DEBTORS' JOINT DISCLOSURE STATEMENT TO JOINT PLAN OF <u>REORGANIZATION</u>

INTRODUCTION

On March 15, 2016, Glasir Medical, LP and MFLR, LLC ("Debtors" or "Debtors-in-Possession") filed voluntary Petitions under Chapter 11 of the U.S. Bankruptcy Code. Since the Petition Date, the Debtors have continued to operate as Debtors in Possession pursuant to the provisions of sections 1107 and 1108 of the Bankruptcy Code.

This Joint Disclosure Statement to Joint Plan of Reorganization (hereinafter "Disclosure Statement") has been prepared by the Debtors pursuant to Section 1125 of the Bankruptcy Code, which requires that creditors receive a written disclosure statement containing sufficient information about the Debtors to enable creditors to make an informed and intelligent decision regarding the Joint Plan of Reorganization (hereinafter "*Plan*"). Prior to the solicitation of your vote on the Plan, and as required by the Bankruptcy Code, the Bankruptcy Court has approved this Disclosure Statement as containing adequate information about the Debtors.

In addition to this Disclosure Statement and accompanying Plan, you will also receive an order of the Court setting the hearing on the confirmation of the Plan and establishing deadlines for casting your vote or filing objections to confirmation. Mailing instructions are included in your Ballot. YOUR VOTE IS IMPORTANT. In order for the Plan to be accepted, at least two-thirds (2/3's) in amount and one-half (1/2) in number of the voting creditors in each class must affirmatively vote for the Plan. Even if all classes of claims accept the Plan, the Bankruptcy Court may refuse to confirm the Plan. Among other things, Section 1129 requires that the Plan be in the best interests of the creditors and other parties in interest, and generally requires that the holders of the claims not receive less than would otherwise be realized if the Debtors were liquidated under Chapter 7 of the Bankruptcy Code.

16-50613-cag Doc#23 Filed 08/29/16 Entered 08/29/16 10:51:21 Main Document Pg 2 of 80

In appropriate circumstances, the Bankruptcy Court may confirm a Plan even though less than all of the classes of claims accept the Plan. The circumstances warranting confirmation notwithstanding the vote of a dissenting class or classes of creditors are set forth in Section 1129(b) of the Bankruptcy Code. Except as otherwise provided in the Plan, the Order of Confirmation, or Section 1141(d), confirmation of the Plan will discharge the Debtors from all of their debts. Confirmation makes the Plan binding on the Debtors and all of their creditors, regardless of whether or not they have accepted the Plan.

MFLR, LLC is the general partner for Glasir Medical, LP and is therefore liable for all of Glasir Medical, LP's debts. MFLR, LLC does not have any debts independent of Glasir Medical, LP. Therefore, the Debtors have filed a joint plan of reorganization and all debts and obligations listed herein are owed equally by each debtor.

A. <u>The Debtors</u>

Christopher Canis and Thomas Wilson formed Glasir Medical, LP ("Glasir") and MFLR, LLC ("MFLR") in November 2012, in order to purchase the assets of Medical Concepts, Inc. which was a company that sold medical implants. MFLR is Glasir's general partner that owns 2% of Glasir. The asset sale was financed through owner financing provided by the seller of the assets, Medical Concepts, Inc.., which was owned and controlled by Harold B. Childs. The assets were sold for \$2,191,167.85 at 5% interest for the first year and then 10% for years two through five. This debt is fully secured by all of Glasir's assets, which include intellectual property, transferable licenses, receivables and inventory totaling approximately \$2.1 million. The terms of the asset purchase required Glasir to make monthly payments of \$45,539.56, which were made up until filing the bankruptcy.

Glasir began to encounter the following challenges in 2013:

a. Vendors that were selling Glasir products for distribution started to actively pursue Debtor's customers essentially cutting Glasir out of the sale.

b. Due to Obamacare's reduction in physician and sales' representative income, both of these classes aggressively pursued Glasir's customers becoming resellers of implants and biologics, forcing Glasir to transition from more profitable retail sales customers to less-profitable wholesaler customers.

c. Glasir's largest retail customer converted over to a distributorship, which resulted in \$200k-\$300k/month in lost sales.

d. Due to the system-wide transition to reselling of implants and biologics, it forced Glasir's product lines into being considered a commoditized product. The average sale price ("ASP") of Glasir wholesaled products rapidly declined by 30%-50%.

e. Insurance companies, flexing their new found muscle as a result of Obamacare legislation, reduced reimbursements to hospitals as well as denying previously accepted products. This resulted in hospitals demanding lower pricing which added even more pressure on the ASP of the products Glasir manufactures and distributes.

