G. Claims Objections

Except to the extent that a claim is already allowed pursuant to a final non-appealable order, the Debtor reserves the right to object to claims. Therefore, even if your claim is allowed for voting purposes, you may not be entitled to a distribution if an objection to your claim is later upheld. The procedures for resolving disputed claims are set forth in Article V of the Plan.

The most recent post-petition operating report filed since the commencement of the Debtor's bankruptcy case are set forth in Exhibit A. A summary of the Debtor's periodic operating reports filed since the commencement of the Debtor's bankruptcy case is set forth in Exhibit D.

III. SUMMARY OF THE PLAN OF REORGANIZATION AND TREATMENT OF CLAIMS AND EQUITY INTERESTS

A. What is the Purpose of the Plan of Reorganization?

As required by the Code, the Plan places claims and equity interests in various classes and describes the treatment each class will receive. The Plan also states whether each class of claims or equity interests is impaired or unimpaired. If the Plan is confirmed, your recovery will be limited to the amount provided by the Plan.

B. Unclassified Claims

Certain types of claims are automatically entitled to specific treatment under the Code. They are not considered impaired, and holders of such claims do not vote on the Plan. They may, however, object if, in their view, their treatment under the Plan does not comply with that required by the Code. As such, the Plan Proponent has not placed the following claims in any class:

1. *Administrative Expenses*

Administrative expenses are costs or expenses of administering the Debtor's chapter 11 case which are allowed under § 507(a)(2) of the Code. Administrative expenses also include the value of any goods sold to the Debtor in the ordinary course of business and received within 20 days before the date of the bankruptcy petition. The Code requires that all administrative expenses be paid on the effective date of the Plan, unless a particular claimant agrees to a different treatment.

The following chart lists the Debtor's estimated administrative expenses, and their proposed treatment under the Plan:

<u>Type</u>	<u>Estimated Amount Owed</u>	<u>Proposed Treatment</u>
Expenses Arising in the Ordinary Course of Business After the Petition Date		Paid in full on the effective date of the Plan, or according to terms of obligation if later
The Value of Goods Received in the Ordinary Course of Business Within 20 Days Before the Petition Date		Paid in full on the effective date of the Plan, or according to terms of obligation if later
Professional Fees, as approved by the Court.		Paid in full on the effective date of the Plan, or according to separate written agreement, or according to court order if such fees have not been approved by the Court on the effective date of the Plan
Clerk's Office Fees		Paid in full on the effective date of the Plan
Other administrative expenses		Paid in full on the effective date of the Plan or according to separate written agreement
Office of the U.S. Trustee Fees		Paid in full on the effective date of the Plan
TOTAL		

2. *Priority Tax Claims*

Priority tax claims are unsecured income, employment, and other taxes described by § 507(a)(8) of the Code. Unless the holder of such a § 507(a)(8) priority tax claim agrees otherwise, it must receive the present value of such claim, in regular installments paid over a period not exceeding 5 years from the order of relief.

The following chart lists the Debtor's estimated § 507(a)(8) priority tax claims and their proposed treatment under the Plan:

Description (name and type of tax)	Estimated Amount Owed	Date of Assessment	Treatment
			Pmt interval = [Monthly] payment = Begin date = End Date = Interest Rate % = Total Payout Amount = \$
			Pmt interval = [Monthly] payment = Begin date = End date = Interest Rate % = Total Payout Amount = \$

C. Classes of Claims and Equity Interests

The following are the classes set forth in the Plan, and the proposed treatment that they will receive under the Plan:

1. *Classes of Secured Claims*

Allowed Secured Claims are claims secured by property of the Debtor's bankruptcy estate (or that are subject to setoff) to the extent allowed as secured claims under § 506 of the Code. If the value of the collateral or setoffs securing the creditor's claim is less than the amount of the creditor's allowed claim, the deficiency will [be classified as a general unsecured claim].

