amount of all taxes, penalties and interest owed. The Reorganized Debtor shall be entitled to no more than three (3) <i>Notices of Default</i>. In the event of a fourth (4th) default, the TWC may pursue all rights and remedies available to it under the Texas Tax Code in state district court without order of the Bankruptcy Court. These default provisions pertain to the entire claim(s) of the TWC, secured, unsecured priority and unsecured general. The default provisions also pertain to any post-confirmation liability.</p> <p>The TWC is bound by the provisions of the <i>Confirmed Plan</i> and is barred under 11 U.S.C. §1141 from taking any collection actions against the Debtor for prepetition claims during the duration of the <i>Plan</i> (provided there is no default as to the TWC). The period of limitations on collection remains suspended under 26 U.S.C. §6503(h) for the tax periods being paid under the <i>Plan</i> and terminates on the earlier of (1) all required payments to the TWC have been made; or (2) 30 days after the date of the demand for payment letter (as described above) for which The Debtor has failed to cure such default.</p> <p>Any priority claims owed by the Debtor to the TWC will be paid in full on the <i>Effective Date</i>.</p>
Class 4 – Secured Claim	<i>Impaired</i>	28 & 29	The Secured Claim of Commercial State

<p>of Commercial State Bank</p>			<p>Bank (“CSB”) in the approximate amount of \$540,000.00² will be amortized over 60 months with 5.25% interest for a monthly payment in the amount of \$10,252.43, beginning the fifteenth (15th) day of the first full month following the <i>Effective Date</i> with a like payment on the first day of each succeeding month thereafter until paid in full. GM, as the Reorganized Debtor may prepay this claim at any time without penalty.</p> <p>Upon confirmation of GM’s <i>Chapter 11 Plan</i>, in the event of any defaults by the Debtor, CSB shall provide written notice via first class mail to Debtor at 4702 ECR 133, Midland, TX 79705 and to Debtor’s attorney of record, Carlos A. Miranda, III at 5915 Silver Springs, Bldg. 7, El Paso, Texas 79912, indicating the nature of default. If Debtor fails to cure the default with certified funds on or before the passage of fifteen (15) calendar days from the date said written notice is placed in the mail, then CSB may proceed to foreclose its security interest pursuant to applicable state law and thereafter commence any action necessary to obtain complete possession of the property without further notice, order, or proceeding of this Court. The Debtor shall not be authorized to cure more than two (2) notices of default.</p> <p>The acceptance by CSB of a late or partial payment shall not act as a waiver of CSB’s right to proceed hereunder.</p> <p>In the event the Debtor’s case is dismissed or converted to any other chapter under Title 11 of the United States Bankruptcy</p>

SECTION 9 – REQUIREMENT FOR CONFIRMATION OF PLAN

1. Confirmation Requirements and Procedures:

PERSONS OR ENTITIES CONCERNED WITH CONFIRMATION OF THE PLAN SHOULD CONSULT WITH THEIR OWN ATTORNEYS BECAUSE THE LAW ON CONFIRMING A PLAN OF IS COMPLEX. The following discussion is intended solely for the purpose of alerting readers about basic *Confirmation* issues, as well as certain deadlines for filing Claims. GM cannot and does not represent that the discussion below is a complete summary of the law on this topic. Many requirements must be met before the Court can confirm a *Plan*. Some of the requirements include that the *Plan* must be proposed in “Good Faith”, whether the *Plan* pays creditors at least as much as Creditors would receive in a Chapter 7 liquidation, and whether the *Plan* is feasible. These requirements are not the only requirements for *Confirmation*.

⁴ Based on the potential deficiencies, GM expects the total unsecured claims to increase to approximately \$1,000,000.00.

- a. GM asserts that the *Plan* meets the requirements of Section 1129(a)(7) of the Code which is referred to as the “Best Interest of Creditors Test” which provides as follows:

With respect to each Impaired Class of Claim or Interest (I) Each holder of a Claim or an Interest of such Class (a) has accepted the Plan; or, (b) will received or retain under the Plan on account of such Claims or Interest, Property of a value, as of the Effective date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor was liquidated under Chapter 7 of the Code on such date; or (ii) if Section 1111(b)(2) of the Code applies to the Claims of such Class, each holder of a Claim of such Class will received or retain under the Plan on account of such Claim, Property of a value, as of Effective Date of the Plan, that is not less than the value of such holder’s interest in the estate’s interest in the Property that secures such Claims.” This *Disclosure Statement* contains: (I) A detailed analysis and valuation of the Properties of the Bankruptcy Estates; (ii) A detailed liquidation analysis of such Properties; and (iii) What would be realized by the holders of Claims and Interests if these Cases were converted Chapter 7 of the Code and in the Properties liquidated.

- b. If confirmation is sought pursuant to Section 1129(b) of the Code, GM asserts that the *Plan* does not “discriminate unfairly” with respect to each Class of Claims or Interest Impaired and each Class of Interest Impaired, pursuant to the requirements of Section 1129(b)(1) of the Code.
- c. If Confirmation is sought pursuant to Section 1129(b) of the Code, GM asserts that the *Plan* is “Fair and Equitable” with respect to each Class of Claims or Interest Impaired and each Class of Interest Impaired, pursuant to the requirements of Section 1129(b)(1) of the Code.