Even facing all of these challenges, Glasir was able to continuing servicing the note to Medical Concepts and paid the note down to a balance of approximately \$881,000. However, as a result of the squeeze Obamacare put on smaller hospitals, several hospitals defaulted on their

16-50613-cag Doc#23 Filed 08/29/16 Entered 08/29/16 10:51:21 Main Document Pg 3 of 80

payments for Glasir's products. These defaults ultimately have resulted in over \$300,000 in judgments in favor of Glasir. These judgments are not only against the hospitals but in some cases against the officers and directors of the hospitals. The outstanding balances and the costs associated with collection have put Glasir in a position where it cannot currently service the outstanding balance to Medical Concepts at \$45,539.56 per month.

While the environment that Glasir started its business in has changed dramatically in three years, Debtors now have a good solid base of business and continue to obtain new customers. They have instituted many cost saving measures to help keep their overhead as low as possible. Debtors' intent is to pay everything owed to their creditors in full and continue to diligently pursue the success of the business in the new environment.

In three short years, Glasir has managed to pay down the \$2.2 million debt to Medical Concepts to an outstanding balance of approximately \$881,000. Debtors contend that by reorganizing the \$881,000 to be paid out in full over a 5-year period at 10% interest Debtors will be able to pay all their remaining debts at 100%. The debts in addition to the Medical Concepts debt are \$233,000 in primarily unsecured trade vendor debts, \$63,000 owed to the Bexar County Tax Assessor Collector (including current year's taxes), \$30,000 in priority IRS and Texas Comptroller tax debt and \$1500 in priority wage claims. As the general partner, MFLR is liable for all of Glasir's debts.

B. <u>The Plan Proponents</u>

The Debtors are the Plan Proponent in this case.

C. <u>The Disclosure Statement</u>

Pursuant to Section 1125(b) of the Bankruptcy Code (Title 11 of the United States Code, hereinafter referenced as 11 U.S.C. section number), a precondition to solicitation of acceptances and rejections of a Plan of Reorganization from holders of claims or interests in the bankruptcy estate is that the holders be furnished with a copy of the Plan or a summary of the Plan and a written Disclosure Statement which contains "adequate information".

"Adequate information" means:

information of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the Debtor and the condition of the Debtors' books and records, that would enable a hypothetical reasonable investor typical of holders of claims or interests of the relevant class to make an informed judgment about the Plan, but adequate information need not include such information about any other possible or proposed Plan.

11 U.S.C. 1125(a)(1).

Whether or not a disclosure statement contains adequate information is determined by the Court upon notice and hearing. 11 U.S.C. § 1125(b). All parties in interest may participate in this determination. After the disclosure statement is approved by the Court, a hearing will be set on confirmation of the Plan and a Plan package which includes copies of the Order Approving

Disclosure Statement, Plan, this Disclosure Statement and Ballot will be sent to the parties entitled to vote on the Plan.

D. <u>Chapter 11</u>

Chapter 11 is a portion of the Bankruptcy Code which provides a business with protection from their creditors while it seeks to reorganize their business affairs, including the repayment of their debts. The terms of the proposed reorganization are embodied in a Plan of Reorganization. While the Bankruptcy Code gives the Debtors many aids in the reorganization of its financial affairs, these aids are balanced with rights and protections afforded to creditors. Confirmation of a Plan of Reorganization is the objective of the Debtor in a Chapter 11 Reorganization Case. Performance of the confirmed Plan is the objective of the Reorganized Debtor. The Plan is the terms by which the claims against and interests of the Debtors are satisfied.

E. <u>The Process of Confirmation</u>

1. Hearing on Confirmation. Confirmation of a Plan is simply approval by the Court. This approval is sought by the Plan proponent at the hearing on confirmation. In order to obtain approval of the Court, the Plan proponent must show that the Plan meets all requirements for confirmation.