The following chart lists all classes containing Debtor's secured prepetition claims and their proposed treatment under the Plan:

<u>Class #</u>	<u>Description</u>	<u>Insider ? (Yes or No)</u>	<u>Impairment</u>	<u>Treatment</u>
	Secure claim of: Name = Hiawatha National Bank Collateral Description = Property Allowed Secured Amount = \$____ Priority of lien = Principal owed =289,000 \$____ Pre-pet. arrearage = \$____ Total claim = \$____	No	Impaired	[Monthly] payment = 2272 Pmts Begin = April 1, 2018 Pmts End = April 1, 2043 [Balloon pmt] = Interest rate % = 4 Treatment of Lien = [Additional payment required to cure defaults =

Class #	Description	Insider ? (Yes or No)	Impairment	Treatment
	Secure claim of: Name = Collateral Description = Allowed Secured Amount = \$____ Priority of lien = Principal owed = \$____ Pre-pet. arrearage = \$____ Total claim = \$____		[State whether impaired or unimpaired]	[Monthly] payment = Pmts Begin = Pmts End = [Balloon pmt] = Interest rate % = Treatment of Lien = [Additional payment required to cure defaults =

2. *Classes of Priority Unsecured Claims*

Certain priority claims that are referred to in §§ 507(a)(1), (4), (5), (6), and (7) of the Code are required to be placed in classes. The Code requires that each holder of such a claim receive cash on the effective date of the Plan equal to the allowed amount of such claim. However, a class of holders of such claims may vote to accept different treatment.

The following chart lists all classes containing claims under §§ 507(a)(1), (4), (5), (6), and (a)(7) of the Code and their proposed treatment under the Plan:

Class #	Description	Impairment	Treatment
	Priority unsecured claim pursuant to Section [insert] Total amt of claims = \$	[State whether impaired or unimpaired]	
	Priority unsecured claim pursuant to Section [insert] Total amt of claims = \$	[State whether impaired or unimpaired]	

3. *Class[es] of General Unsecured Claims*

General unsecured claims are not secured by property of the estate and are not entitled to priority under § 507(a) of the Code. [Insert description of §1122(b) convenience class if applicable.]

The following chart identifies the Plan's proposed treatment of Class[es] __ through __, which contain general unsecured claims against the Debtor:

Class #	Description	Impairment	Treatment
	[1122(b) Convenience Class]	Unimpaired	

Class #	Description	Impairment	Treatment
	General Unsecured Class	Unimpaired	Monthly payment = 150 Pmts Begin = April 1, 2018 Pmts End = October 1, 2013 [Balloon pmt] = Interest rate % from [date] = Estimated percent of claim paid = 18%

4. *Class[es] of Equity Interest Holders*

Equity interest holders are parties who hold an ownership interest (i.e., equity interest) in the Debtor. In a corporation, entities holding preferred or common stock are equity interest holders. In a partnership, equity interest holders include both general and limited partners. In a limited liability company ("LLC"), the equity interest holders are the members. Finally, with respect to an individual who is a debtor, the Debtor is the equity interest holder.

The following chart sets forth the Plan's proposed treatment of the class[es] of equity interest holders: [There may be more than one class of equity interests in, for example, a partnership case, or a case where the prepetition debtor had issued multiple classes of stock.]

Class #	Description	Impairment	Treatment
	Equity interest holders	[State whether impaired or unimpaired]	

D. Means of Implementing the Plan

1. *Source of Payments*

Payments and distributions under the Plan will be funded by the following:

From the money received in the course of business.

2. *Post-confirmation Management*

The Post-Confirmation Managers of the Debtor, and their compensation, shall be as follows:

Name	Affiliations	Insider (yes or no)?	Position	Compensation

E. Risk Factors

The Plan, in Exhibit 5.1, lists all executory contracts and unexpired leases that the Debtor will assume under the Plan. Assumption means that the Debtor has elected to continue to perform the obligations under such contracts and unexpired leases, and to cure defaults of the type that must be cured under the Code, if any. Exhibit 5.1 also lists how the Debtor will cure and compensate the other party to such contract or lease for any such defaults.

If you object to the assumption of your unexpired lease or executory contract, the proposed cure of any defaults, or the adequacy of assurance of performance, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan, unless the Court has set an earlier time.

All executory contracts and unexpired leases that are not listed in Exhibit 5.1 will be rejected under the Plan. Consult your adviser or attorney for more specific information about particular contracts or leases.

If you object to the rejection of your contract or lease, you must file and serve your objection to the Plan within the deadline for objecting to the confirmation of the Plan.

G. Tax Consequences of Plan

Creditors and Equity Interest Holders Concerned with How the Plan May Affect Their Tax Liability Should Consult with Their Own Accountants, Attorneys, And/Or Advisors.