SECTION 10 - MECHANICS AND IMPLEMENTATION OF THE PLAN

1. Means For Execution of the Plan:

GM, or any party in interest who wishes to object to a Claim, must object to such Claim within ninety days after the *Effective Date* to have the Court determine the amount allowed to be paid under the *Plan*. Upon motion filed within such ninety-day period, the Court may extend this period for a reasonable time under the circumstances. If no objection is filed within the time so limited to the allowance of any Claim, such Claim shall become an Allowed Claim.

b. **No Distribution Until Objection Resolved:**

When an objection to a Claim has been resolved, distribution shall be made accordingly under the appropriate Class. If the Court determines that GM is obligated on any such Claim, such Claim shall be paid in accordance with the terms herein as allowed by the Court. Such Creditor shall then be paid pursuant to the terms set forth in the section addressing **Treatment and Distributions to Creditors Under the Plan** of the *Plan*. Such payment or payments shall constitute full satisfaction and discharge of each of such Claims.

c. **Other Claims, Including Amendment to Claims:**

All Claims not allowed or filed prior to the date provided below, including postpetition Claims for attorney's fees, late charges, penalties, interest and other post-petition charges in relation to an Allowed Claim of any Creditor, not otherwise barred by prior *Order* and not covered by the preceding Sections, shall be barred if an application by the creditor is not filed on or before twenty-eight (28) days after conditional approval of the Debtor's *Disclosure Statement*, including Claims, or amendments to Claims and/or Applications for Compensation arising under Sections 330, 503 or 506 of the Code, other than any and all Applications for Compensation to be filed by the Debtor's Counsel.

GM may commence or continue in any appropriate Court or tribunal any suit or other proceeding for the enforcement of the same. Any and all Claims which the Debtor or the Estate of the Debtor may have or which may arise under any of the provisions of the Code or which may be enforceable under any of the provisions of the Code or any other law or statute, including Claims of the Estates, shall be preserved and the Court shall retain jurisdiction to dispose of such causes of action, including common or statutory law causes of action unrelated to bankruptcy, pursuant to Section 1123(b)(3)(B) of the Code. All causes of action shall belong to the Debtor as part of the Property of the Debtor. To the extent any cause of action shall be non-transferable to the Debtor, they shall prosecute such causes of action for the benefit of the Estate. Any recovery of such non-transferable causes of action shall be distributed as the Court finds is fair and equitable. **The foregoing provisions of this Section notwithstanding, such provisions do not permit, allow, authorize, or empower GM or any creditor or third-party to modify, either directly or indirectly, the terms of the *Plan* or the treatment accorded to Creditors under the *Plan*.**

i. Adversary Proceedings:

GM reserve the right to commence any adversary proceedings permitted under the Code and the Federal Rules of Bankruptcy Procedure.

j. Implementation of Plan:

Entry of any Order or such direction as may be appropriate under Section 1142 of the Code for the purpose of implementing the *Plan*.

k. Conclusion:

Entry of an Order concluding and terminating this Case, provided, however, the Court shall retain jurisdiction over any adversary proceedings which remain pending.

SECTION 19 - ALTERNATIVES TO THE PLAN

1. Alternatives to the Plan:

a. Liquidation Under Chapter 7:

GM has set forth at **Section 6** the likely liquidation scenarios under Chapter 7 of the Code. Under these scenarios, it is most probable the General Unsecured Non-Insider Claims would not receive any distribution on their Allowed Claims. A conversion to Chapter 7 would not be a viable option for repayment.

b. Another Plan:

GM knows of no other *Plan* which is to be proposed to the Court. GM believes that the present *Plan* represents its best efforts for repayment to their Creditors and believes the *Plan* is in the best interests of the Estate, and the Secured and Unsecured Creditor constituencies.

c. Non-Bankruptcy Workout:

It is unlikely that in the event the Chapter 11 proceeding was dismissed that any Creditor would allow GM an opportunity to restructure its Secured and/or Priority Claims in the

non-bankruptcy setting. Most likely, the IRS would freeze the accounts of GM once again, depriving it of cash flow, and thus preventing it from operating.