2. Requirements for Confirmation. The requirements for confirmation are listed in 11 U.S.C. § 1129(a). These requirements are part of the balancing of rights and aids between the Debtor and its creditors. Certain of the requirements for confirmation necessitate the solicitation of ballots from the holders of claims against and interests in the Debtor indicating either their acceptance or rejection of the Plan. Section 1129(a) does not require that each and every holder of a claim against or interest in the Debtor vote to accept the Plan in order for it to be confirmed by the Court. First, only those holding claims or interests which are in classes which are impaired are entitled to vote. Impairment is defined in 11 U.S.C. § 1124.

Impairment basically means an alteration of the legal, equitable or contractual rights of the holder of the claim or interest. The Plan proponents must assert in the Disclosure Statement whether or not each class is deemed by them to be impaired. The proponents' conclusion may be disputed by a creditor and the dispute resolved by the Court. If a Plan impairs or changes the rights of any creditor, it must be accepted by at least one Class of impaired claims. Second, only those ballots that are properly completed and timely delivered are counted. Third, of those voting in each class, only a majority of the claims in number and at least two-thirds (2/3) in amount are needed for the acceptance of the Plan by that class.

Even if all Classes of claims and interests accept the Plan, its confirmation may be denied by the Bankruptcy Court for the failure to meet some other requirement of Section 1129 of the Bankruptcy Code. Among those requirements is one that the Plan is in the best interest of claim holders and interest holders. That generally requires that the value to be distributed to claimholders and interest holders may not be less than such parties would receive if the Debtors were liquidated under Chapter 7 of the Code.

3. Cramdown: The Court may confirm a Plan even though a class of claims or interest holders rejects the Plan. Confirmation of a Plan over the rejection by one or more classes of claims or interests is generally referred to as "cram down". In order for the Plan to be confirmed in spite

16-50613-cag Doc#23 Filed 08/29/16 Entered 08/29/16 10:51:21 Main Document Pg 5 of 80

of the rejection by a class of claims or interests, the proponent of the Plan must show that the Plan does not discriminate unfairly and is fair and equitable with respect to each class of claims or interests that is impaired and has not accepted the Plan.

Section 1129(b)(2) provides that the following standards are among the issues to be considered in determining whether the Plan is "fair and equitable" with respect to a particular class:

<u>Secured Claims</u>. The Plan is fair and equitable with respect to each class of secured claims if it provides that either:

1. The holders are to retain their lien, whether the collateral is retained by the Debtor or transferred to another entity, to the extent of the allowed amount of their secured claim, and are to receive deferred cash payments totaling not less than the allowed amount of their claims and having a present value of not less than the value of the collateral or, in the alternative, secured creditors must receive their collateral in satisfaction of new secured claims.

2. The collateral is to be sold in a sale permitting the holder to "bid in" free and clear of holder's lien, with such lien to attach to the proceeds of such sale, and the treatment of the lien on such proceeds under either clause (1) or (3) hereof; or

3. The holders are to receive the "indubitable equivalent" of their claims.

<u>Unsecured Claims</u>. The fair and equitable requirement in the context of a class of unsecured claims requires that either:

1. The holders are to receive property with a present value equal to the allowed amount of their claims; or

2. No holders in a class junior to the rejecting class are to receive any property.

I. <u>REPRESENTATIONS</u>

The statements contained in this Disclosure Statement are made as of the date of this Disclosure Statement unless another time is specified. Except as stated herein, no other representations concerning the Debtors, their business operations, the value of their property, or the value of any benefits offered to you in the Plan are authorized. ANY REPRESENTATIONS OR INDUCEMENTS WHICH ARE CONTRARY TO THE INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT SHOULD NOT BE RELIED UPON BY YOU IN ARRIVING AT YOUR DECISION, and such representations or inducements and their origin should be immediately reported to Ronald J. Smeberg, The Smeberg Law Firm Counsel for the Debtor, 2010 West Kings Highway, San Antonio, Texas 78201; Telephone: (210) 695-6684.

