1) The Scheduled Unsecured Debt includes liabilities for which the Debtor is a guarantor or codebtor. The month end balances are not reflective of these guarantees as only primary obligations of the Debtor are reflected on their books and records.

2) Certain prepetition liabilities, such as accrued warranty, which the Debtor is allowed to pay pursuant to a first day order of the Bankruptcy Court, are reported as Postposition Liabilities to avoid the necessity of breaking said accrual between pre and postpetition.