The following are the anticipated tax consequences of the Plan: [List the following general consequences as a minimum: (1) Tax consequences to the Debtor of the Plan; (2) General tax consequences on creditors of any discharge, and the general tax consequences of receipt of plan consideration after confirmation.]

IV. CONFIRMATION REQUIREMENTS AND PROCEDURES

To be confirmable, the Plan must meet the requirements listed in §§ 1129(a) or (b) of the Code. These include the requirements that: the Plan must be proposed in good faith; at least one impaired class of claims must accept the plan, without counting votes of insiders; the Plan must distribute to each creditor and equity interest holder at least as much as the creditor or equity interest holder would receive in a chapter 7 liquidation case, unless the creditor or equity interest holder votes to accept the Plan; and the Plan must be feasible. These requirements are not the only requirements listed in § 1129, and they are not the only requirements for confirmation.

A. Who May Vote or Object

Any party in interest may object to the confirmation of the Plan if the party believes that the requirements for confirmation are not met.

Many parties in interest, however, are not entitled to vote to accept or reject the Plan. A creditor or equity interest holder has a right to vote for or against the Plan only if that creditor or equity interest holder has a claim or equity interest that is both (1) allowed or allowed for voting purposes and (2) impaired.

In this case, the Plan Proponent believes that classes __ are impaired and that holders of claims in each of these classes are therefore entitled to vote to accept or reject the Plan. The Plan Proponent believes that classes __ are unimpaired and that holders of claims in each of these classes, therefore, do not have the right to vote to accept or reject the Plan.

1. What Is an Allowed Claim or an Allowed Equity Interest?

Only a creditor or equity interest holder with an allowed claim or an allowed equity interest has the right to vote on the Plan. Generally, a claim or equity interest is allowed if either (1) the Debtor has scheduled the claim on the Debtor's schedules, unless the claim has been scheduled as disputed, contingent, or unliquidated, or (2) the creditor has filed a proof of claim or equity interest, unless an objection has been filed to such proof of claim or equity interest. When a claim or equity interest is not allowed, the creditor or equity interest holder holding the claim or equity interest cannot vote unless the Court, after notice and hearing, either overrules the objection or allows the claim or equity interest for voting purposes pursuant to Rule 3018(a) of the Federal Rules of Bankruptcy Procedure.

2. What Is an Impaired Claim or Impaired Equity Interest?

As noted above, the holder of an allowed claim or equity interest has the right to vote only if it is in a class that is *impaired* under the Plan. As provided in § 1124 of the Code, a class is considered impaired if the Plan alters the legal, equitable, or contractual rights of the members of that class.

3. *Who is Not Entitled to Vote*

The holders of the following five types of claims and equity interests are *not* entitled to vote:

holders of claims and equity interests that have been disallowed by an order of the Court;

holders of other claims or equity interests that are not "allowed claims" or "allowed equity interests" (as discussed above), unless they have been "allowed" for voting purposes.

holders of claims or equity interests in unimpaired classes;

holders of claims entitled to priority pursuant to §§ 507(a)(2), (a)(3), and (a)(8) of the Code; and

holders of claims or equity interests in classes that do not receive or retain any value under the Plan;

administrative expenses.

Even If You Are Not Entitled to Vote on the Plan, You Have a Right to Object to the Confirmation of the Plan [and to the Adequacy of the Disclosure Statement].

4. *Who Can Vote in More Than One Class*

A creditor whose claim has been allowed in part as a secured claim and in part as an unsecured claim, or who otherwise hold claims in multiple classes, is entitled to accept or reject a Plan in each capacity, and should cast one ballot for each claim.

B. Votes Necessary to Confirm the Plan

If impaired classes exist, the Court cannot confirm the Plan unless (1) at least one impaired class of creditors has accepted the Plan without counting the votes of any insiders within that class, and (2) all impaired classes have voted to accept the Plan, unless the Plan is eligible to be confirmed by "cram down" on non-accepting classes, as discussed later in Section [B.2.].

1. *Votes Necessary for a Class to Accept the Plan*

A class of claims accepts the Plan if both of the following occur: (1) the holders of more than one-half (1/2) of the allowed claims in the class, who vote, cast their votes to accept the Plan, and (2) the holders of at least two-thirds (2/3) in dollar amount of the allowed claims in the class, who vote, cast their votes to accept the Plan.