THE DEBTORS AND THEIR COUNSEL HAVE MADE EVERY EFFORT TO INSURE THAT THE INFORMATION CONTAINED IN THIS DISCLOSURE STATEMENT IS ACCURATE. WE CANNOT, HOWEVER, WARRANT THAT ALL OF THE DATA IS COMPLETELY ACCURATE, THOUGH WE FEEL IT IS MATERIALLY ACCURATE TO OUR BEST KNOWLEDGE, INFORMATION AND BELIEF. THE INFORMATION IN THIS DISCLOSURE STATEMENT HAS NOT BEEN SUBJECT TO AN INDEPENDENT AUDIT, AND FINANCIAL INFORMATION HAS BEEN BASED UPON OUR INTERNAL RECORDS. IF ANY STATEMENTS OF FINANCIAL MATTERS WERE MADE BY THIRD-PARTY ACCOUNTING PROFESSIONALS ACCOMPANY THIS DISCLOSURE STATEMENT, THEY WILL CONTAIN A DISCLAIMER REQUIRED OF UNAUDITED FINANCIAL INFORMATION. FURTHER, YOU SHOULD NOT CONSTRUE THE BANKRUPTCY COURT'S APPROVAL OF THIS DISCLOSURE STATEMENT AS AN ENDORSEMENT OF THE PLAN OR A GUARANTY OF THE ACCURACY OR COMPLETENESS OF THE INFORMATION PRESENTED HEREIN.

The Debtors have expended considerable time in devising a Plan which it believes to be financially feasible and fair to its creditors. Consequently, the Debtors urge you to vote for acceptance of the Plan.

II. <u>INFORMATION CONCERNING THE DEBTORS</u>

A. <u>Results of Operations as Debtors in Possession</u>

Post-petition, the Debtors have continued to operate the medical device supply company. The revenue that has been collected from the Petition Date forward is currently held in debtor-inpossession accounts. Debtors' expectations have exceeded its projections in that were filed with the Court with its motion to used cash collateral. A copy of Glasir's most recent Monthly Operating Report is attached hereto as Exhibit "A" and Debtors' cash collateral projections are on file with the Court.

C. <u>Estimated Future Income and Expenses</u>

The Debtors have attached as Exhibit "B", pro-forma showing Glasir's projected performance. The Debtors' pro-forma financial statements attached as Exhibit "B" accurately and fairly project the Debtors' estimated future income and expenses.

D. Future Management of the Reorganized Debtor

The Debtors will continue to manage their financial affairs as they did prior to the bankruptcy filing as a part of their Joint Plan of Reorganization. The Debtors will be able to make monthly plan payments with money generated through is medical device operations.

The company shall continue to be managed by its two members Christopher Canis and Thomas Wilson.

E. <u>Causes of the Bankruptcy Filing</u>

Inability to pay debtors' secured lender Bob Childs.

F. Changes to Operations

Debtors shall continue operating and working to obtain new business.

G. <u>Summary of the Plan</u>

16-50613-cag Doc#23 Filed 08/29/16 Entered 08/29/16 10:51:21 Main Document Pg 7 of 80

Glasir shall amortize the remaining balance owed to Bob Childs at 10% interest over 5 years cutting the monthly payment more than in half.

Property taxes shall be paid at 12% interest within 5 years from the date the bankruptcy was filed.

Allowed unsecured claims shall be paid 100% of their claims in quarterly payments over 5 years from confirmation.

The priority wage claim shall be paid within 60 days of confirmation.

Allowed Priority IRS tax claims shall be paid at 4% interest (or interest applicable at confirmation) in regular monthly payments within 5 years from the date of the Bankruptcy filing.

Allowed Priority Texas Comptroller tax claims shall be paid at 4.25% interest (or interest applicable at confirmation) in regular monthly payments within 5 years from the date of the Bankruptcy filing.

The Debtors' pro forma financial projections indicate that the Debtors shall be able to make the monthly payments proposed to all creditors proposed under the Plan.

III. ANALYSIS AND VALUATION OF PROPERTY

A. <u>Real Property</u>

None.

B. <u>Personal Property</u>

Attached as Exhibit "C" is Schedule B - Personal Property filed by the Debtor with the Court.

C. <u>Leases and Executory Contracts</u>

The Debtor is rejecting all leases and executory contracts that are not specifically assumed.

D. <u>Liquidation Value</u>

Debtor contends that because the unsecured creditors are receiving 100% of their allowed claims, the "best interest of creditors test" has been satisfied because creditors would not receive any more in a chapter 7 liquidation.

