3. On September 10, 2009, the Court entered the *Order Under Bankruptcy Code Sections 105, 502, 1125 and 1126, Bankruptcy Rules 2002, 3003, 3017, 3018, 3020 and 9007 and Local Bankruptcy Rule 3017-1 (1) Approving the Form and Manner of Notice of the Disclosure Statement Hearing; (II) Determining Adequacy of the Disclosure Statement; (III) Establishing a Record Date and Voting, Objection and Other Deadlines with Respect to Confirmation of Plan; (IV) Scheduling Hearing on Confirmation of Plan; (V) Approving (A) the Form and Manner of Notice of the Hearing on Confirmation and related Matters and (B) the Deadline for Filing Confirmation Objections; (VI) Approving the Solicitation Procedures; and (VII) Granting Certain Other Relief* (the “Solicitation Procedures Order”) [Docket No. 1797], pursuant to which the Court (a) authorized the Debtors to solicit votes on the *Joint Plan of Liquidation of VeraSun Energy Corporation and Its Affiliated Debtors* [Docket No. 1642] (as amended from time to time, including all exhibits and supplements, the “Plan”);² (b) approved procedures for soliciting, receiving and tabulating votes on the Plan and for filing objections to the Plan (the “Solicitation Procedures”); and (c) approved the *Disclosure Statement with Respect to the Joint Plan of Liquidation of VeraSun Energy Corporation and Its Affiliated Debtors* [Docket No. 1641] (as may be amended from time to time, the “Disclosure Statement”).

4. KCC has considerable experience in soliciting and tabulating votes to accept or reject proposed chapter 11 plans, and I am duly authorized to make and submit this affidavit on behalf of KCC (this “Affidavit”) regarding the tabulation of votes on the Plan. Except as otherwise indicated, all matters set forth herein are based upon my personal knowledge.

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Plan or the Solicitation Procedures, as applicable.

5. Pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures approved thereby, KCC worked with the Debtors and Debtors' counsel to solicit votes and to tabulate the Ballots to accept or reject the Plan.

A. Service and Transmittal of Solicitation Packages and Related Information

6. On or about September 11, 2009, the Debtors posted links on the Debtors' chapter 11 website maintained by KCC at www.kccllc.net/verasun providing parties with, among other documents, copies of the Plan, the Disclosure Statement, and the Solicitation Procedures Order.

7. On September 16, 2009, pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures, KCC caused to be served Solicitation Packages which included a voting ballot (a "Ballot") and other solicitation materials. On September 28, 2009, KCC filed with the Court an affidavit [Docket No. 1875] evidencing KCC's service of the Solicitation Packages and describing the solicitation process, which affidavit is incorporated by reference herein.

B. The Tabulation Process

8. The Solicitation Procedures Order established (a) August 31, 2009 as the Record Date for determining which Holders of Claims and Interests were entitled to receive Solicitation Packages and, where applicable, vote on the Plan, (b) October 16, 2009 as the Voting Deadline and the Plan Objection Deadline, and (c) October 23, 2009 as the date for the commencement of the Confirmation Hearing. KCC followed the tabulation procedures in the Solicitation Procedures Order to determine which Holders of Claims or Interest were entitled to vote to accept or reject the Plan and to determine voting amounts. Pursuant to the Solicitation Procedures Order, Holders of Claims in: Class 1G – General Unsecured Claims, Beneficial Owner Ballot regarding Cusip 92336G AF 3, Beneficial Owner Ballot regarding Cusip 92336G AE 6 and Beneficial Owner Ballot regarding Cusip U92292 AC 2 against the VSE Debtors;

Class 2E – Lender Deficiency Claims against the ASA Debtors; Class 2F – Other Deficiency Claims against the ASA Debtors, Class 2G – General Unsecured Claims against the ASA Debtors; Class 3G – General Unsecured Claims against US BioEnergy Corporation; Class 3H – Guaranty Claims against US BioEnergy Corporation; Class 4E – Lender Deficiency Claims against VeraSun Albert City, LLC; Class 4F – Other Deficiency Claims against VeraSun Albert City, LLC; Class 4G – General Unsecured Claims against VeraSun Albert City, LLC; Class 5E – Lender Deficiency Claims against VeraSun Central City, LLC; Class 5G – General Unsecured Claims against VeraSun Central City, LLC; Class 6E – Lender Deficiency Claims against VeraSun Dyersville, LLC; Class 6F – Other Deficiency Claims against VeraSun Dyersville, LLC; Class 6G – General Unsecured Claims against VeraSun Dyersville, LLC; Class 7E – Lender Deficiency Claims against VeraSun Hankinson, LLC; Class 7F – Other Deficiency Claims against VeraSun Hankinson, LLC; Class 7G – General Unsecured Claims against VeraSun Hankinson, LLC; Class 8E – Lender Deficiency Claims against VeraSun Janesville , LLC; Class 8F – Other Deficiency Claims against VeraSun Janesville , LLC; Class 8G – General Unsecured Claims against VeraSun Janesville , LLC; Class 9E – Lender Deficiency Claims against VeraSun Ord, LLC; Class 9F – Other Deficiency Claims against VeraSun Ord, LLC; Class 9G – General Unsecured Claims against VeraSun Ord, LLC; Class 10E – Lender Deficiency Claims against VeraSun Woodbury, LLC; Class 10F – Other Deficiency Claims against VeraSun Woodbury, LLC; Class 10G – General Unsecured Claims against VeraSun Woodbury, LLC; Class 11E – Lender Deficiency Claims against US Bio Marion, LLC; Class 11F – Other Deficiency Claims against US Bio Marion, LLC and Class 11G – General Unsecured Claims against US Bio Marion, LLC (collectively, the “Voting Classes”) were