SECTION 20 – LITIGATION

1. **Litigation Pertaining to the Debtor:**

Other than otherwise provided for in the GM's *Schedules of Assets and Liabilities*, to the best of the GM's knowledge, no litigation is pending or threatened, either for or against it except for:

A. *Fulgencio Chevalier Velasquez v. GM Oilfield & Trucking Services, LLC*, Personal injury claim arising from an automobile accident on July 22, 2015 in Martin County, Texas. GM's insurance assumed defense of the Claim and a *Release of Claims* was signed by the Claimant on April 20, 2017. A *Motion for Relief* was filed on July 14, 2017 by the Claimant to proceed in State Court against GM as a nominal party because according to Claimant, there is adequate liability insurance which would cover the incident made the basis of the lawsuit There is no liability to the Bankruptcy Estate. *See Docket No. 188.*

SECTION 21 - RISKS TO CREDITORS UNDER THE PLAN

1. **Risk Factors:**

Certain significant risk factors are inherent in the consummation of any *Plan*. The successful implementation of the *Plan* is dependent upon the ability of GM to fulfill its obligations under the *Plan*. Certain other risks are inherent to the *Plan*, which are:

a. **Economic Conditions:**

Current economic conditions could remain unstable for a period of time. These economic conditions could affect GM's ability to obtain new clients, affecting its profitability and overall operations.

SECTION 22 – RESERVATION OF RIGHTS

1. **Reservation of Rights:**

Neither the filing of the *Disclosure Statement* or *Plan*, nor any statement or provision contained in the *Plan* and this *Disclosure Statement*, nor the taking by a Creditor or other party in interest of any action with respect to the *Plan* and this *Disclosure Statement* shall (a) until confirmation of the *Plan*, be or be deemed to be an admission against interest, or (b) until confirmation of the *Plan*, be or be deemed to be a waiver of any rights that any Creditor or other party in interest might have against the Debtor or any Property of the Estates, as that term is defined in Section 541 of the Code, or any other Creditor or other party in interest of the Debtor, and until confirmation of the *Plan*, all such rights are

specifically reserved. In the event that confirmation of the *Plan* does not occur, neither the *Plan*, nor any statement contained in the *Plan* and this *Disclosure Statement* may be used or relied upon in any manner in any suit, action, proceeding, or controversy within the Cases involving the Debtor.

SECTION 23 - TAX CONSEQUENCES OF CONSUMMATION OF THE PLAN

1. General:

It is not practical nor is it intended by this general discussion to present herein a detailed explanation of the Federal Income Tax aspects of the *Plan*. In addition, although the following discussion is based upon the relevant provisions of the Internal Revenue Code of 1954, as amended (the "Code"), regulations promulgated by the *Internal Revenue Service* pursuant to the Code ("Regulations") the Bankruptcy Tax Act of 1986 (as amended), the Revenue Reconciliation Act of 1993, the Economic Growth and Tax Reconciliation Act of 2001, the Jobs and Growth Tax Relief Reconciliation Act of 2003, and judicial administrative interpretations thereof presently in effect, in some cases the proper interpretation of such authority or their application to particular factual situations is unclear. Moreover, each Creditor is cautioned that this discussion is based in part on the provision of the Tax Reform Acts of 1984, 1986, 1993, 2001 and 2003 which have been enacted into law, and as to which, there are, to date, varying judicial or administrative interpretations. As a result of the foregoing, under current law, there is substantial uncertainty surrounding many of the tax consequences applicable to the various payments to be made under the *Plan*. Additionally, Creditors are further advised that no ruling has been requested or obtained from the Internal Revenue Service (the "IRS") nor has an opinion of counsel been obtained by the Debtor with respect to the tax aspect of the *Plan*. For all of the foregoing reasons and because the Federal Income Tax consequences of the *Plan* will depend in part upon certain factual matters unknown to the Debtor relating to each particular creditor, **EACH CREDITOR IS URGED TO SEEK ADVICE FROM HIS OR ITS OWN TAX ADVISER WITH RESPECT TO THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN, AND, IF APPLICABLE, STATE AND LOCAL TAX CONSEQUENCES.**

2. Tax Consequences to Creditors:

The tax consequences to each Creditor will vary depending upon the extent to which the Creditor receives payment, and the manner and time in which the Creditor is paid. In general, a Creditor who receives only cash in satisfaction of his Claim will recognize ordinary income to the extent that the amount received is allocable to Claims or interests that were not previously included in its income, and will recognize a loss to the extent such accrued interest was previously included in income and is deemed not to be paid in full. In addition, such Creditor will normally recognize a gain or a loss on a payment and extinguishment of its Claim equal to the difference between the adjusted basis of its Claim (other than Claims with respect to accrued interest) and the balance as the amount of cash received after any allocation of the proceeds to accrued interest. Amounts realized in payment and satisfaction of the Claim will usually be applied first to the payment of

accrued interest in the absence of an agreement between the Debtor and the Creditor providing for a different allocation. **THE DEBTOR AND ITS COUNSEL AND ACCOUNTANTS EXPRESS NO OPINION CONCERNING THE TAXES CONSEQUENCES OF THE PLAN TO ANY CREDITOR.**

3. Tax Consequences to Debtor:

Generally, Internal Revenue Code Section 108 provides that the cancellation of indebtedness by a creditor results in a Debtor having to recognize income on the difference between the amount paid for such cancellation and the amount of the debt canceled. In a Chapter 11 case where the *Plan* has been approved, no income is actually recognized and taxed but instead a Debtor tax attribute, such as net operating loss, carry forwards and investment tax credits are reduced to the extent of the deemed income in the order and priority as set forth in the Code.