IV. SUMMARY OF PLAN OF REORGANIZATION

A. <u>Classification and Treatment of Claims</u>

<u>Administrative Expenses</u>: Although not classified, the professionals who have provided services to the Debtor during the pendency of this Chapter 11 case are entitled to administrative claim treatment. These claims do not include other administration priority claims allowed under

11 U.S.C. § 503. Those will be paid in the ordinary course as priority claims under 11 U.S.C. § 507(a). The estimated amount of such claims is as follows:

Curl Stahl & Geis (Special Counsel)	\$ <u>20,000.00</u>
The Smeberg Law Firm. (Attorneys)	\$15,000.00
David A Schueller (Accountant)	\$1000.00
George Billingsley (Property Tax Consultant)	\$2000.00
JD Webb (FDA Consultant)	\$2000.00
Total Estimated Professional Claims	<u>\$ 40,000.00</u>

[This estimate is subject to revision; no claim for administrative claims can be paid absent Court approval.]

The amount of the professional fees disclosed above is an approximate amount. It is unknown at this time exactly how much money will be incurred in professional fees in this Chapter 11 case. A final determination cannot be made until such time as the case is closed as to reasonable professional fees for the provision of whatever services become necessary in this Chapter 11 case. Any other allowed costs and expenses of administration of the Debtors' Chapter 11 bankruptcy cases will also be entitled to administrative treatment. These will be paid in full at confirmation, less any retainers already received, after approval by the Court of said fees. The anticipated administrative expenses of the Debtors are moderate for a case of this size.

All fees required to be paid by 28 U.S.C. §1930(a)(6) (U.S. Trustee Fees) will accrue and be timely paid until the case is closed, dismissed, or converted to another chapter of the Code. Any U.S. Trustee Fees owed on or before the effective date of this Plan will be paid on the effective date.

Unsecured Priority Claims:

<u>IRS</u>

The IRS filed a proof of claim on behalf of unpaid employment withholding taxes, penalties and interest in the amount of \$17,000.00. This claim is disputed and to the extent the parties are unable to resolve the dispute, Debtors shall file an objection with the Court. The IRS debt shall be paid in equal installments of principal and interest over the first 4 years of the Plan with interest at four (4%) per annum beginning on the first day of the month following 30 days after the Effective Date. The estimated monthly payment to the IRS is \$384.00

The debt owed by the Debtors to the IRS (except unsecured non priority debt) is a nondischargeable debt, except as otherwise provided for in the Bankruptcy Code, and that if the Debtors should default, the IRS is not subject to the provisions of the Bankruptcy Code so that the IRS can take whatever actions are necessary to collect said debt in the event of default.

A failure by the Debtors to make a payment to the IRS pursuant to the terms of the Plan shall be an event of default; as to the IRS, there is an event of default if payment is not received by the 15th day of each month; if there is a default to IRS, IRS must send written demand for payment to the Debtors and said payment must be received by the IRS within fifteen (15) days of the date of the demand letter; the Debtors can receive up to five (5) notices of default from the IRS; however, on the fifth default cannot be cured, and the IRS may accelerate its allowed claim(s), past or future, and declare the outstanding amount of such claim(s) to be immediately due and owing, and pursue any and all available state and federal rights and remedies.

The IRS is bound by the provisions of the confirmed Plan and is barred under Section 1141 from taking any collection action against the Debtors for pre-petition claims during the duration of the Plan (provided there is no default as to the IRS). The period of limitations on collection remains suspended under 26 U.S.C. Sec. 6503(h) for tax periods being paid under the Plan and terminates on the earlier of (1) all required payments to the IRS has been made; or (2) 30 days after the date of a demand letter for which the Debtors failed to cure the default.

Texas Comptroller

The Texas Comptroller filed a proof of claim in the amount of \$13,600.00 for franchise taxes. This claim is disputed and to the extent the parties are unable to resolve the dispute, Debtors shall file an objection with the Court. The Texas Comptroller debt shall be paid in equal installments of principal and interest over the first 4 years of the Plan with interest at four (4.25%) per annum beginning on the first day of the month following 30 days after the Effective Date. The estimated monthly payment to the Texas Comptroller is \$309.00

<u>Class 1 Claims</u>: The Class 1 claims consist of the unimpaired secured claims of the taxing entities located in Bexar County in the amount of \$63,395, which includes all taxes owed through 2016. This claim is disputed as Debtors are currently in the process of contesting the amount of the claim through the administrative property tax dispute process. Debtors shall not file an objection to the claim. However, the claim shall be reduced to the amount ultimately determined in the dispute process for all claimed years.