A class of equity interests accepts the Plan if the holders of at least two-thirds (2/3) in amount of the allowed equity interests in the class, who vote, cast their votes to accept the Plan.

2. *Treatment of Nonaccepting Classes*

Even if one or more impaired classes reject the Plan, the Court may nonetheless confirm the Plan if the nonaccepting classes are treated in the manner prescribed by § 1129(b) of the Code. A plan that binds nonaccepting classes is commonly referred to as a "cram down" plan. The Code allows the Plan to bind nonaccepting classes of claims or equity interests if it meets all the requirements for consensual confirmation except the voting requirements of § 1129(a)(8) of the Code, does not "discriminate unfairly," and is "fair and equitable" toward each impaired class that has not voted to accept the Plan.

You should consult your own attorney if a "cramdown" confirmation will affect your claim or equity interest, as the variations on this general rule are numerous and complex.

C. Liquidation Analysis

To confirm the Plan, the Court must find that all creditors and equity interest holders who do not accept the Plan will receive at least as much under the Plan as such claim and equity interest holders would receive in a chapter 7 liquidation. A liquidation analysis is attached to this Disclosure Statement as Exhibit E.

D. Feasibility

The Court must find that confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtor or any successor to the Debtor, unless such liquidation or reorganization is proposed in the Plan.

1. *Ability to Initially Fund Plan*

The Plan Proponent believes that the Debtor will have enough cash on hand on the effective date of the Plan to pay all the claims and expenses that are entitled to be paid on that date. Tables showing the amount of cash on hand on the effective date of the Plan, and the sources of that cash are attached to this disclosure statement as Exhibit F.

2. *Ability to Make Future Plan Payments And Operate Without Further Reorganization*

The Plan Proponent must also show that it will have enough cash over the life of the Plan to make the required Plan payments.

The Plan Proponent has provided projected financial information. Those projections are listed in Exhibit G.

The Plan Proponent's financial projections show that the Debtor will have an aggregate annual average cash flow, after paying operating expenses and post-confirmation taxes, of \$__. The final Plan payment is expected to be paid on __.

[Summarize the numerical projections, and highlight any assumptions that are not in accord with past experience. Explain why such assumptions should now be made.]

You Should Consult with Your Accountant or other Financial Advisor If You Have Any Questions Pertaining to These Projections.

V. EFFECT OF CONFIRMATION OF PLAN

A. DISCHARGE OF DEBTOR[Option 3 -- If the Debtor is a corporation and § 1141(d)(3) is not applicable]

Discharge. On the effective date of the Plan, the Debtor shall be discharged from any debt that arose before confirmation of the Plan, subject to the occurrence of the effective date, to the extent specified in § 1141(d)(1)(A) of the Code, except that the Debtor shall not be discharged of any debt (i) imposed by the Plan, (ii) of a kind specified in § 1141(d)(6)(A) if a timely complaint was filed in accordance with Rule 4007(c) of the Federal Rules of Bankruptcy Procedure, or (iii) of a kind specified in § 1141(d)(6)(B). After the effective date of the Plan your claims against the Debtor will be limited to the debts described in clauses (i) through (iii) of the preceding sentence.

No Discharge. In accordance with § 1141(d)(3) of the Code, the Debtor will not receive any discharge of debt in this bankruptcy case.

B. Modification of Plan

The Plan Proponent may modify the Plan at any time before confirmation of the Plan. However, the Court may require a new disclosure statement and/or revoting on the Plan.

Upon request of the Debtor, the United States trustee, or the holder of an allowed unsecured claim, the Plan may be modified at any time after confirmation of the Plan but before the completion of payments under the Plan, to (1) increase or reduce the amount of payments under the Plan on claims of a particular class, (2) extend or reduce the time period for such payments, or (3) alter the amount of distribution to a creditor whose claim is provided for by the Plan to the extent necessary to take account of any payment of the claim made other than under the Plan.

C. Final Decree

Once the estate has been fully administered, as provided in Rule 3022 of the Federal Rules of Bankruptcy Procedure, the Plan Proponent, or such other party as the Court shall designate in the Plan Confirmation Order, shall file a motion with the Court to obtain a final decree to close the case. Alternatively, the Court may enter such a final decree on its own motion.

VI. OTHER PLAN PROVISIONS

[Insert other provisions here, as necessary and appropriate.]