entitled to vote to accept or reject the Plan. No Holders of Claims or Interests in any other Classes were entitled to vote on the Plan.

9. Pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures approved thereby, KCC relied on Debtor's counsel to provide the Class 2E Ballots (Lender Deficiency Claims) to counsel to the Administrative Agent under the Prepetition Secured Lender Agreement, who then identified and distributed the applicable Ballots to the Holders of such Prepetition Secured Lender Claims entitled to vote to accept or reject the Plan in Class 2E.

10. Pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures approved thereby, KCC relied on a Security Position Report from The Depository Trust Company in order to identify the Holders of Unsecured Note Claims entitled to vote to accept or reject the Plan in Class 1G (Beneficial Owner Ballots and Master Ballots regarding Cusips 92336G AF 3, 92336G AE 6 and U92292 AC 2).

11. Pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures approved thereby, KCC along with the guidance of Debtor's financial advisors and counsel relied on the Schedules of Assets and Liabilities filed by the Debtors on or about January 16, 2009 and the claims information pertaining to the Debtors' Chapter 11 Cases as reflected in KCC's CaseView system ("CaseView") in order to identify the Holders of Claims entitled to vote to accept or reject the Plan in all Voting Classes, less Class 1G (Unsecured Note Claims).

12. KCC also reviewed, without limitation, the court docket and updated claims accordingly based on trade agreements, stipulations, claim amendments, claim transfers and claim objections.

13. Using the information outlined above, and with specific guidance and approval from Debtors' counsel, KCC created a voting database containing the names and addresses of Holders of Claims and the voting amounts and classifications of such Claims in the Voting Classes.

14. Using its CaseView voting database, KCC generated Ballots, Beneficial Holder Ballots and Master Ballots (as referred to herein collectively, the "Ballots") for Holders of Claims entitled to vote to accept or reject the Plan. The Solicitation Procedures Order established October 16, 2009 at 4:00 p.m. prevailing Eastern Time, as the date by which all Ballots had to be actually received by KCC in order to count as a valid vote to accept or reject the Plan (the "Voting Deadline").

15. Pursuant to the Solicitation Procedures Order and in accordance with the Solicitation Procedures approved thereby, KCC received and tabulated the Ballots as follows: (a) each returned Ballot was opened and/or inspected at KCC's office; (b) Ballots were date-stamped, sorted according to Voting Class and scanned into CaseView; and (c) all Ballots received were then entered into CaseView and tabulated in accordance with the tabulation rules outlined in the Solicitation Procedures Order.

16. The voting results of each Voting Class are set forth in Exhibit A attached hereto, which is a true and correct copy of the final tabulation of votes cast by timely and properly completed Ballots received by KCC.

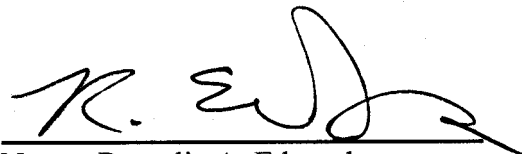

17. Exhibit B to this Affidavit is a detailed voting report for Classes 2E, 4E – 11E, 1F – 11F, 1G – 11G and 3H, showing all Ballots tabulated by KCC, consolidated and sorted alphabetically.

18. Exhibit C to this Affidavit is a detailed report listing all Ballots received by KCC, but not included in the tabulation in Exhibit A and indicating the reason each Ballot did not satisfy the requirements for a valid Ballot as set forth in the Solicitation Procedures Order. Each such Ballot was deemed invalid because of one of three reasons:

- **Abstained Ballots** – pursuant to the Solicitation Procedures Order, Ballots that did not indicate a vote to accept or reject the Plan were not tabulated.
- **Unsigned Ballots** – pursuant to the Solicitation Procedures Order, Ballots that were not signed or without an original signature were not tabulated.
- **Copies of Ballots** - pursuant to the Solicitation Procedures Order, Ballots that were not the official forms sent by the Voting Agent or a copy thereof were not tabulated.

19. To the best of my knowledge, information, and belief, the foregoing information concerning the distribution, submission, and tabulation of Ballots in connection with the Plan is true.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.