The Bexar County allowed claim will be paid in full in forty-eight (48) equal, consecutive monthly installments, with the first payment being made on the first day of the first month following 30 days after the Plan's Effective Date. Post-petition interest at the rate of twelve percent (12%) per annum shall accrue beginning from the Petition Date until the confirmation date. Thereafter, plan interest at the rate of twelve percent (12%) per annum shall accrue on the entire balance until the tax debt is paid in full. Debtors shall make separate payments on each account consistent with separate amortization schedules provided to the Debtors. Each separate payment which will be applied pro rata to the various tax accounts indicated above. In the event the Debtors sell, conveys or transfers any property which is collateral of the Bexar County to be applied to the Bexar County tax debt incident to any such property/tax account sold, conveyed or transferred.

16-50613-cag Doc#23 Filed 08/29/16 Entered 08/29/16 10:51:21 Main Document Pg 10 of 80

The Reorganized Debtors may pre-pay the pre-petition tax debt to any of the ad valorem taxing entities at any time. The Debtors shall have thirty (30) days from the Effective Date to object to the Bexar County claim; otherwise, such claim is deemed as an allowed secured claim in the amount of its Proof of Claim consistent with the treatment of each tax account under this Plan. Bexar County shall retain its statutory lien securing their pre-petition and post-petition tax debts until such time as the tax debts are paid in full. Debtors shall pay all post-petition ad valorem tax liabilities (tax year 2016 and subsequent tax years) owing to Bexar County in the ordinary course of business as such tax debts come due and prior to said ad valorem taxes becoming delinquent without need of any ad valorem taxing entity filing an administrative claim and request for payment.

Should the Reorganized Debtors fail to make any payments as required in this Plan, Bexar County shall provide written notice of that default by sending written notice by certified mail to Debtors' counsel advising of that default, and providing the Reorganized Debtors with a period of fifteen (15) days to cure the default. In the event that the default is not cured within fifteen (15) days, Bexar County may, without further order of this Court or notice to the Debtors, pursue all of their rights and remedies available to them under the Texas Property Tax Code to collect the full amount of all taxes, penalties and interest owed. Additionally, the failure to timely pay postpetition and/or post-confirmation taxes while the Reorganized Debtors are still paying any prepetition debt, shall be considered an event of default. In the event of a fourth (4th) default, Bexar County may pursue all rights and remedies available to it under the Texas Property Tax Code in state district court without further order of this court or further notice to the Debtors.

The Class 1 claim is not impaired under the Debtors' Plan of Reorganization and is not eligible to vote on the Plan.

<u>**Class 2 Claims</u></u>: The Class 2 claim consists of the impaired secured claim(s) of Harrold B. Childs, III ("Childs") in the amount of \$881,282. The debt to Childs is secured by pre-petition liens as set forth in the loan documents. The debt to Childs shall be paid at 10% interest in 60 equal monthly installments of \$18724.76, beginning on the first day of the month following 60 days after the Effective Date in accordance with Exhibit D. Except for the change in payment terms and default terms stated in the Plan, the loan shall be reinstated upon confirmation and the documents making the basis for the Class 2 Claim shall remain in full force and effect. Debtor shall continue making adequate assurance payments pursuant to the cash collateral order entered by the Court until the month prior to its first payment under the Plan.</u>**

The Class 2 claim is impaired under the Debtors' Plan of Reorganization and is eligible to vote on the Plan.

<u>**Class 3 Claims**</u>: The Class 3 claims consist of the claims of general unsecured creditors. The unsecured claims included the claims scheduled on the Debtors' Schedules (Schedule F) and/or filed with the Court, including any amendments to schedules and claims, and are estimated to be in the approximate amount of \$233,000. The Class 3 Claimants are as follows:

<u>Class 5 Claims</u>: The Class 5 claims consist of the claims of the equity interest holders of the Debtor, Thomas Wilson and Christopher Canis. The Class 5 parties shall retain their ownership interests in the Debtors.

The Class 5 Claims are not impaired and are deemed to have accepted the Plan.

² Christopher Canis is a guarantor of the American Express account and has been making payments on the American Express account to prevent damage to his personal credit rating. On confirmation, of Debtors' Plan Christopher Canis shall be reimbursed for all payments made on the American Express account. Further, the American Express claim shall be reduced down to the amount owed as of the date of Confirmation. American Express shall send a statement of the amount owed as of the Confirmation date to Debtors within 20 days of confirmation.

B. <u>Payment of Administrative Claims</u>

All allowed administrative claims shall be paid in full on or after the Plan's Effective Date in accordance with the provisions of 11 U.S.C. '1129(a)(9)(A), as agreed to between a particular administrative claimholder and the Debtors. The Debtors anticipate paying administrative claims from available cash upon confirmation.

