OBJECTION TO DISCLOSURE STATEMENT

Comes Blackhawk Mining, LLC (“Blackhawk”), by counsel, and hereby files this Joinder to the Objection of the United States Trustee [D.E. 412] to the Disclosure Statement filed by the Debtor [D.E. 346]. In support of its Objection, Blackhawk states as follows:

Blackhawk is an unsecured creditor holding a claim of \$1,332,056.76, subject to revision based on additional taxes and royalties. Blackhawk concurs with the arguments raised by the United States Trustee and incorporates same by reference. The Disclosure Statement does not provide adequate liquidation analysis, is unclear as to the permits and properties the Debtor would intend to administer through the Plan, does not appropriately address the massive reclamation obligations the Debtor faces, and fails to fully define the proposed Liquidating Trust.

To the extent the Disclosure Statement is amended by the Debtor prior to a hearing on this objection, Blackhawk reserves the right to present at the hearing any additional arguments it may have to such amendment.

Respectfully submitted,
