Monday, June 19, 2006 This column identifies all of the remaining objections raised by the Debtors' in the 15th Omnibus Objection that (1) were not C-, D- and E- Objections, and (2) have not previously been heard. The Debtors have excluded any F-1 Objections from this column (Speights California University claims). The Debtors included the F-1 Objections as a separate category in the 15th Omnibus Objection, because at that time, there were more than 1200 claims subject to this objection. Due to claims withdrawals and disallowances, this number has since been reduced to fewer than 100. As a result, the Debtors believe it makes sense to deal with these remaining claims through the regular C-, D- and E- Objections, which were also registered to these claims in the 15th Omnibus Objection.