C. <u>Feasibility of the Plan.</u>

The Plan is feasible as a result of the income to be generated from Debtors' medical device sales as shown by the proformas attached as Exhibit B.

D. <u>Claims Allowance Procedure</u>

The Debtors shall file any claims objections on or before sixty (60) days from the Plan's Effective Date. At present, the Debtors are attempting to resolve any disputes regarding claims with each particular creditor. The Debtors are hopeful that such negotiations will lead to an amicable resolution of any claim disputes; however, there is no guarantee that the negotiations will lead to a resolution of any disputes.

At this time, Debtors anticipate filing objections to the claims of 1) the IRS and 2) the Texas Comptroller.

E. <u>Retention of Jurisdiction</u>

The Court will retain jurisdiction as set out in the Plan.

F. Interests Retained by the Debtor

The Debtors are retaining their current ownership interests in their real and personal property, subject to the secured and unsecured claims of their creditors.

G. <u>Advance Payment of Claims</u>

Provided Debtors stay current on all payments to creditors pursuant to the Plan, Debtors may make advance payments on claims in Debtors' business judgment discretion.

V. <u>RISK TO CREDITORS UNDER THE DEBTORS' PLAN</u>

The principal risk that creditors will incur under the Debtors' Plan is that the Debtors' sales could decrease as a result of changes in the economy, changes in government regulation, or increased competition. The Debtors might not be able to continue to fund the payments proposed by the Plan unless it could generate alternative sources of income or cash.

VI. <u>TAX CONSEQUENCES</u>

The Debtors are Texas entities. Debtors file income tax returns on an annual basis. The Debtors do not anticipate any tax consequence as a result of the Plan. Debtors are on an accrual

basis accounting system. All parties in interest should contact their own tax advisors in regard to their own personal tax consequences of voting for or against the Plan.

VII. <u>LITIGATION</u>

All litigation pending at the time Debtors filed their petition were related to Debtors' attempts to recover money owed to Debtor. During the bankruptcy Debtors resolved litigation against officers of the University General Health System, Inc. in which Glasir recovered 90% of the amounts owed to Glasir. There are other debt litigation cases pending which Debtors shall continue to prosecute post confirmation. Other than potential claims litigation, Debtors do not anticipate any other litigation.

VIII. <u>PREFERENTIAL OR VOIDABLE TRANSFERS</u>

The Debtors are unaware of any recoverable preferential or other voidable transfers at this time.

A. <u>Modification of the Plan</u>.

The Debtors may propose amendments or modifications to their Plan at any time prior to the date of the entry of the Order Confirming Plan, with leave of the Court, and upon proper notice to parties in interest. After the date of the Order Confirming Plan, Debtors may, with approval of the Court so long as it does not materially or adversely affect the interests of creditors, remedy any defects or omissions or reconcile any inconsistencies in the Plan or in the Order Confirming Plan in such manner as may be necessary to carry out the purpose and effect of this Plan.

B. <u>Effect of Confirmation of the Plan</u>.

Legally Binding Effect. The provisions of this Plan shall bind all Creditors and Interest Holders, whether or not they accept this Plan. On and after the Effective Date, all holders of Claims shall be precluded and forever enjoined from asserting any (i) Claim against the Debtor based on any transaction or other activity of any kind that occurred prior to the Confirmation Date except as permitted under the Plan; and (ii) derivative claims, including

claims against third parties asserting alter ego claims, fraudulent transfer claims, guaranty claims or any type of successor liability based on acts or omissions of the Debtor.

Limited Discharge of Debtor and Injunction. The entry of the Confirmation Order will operate as a general resolution with prejudice, as of the Effective Date, of all pending Legal Proceedings, if any, against the Debtor and its assets and properties and any proceedings not yet instituted against the Debtor or its assets, except as otherwise provided in the Plan. Except as otherwise expressly provided in the Plan or the Confirmation Order, all Persons who have held, may have held, hold, or may hold Claims against the Debtor are permanently enjoined on and after the Effective Date from (a) commencing or continuing in any manner any action or other proceeding of any kind against the Debtor or its property, with respect to any such Claim, (b) the enforcement, attachment, collection or recovery by any manner or means of any judgment, award, decree or order with respect to any such Claim against the Debtor or its property, (c) creating, perfecting, or enforcing any encumbrance of any kind against the Debtor or its property, with respect to such Claim, (d) asserting any right of subrogation of any kind against any obligation due to the Debtor or the property of the Debtor or the Estate with respect to any such Claim and (e) asserting any right of setoff or recoupment against the Debtor or the Estate except as specifically permitted by § 553 of the Bankruptcy Code. Unless otherwise provided in the Plan or by order of the Bankruptcy Court, all injunctions or automatic stays provided for in these cases pursuant to § 105, if any, or § 362 of the Bankruptcy Code, or otherwise, and in existence on the Confirmation Date will remain in full force and effect until the Effective Date.

Limited Protection of Certain Parties in Interest. Neither (a) the Debtor, or any of its respective employees, officers, directors, agents, representatives, affiliates, attorneys, financial advisors, or any other professional persons employed by the Debtor, nor (b) each Professional for the Debtor or any of their employees, officers, directors, agents, representatives, affiliates, attorneys, financial advisors, or any other professional persons employed by any of them, (the persons identified in (a) and (b), are collectively referred to as "Protected Persons"), shall have or incur any liability to any Person or Entity under any theory of liability for any act or omission occurring on or after the Petition Date in connection with or related to the Debtor, the Chapter 11 Case, or the Estate, including, but not limited to, (i) formulating, preparing disseminating, implementing, confirming, consummating or administering this Plan (including soliciting acceptances or rejections thereof); or (ii) the Disclosure Statement or any contract, instrument, release or other agreement or document entered into or any action taken or omitted to be taken in connection with this Plan, except for acts constituting willful misconduct, gross negligence, or ultra vires activity and in all respects such Protected Persons shall be entitled to rely in good faith upon the advice of counsel. In any action, suit or Legal Proceeding by any Person contesting any action by, or non-action of any Protected Person as constituting willful misconduct, gross negligence, or *ultra vires* activity or not being in good faith, the reasonable attorneys' fees and costs of the prevailing party will be paid by the losing party and as a condition to going forward with such action, suit, or Legal Proceeding at the outset thereof, all parties thereto will be required to provide appropriate proof and assurances of their capacity to make such payments of reasonable attorneys' fees and costs in the event they fail to prevail.

<u>Continuation of Anti-Discrimination Provisions of Bankruptcy Code</u>. A Governmental Unit may not deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or

other similar grant to, condition such a grant to, or discriminate with respect to such a grant against, the Debtor, or another Person with whom the Debtor has been or are associated or affiliated, solely because of the commencement, continuation, or termination of the case or because of any provision of the Plan or the legal effect of the Plan, and the Confirmation Order will constitute an express injunction against any such discriminatory treatment by a Governmental Unit.

C. <u>Executory Contracts</u>.

All executory contracts of the Debtor not expressly assumed in writing on or before the date of the hearing on Confirmation of the Plan shall be deemed rejected.

D. <u>Default</u>

Upon default by the Reorganized Debtors and unless otherwise specified in the Plan, creditors are required to provide written notice of such Default to the Reorganized Debtors and their counsel, The Smeberg Law Firm, PLLC by certified mail, return receipt requested, and by regular first class mail, and the Reorganized Debtors shall have thirty (30) days from the date of the notice to cure the default. Any defect in such default notice shall toll the running of the thirty (30) day cure period. Notice of default shall be given to the Reorganized Debtors and Ronald Smeberg. If the Reorganized Debtors fail to cure within the thirty (30) day cure period provided herein, creditors shall be allowed to foreclose their liens without further notice of default for each calendar year. On the fourth (4th) notice of default for a calendar year, creditors shall be allowed to foreclose their liens without further notice of hearing before the court, or move to have the case converted to a case under Chapter 7.

XI. CONCLUSION

The Debtors submit this Disclosure Statement. The information contained herein has been compiled in good faith and in accordance with the provisions of 11 UCC §§ 101, *et. seq.* This Disclosure Statement is presented for consideration by creditors and other parties in interest and as the sole source of information furnished by the Debtors, or to be furnished by the Debtors, in solicitation of acceptance of Debtors' Plan of Reorganization.

The Debtors recommend that the Plan of Reorganization be approved in light of the alternative of a non-orderly liquidation. An operating plan is in the best interest of all creditors and parties-in-interest, therefore, all Creditors and Interest Holders are urged to vote to accept the Plan.
